MUNICIPALITY OF ANCHORAGE

ASSEMBLY MEMORANDUM

No. AM 794-2008

Meeting Date: November 25, 2008

From: Mayor

Subject: Appropriation from the State of Alaska, Department of Transportation & Public Facilities, of a Crash Data Retrieval (CDR) System Technician Training Program Grant and local match required (\$12,004)

The Municipality of Anchorage has received a grant from the State of Alaska, Department of Transportation & Public Facilities for a CDR System Technician Training program. This grant will be used for three Fatality Accident Investigation officers to attend the CDR System Technician Training Program during the period December 1, 2008 through December 5, 2008.

This grant will be used to reimburse travel and training costs related to the CDR System Training Course to be held in Las Vegas, Nevada. This training will allow three officers to become trained and certified in the use of the CDR System. With this certification, these officers will be able to utilize this system to obtain critical vehicle information prior to and after a crash. This training will enable a better understanding of how traffic collisions have occurred and how to preserve data for evidentiary value.

A special condition of this grant is that the department provides matching funds. The total projected Municipal cost is \$4,479, which has been budgeted in the 2008 Police Operating Budget. This grant began on October 28, 2008 and will end on December 5, 2008.
