No. AM 842-2008

Meeting Date: December 16, 2008

From: Mayor

Subject: Appropriation from the State of Alaska, Department of Transportation and Public Facilities MS/CVE of a Commercial Vehicle Inspection Grant and local match required (\$32,493)

The Municipality of Anchorage has entered into a standard agreement grant with the State of Alaska, Department of Transportation and Public Facilities MS/CVE under the Motor Carrier Safety Assistance Program. This grant will be used for commercial vehicle inspections within the Municipality in the amount of \$31,278.

The funding provided under this program will reimburse commercial vehicle inspections conducted in conjunction with commercial vehicle code enforcement, associated administrative costs and required equipment to enhance the capabilities of the inspection process. Through increased commercial vehicle safety inspections the residents of Anchorage will experience safer roads and reduced traffic accident injuries.

A condition of this grant is that the department makes a voluntary contribution to cover all indirect overhead charges from the Municipality. The total projected Municipal cost is \$1,215 which has been budgeted in the 2008 Anchorage Police Operating Budget. This grant began October 1, 2008 and will end on September 30, 2009.
