## ASSEMBLY MEMORANDUM

No. AM 399 -2006

**Meeting Date:** June 6, 2006

**From:** Mayor

**Subject:** Appropriation of Eight Thousand Five Hundred Dollars (\$8,500) from the National Park Service Challenge Cost Share Program to the Girdwood Valley Parks and Recreation Service Area Federal Categorical Grant Fund (241) for the Iditarod National Historic Trail Reconstruction.

In 2005, the National Park Service (NPS) notified the Municipality of Anchorage that it would make available to the Municipality, Eight Thousand Five Hundred Dollars (\$8,500) from the Challenge Cost Share Program Funds for work on the Iditarod National Historic Trail in Girdwood. This amount will be matched with Eight Thousand Five Hundred Dollars (\$8,500) of in-kind services, or from the approved Girdwood Valley Parks and Recreation 2006 Operating Budget, Girdwood Valley Service Area Fund (106). The Girdwood Board of Supervisors supports taking part in this Challenge Cost Share Project and using funds from the Girdwood Valley Parks and Recreation budget for the required match.

These funds will be used in the continuation of the work on the Iditarod National Historic Trail begun in 1996. The work to be completed with NPS matching grant will consist of trail maintenance and construction of the Iditarod National Historic Trail in Girdwood Valley Service Area. These recommended trail improvements have been identified in the Girdwood-Iditarod Trail Route Study, which was adopted by the Municipality of Anchorage Assembly in Resolution 97-84, April 29, 1997. The Route Study was also adopted by the Girdwood Board of Supervisors, the Municipal Planning and Zoning Commission, and the Alaska Department of Natural Resources, which manages lands over which part of the route passes. The need for this project is identified in the Iditarod National Historic Trail Comprehensive Management Plan (1982) and the Anchorage Areawide Trails Plan (1997).

The following budget is presented for Assembly information:
