MUNICIPALITY OF ANCHORAGE

ASSEMBLY MEMORANDUM

No. AM 288 -2006

Meeting Date: May 2, 2006

From: Mayor

Subject: Appropriating Forty Thousand Dollars (\$40,000) from the Anchorage Park Foundation to the Anchorage Parks and Recreation Service Area Capital Fund (461) for Capital Improvements to Pop Carr Park.

The Rasmuson Foundation contributed \$400,000 to the Anchorage Park Foundation for capital improvements to parks and trails. Upon receiving this contribution, the Anchorage Park Foundation launched the Clean & Green, Safe & Secure campaign with intent to upgrade the safety, function, and appearance of several Anchorage parks.

In the summer of 2005, Anchorage Parks and Recreation logged 4,428 volunteer hours with 1,068 volunteers to Clean & Green 30 parks. Volunteers painted bollards, picnic tables, benches, and kiosks. They cleared brush, weeded, removed trash, and replaced landscaping materials. The results are a more involved community, better maintained parks, good media attention for the Anchorage Park Foundation, and substantially improved relationships with user groups.

Anchorage Parks and Recreation contracted with the firm of Land Design North to identify long term and short term park improvement projects in 18 parks (see attached map) and establish design standards for many of the park amenities to be purchased with the initial Rasmuson contribution. Parks and Recreation intends to spend this Rasmuson Foundation contribution, some municipal funds, and a \$40,000 contribution from the Carr Foundation on amenities for parks in the summer of 2006. Amenities will include such items as benches, trash receptacles and picnic tables, as displayed in the November 2005 catalog.

Thank you to the Carr Foundation for investing in Pop Carr Park, and recognizing the value of community building. We hope this private investment for public good will be recognized and celebrated by neighbors and families who will enjoy the beauty of our public spaces. Investments in Anchorage parks are investments in the health and future of our community.
