ANCHORAGE, ALASKA
AR NO. 2009-59

**A RESOLUTION OF THE ANCHORAGE MUNICIPAL ASSEMBLY REQUESTING INCLUSION
OF UPDATED COST ESTIMATES IN THE MUNICIPALITY OF ANCHORAGE 2009 ALASKA
LEGISLATIVE PROGRAM CAPITAL REQUEST FOR FLOODING IN EAGLE RIVER.**

WHEREAS, the Eagle Glen East Subdivision has experienced flooding problems for nearly twenty years, with a marked worsening of conditions, as Eagle River has undergone more development; and

WHEREAS, area legislators were successful in securing funding for an engineering study of the problems and conditions; and

WHEREAS, an independent engineering study, closely examining the situation, has been recently completed and accepted by the Municipality, with long term solution cost estimates forecasted to range between \$3.4 and \$4 Million; and

WHEREAS, these long term engineered solutions and cost estimates have been reviewed and discussed in two recent community meetings, including discussions held with area legislators; and

WHEREAS, the Assembly approved inclusion of a project to fix the flooding in the Municipality Of Anchorage 2009 Alaska Legislative Program capital requests; and

WHEREAS, the initial estimate of \$700,000, is now shown to be inadequate; and

WHEREAS, area legislators have requested that the Municipality of Anchorage 2009 Alaska Legislative Program capital request include the updated cost information to fund the long term solution;

NOW, THEREFORE, the Anchorage Assembly resolves that:

**The Municipality of Anchorage 2009 Alaska Legislative Request
requires amendment to update cost estimates for the Eagle Glen East
Subdivision flooding to reflect a range between \$3.4 and \$4 Million,
as determined by the recently completed engineering study.**

PASSED AND APPROVED by the Anchorage Assembly this 24th day of
February, 2009.
