## ASSEMBLY MEMORANDUM

No. AM 857 -2006

Meeting Date: December 12, 2006

**From:** Mayor

**Subject:** Appropriation from the Department of Justice, Community Capacity Development Office, Russian Jack/Muldoon Weed & Seed Site Office, of additional Weed & Seed Program Coordination Grant funding and local match required. (\$51,030)

In January of 2006 the Municipality of Anchorage received a grant from the Department of Justice, Community Capacity Development Office, Russian Jack/Muldoon Weed & Seed Site Office for a Weed & Seed Coordination Program in the amount of \$94,500. The Russian Jack/Muldoon Weed & Seed Site Office has received a subsequent federal grant to reduce the occurrence of violent and drug related criminal activities in the subject area. One of the identified problems sought to be addressed by this additional pass-through grant funding is the infrequency of prioritized sworn officer patrols in this relative high crime area.

This additional grant funding will be used to reimburse sworn officer overtime up to 738 hours immediately through December 31, 2006. This grant will provide increased, focused overtime patrol efforts to reduce gun violence and illegal drug operations in the Russian Jack/Muldoon program site area. The increased presence of patrol officers in and around these targeted housing areas will deter violent or drug related criminal activities while offering the residents an increased sense of security and safety.

A special condition of this grant agreement is that the department provides matching funds. The total projected Municipal cost is \$1,030, which has been budgeted in the 2006 Police Operating Budget. This grant amendment began October 1, 2006 and will end on December 31, 2006.
