ASSEMBLY MEMORANDUM

AM No. 226-2007

Meeting Date: March 27, 2007

FROM: Mayor

SUBJECT: APPROPRIATION OF THREE HUNDRED FIFTEEN THOUSAND DOLLARS (\$315,000) AS A RESTRICTED CONTRIBUTION FROM ALASKA CENTER FOR THE PERFORMING ARTS, INC. (ACPA) TO THE AREAWIDE GENERAL CIP FUND (FUND 401), PERFORMING ARTS CENTER RESERVE ACCOUNT, FOR THE PERFORMING ARTS CENTER LIGHTING UPGRADE PROJECT.

The current lighting system in the Alaska Center for the Performing Arts (ACPA) is an analog/digital system (national industry standard is digital) manufactured by a company that is no longer in business. With replacement parts no longer available, the present system cannot be updated or repaired. In order for ACPA to continue serving adequately the needs of Performing Arts companies and patrons, a more up-to-date and reliable lighting system must be put in place. Current elements that are in good working order and that have resources available for consistent maintenance will be retained. The control system will be replaced, bringing it up to industry standard and making it compatible with current and future users' needs. The new equipment will: (1) function as a fully-integrated system compatible with other currently-owned instruments; (2) allow ACPA to replace parts and perform upgrades through an annual maintenance program; and (3) provide a reliable system to meet the needs of local, national, and international Performing Arts companies.

In support of this goal, ACPA, Inc. is making a contribution of \$315,000 to the Performing Arts Center Reserve Account for use in the lighting project.
