

JOIN THE  
CONVERSATION

## Your Priorities

Take our **Community Wildfire Survey**. Share your priorities to help protect our neighborhoods and shape the plan.

## Your Feedback

Join the **Wildfire Town Hall on November 12<sup>th</sup>** for a season wrap up and introduction to the draft CWPP.

## Your Voice. Your Plan. Our Safety.

A **Community Wildfire Protection Plan** (CWPP) is our community's roadmap for living more safely with wildfire. Created with input from residents, local leaders, and fire professionals, it identifies risks, sets priorities, and guides funding for projects that protect homes, neighborhoods, and natural areas. By participating, **you have a direct voice in shaping how we prepare, prevent, and respond to wildfire—together.**
