We have received an application for the above listed licenses (see attached application documents) within your jurisdiction. This is the notice as required under AS 04.11.520. Additional information concerning filing a "protest" by a local governing body under AS 04.11.480 is included in this letter.

A local governing body as defined under AS 04.21.080(11) may protest the approval of an application(s) pursuant to AS 04.11.480 by furnishing the board and the applicant with a clear and concise written statement of reasons in support of a protest within 60 days of receipt of this notice. If a protest is filed, the board will not approve the application unless it finds that the protest is "arbitrary, capricious and unreasonable". Instead, in accordance with AS 04.11.510(b), the board will notify the applicant that the application is denied for reasons stated in the protest. The applicant is entitled to an informal conference with either the director or the board and, if not satisfied by the informal conference, is entitled to a formal hearing in accordance with AS 44.62.330-44.62-630. IF THE APPLICANT REQUESTS A HEARING, THE LOCAL GOVERNING BODY MUST ASSIST IN OR UNDERTAKE THE DEFENSE OF ITS PROTEST.

Under AS 04.11.420(a), the board may not issue a license or permit for premises in a municipality where a zoning regulation or ordinance prohibits the sale or consumption of alcoholic beverages, unless a variance of the regulation or ordinance has been approved. Under AS 04.11.420(b) municipalities must inform the board of zoning regulations or ordinances which prohibit the sale or consumption of alcoholic beverages. If a municipal zoning regulation or ordinance prohibits the sale or consumption of alcoholic beverages at the proposed premises and no variance of the regulation or ordinance has been approved, please notify us and provide a certified copy of the regulation or ordinance if you have not previously done so.

Protest under AS 04.11.480 and the prohibition of sale or consumption of alcoholic beverages as required by zoning regulation or ordinance under AS 04.11.420(a) are two separate and distinct subjects. Please bear that in mind in responding to this notice.

Cheesecake- 7.50

Our homemade cheesecakes come in three flavors. For the traditionalist, there is the New York flavor (though you could put chocolate syrup on if you want). If you are looking for something sweeter, there is the chocolate with raspberry. And if you want a cup of coffee, we have chocolate with Bailey's Irish Cream.

Baklava- 3.75

The traditional Greek pastry is phenomenal for those who love honey and walnuts. Layers of light filo dough are filled with the wonderfully syrupy ingredients and then baked to make for a crunchy, sweet and distinctly Mediterranean finish to your meal.

Tiramisu-7.50

For the Italian lover, this famous lady finger coffee cake with Mascarpone cheese and chocolate dressing is what is called "La Dolce Vita" or the sweet life.

Spumoni Ice Cream- 4.75

Spumoni is wonderfully complex, with strawberry, chocolate, mint and pistachio nuts with almonds all blended together chills down the palate, especially after a spicy meal.

House Special- 7.50

Try a scoop of spumoni ice cream with a piece of our baklava.

Ports

"Ports" came about thanks to the wars between the English and French. Because the French blocked access to their grapes for wine the English had to find another source. Wine started coming from Portugal, but to prevent spoilage during the sea voyage the shippers would continually add brandy to preserve it, until the wine became a different beverage altogether. The wine is called port because the grapes were ferried down the Douro River and wound up in the wineries in Oporto (Porto), Portugal, where they would then go to England for consumption.

Warre's Otima 10 Year Tawny- 12

W&J Graham's 20 Year Tawny- 14

Penfold's Club Reserve Tawny-7 Though it cannot be called a Tawny Port legally (since it's not from Portugal), this Australian dessert wine is crafted in the traditional version of port.

Seppeltsfield Para 10 Year- 7
This tawny style is matured with Syrah and Grenache grapes near the Para River in Australia from where it is named.

Blandy's Rainwater Madeira-5
From the Madeira Islands off Portugal, this wine is fortified Tinta Negra Mole grapes. It is called rainwater Madeira because the hillsides could not be irrigated and needed rain to be watered.

Greek Coffee-3

Not for those who can't stand caffeine! It takes a little while to prepare, but worth it.
