MUNICIPALITY OF ANCHORAGE

ASSEMBLY MEMORANDUM

No. AM 786 -2006

Meeting Date: October 24, 2006

From: Mayor

Subject: Appropriation of \$22,125 from the Department of Military and Veterans' Affairs, Division of Homeland Security and Emergency Management and a contribution from the Municipality of Anchorage Office of Emergency Management as partial funding for the Anchorage Local Emergency Planning Committee (LEPC).

On October 17, 1986 Congress enacted into law the Emergency Planning and Community Right-to-Know Act (EPCRA) as Title III of the Superfund Amendments and Reauthorization Act (SARA). SARA Title III establishes requirements that federal and state governments, local communities, and industry must implement regarding emergency planning and community right-to-know reporting on hazardous and toxic chemicals.

The Alaska Emergency Response Commission (SERC) was formed pursuant to SARA Title III and Alaska Statute 46.13.010 as superseded by A.S. 26.23.071. The SERC designated the area encompassing the boundaries of the Municipality of Anchorage as the Local Emergency Planning District (LEPD) and established the Anchorage Local Emergency Planning Commission (LEPC) within the district.

The Anchorage LEPC has established itself as an All-hazards LEPC, which provides the opportunity to apply for additional grant monies to address both hazardous materials and other hazards, natural or man-made, that may create an emergency situation in the areas that encompass the Municipality of Anchorage. On March 17, 2004, the Anchorage LEPC, by unanimous approval, assumed full responsibility to also function as the Citizen Corps Council of Anchorage for the purpose of encouraging citizen involvement and participation in supporting community safety. This award will provide partial funding to assist in paying operating and equipment costs for the Anchorage LEPC staff.

The following budget is submitted.
