ASSEMBLY MEMORANDUM

No. AM 630-2006

Meeting Date: September 12, 2006

FROM: Mayor

SUBJECT: Resolution to Re-appropriate Alaska Legislative Senate Bill 231 Grant Funds from the Anchorage Roads and Drainage Service Area Capital Improvement Fund (441) to the Project Management & Engineering Department's Areawide General Capital Improvement Fund (401) for the Fire Lake Dam Rehabilitation Project.

The State of Alaska Legislative Senate Bill 231 funds were originally appropriated for the Flooding and Glaciation 50/50 Match Program in fund 441 (AR 2006-162). The Project Management & Engineering Department subsequently determined that a portion of the funds should have been appropriated into the 401 fund for the Fire Lake Dam Rehabilitation Project. This resolution will re-appropriate the funds to the correct fund.

This project is intended to help prevent the possibility of downstream properties being flooded due to potential dam failure.

The accounting detail is as follows:

<u>Revenue:</u>	401.7276.9825.2006	\$200,000

<u>Expenditures:</u>	401.7276.5302.2006	\$200,000
