Subject: A resolution of the Municipality of Anchorage appropriating a donation of Twenty-One Thousand Five Hundred Ninety-Three Dollars (\$21,593) from the Fireman's Fund Insurance Company, Heritage Program, to the Anchorage Fire Department, Miscellaneous Grants Fund (261), to promote a safer community through funding the provision of additional K-9 and forensic fire investigation training, firefighter rescue and fitness equipment, and elementary school based fire safety education.

This resolution appropriates a donation of Twenty-One Thousand Five Hundred Ninety-Three Dollars (\$21,593) from the Fireman's Fund Insurance Company, Heritage Program, to the Anchorage Fire Department, Miscellaneous Grants Fund (261), to promote a safer community through funding the provision of additional K-9 and forensic fire investigation training, firefighter rescue and fitness equipment, and elementary school based fire safety education.

The Fireman's Fund Insurance Company launched the Heritage Fund Program in 2004 to promote safer communities through providing direct financial assistance to local firefighting organizations. In so doing, Fireman's Fund renewed its founding mission to allocate a portion of the company's profits toward supporting those individuals working in the fire service. The staff of the Anchorage Fire Department commends Fireman's Fund for its continued support of fire service personnel throughout the nation and greatly appreciates its decision to provide additional direct financial assistance to the Anchorage Fire Department.
