
Planning Department

Anchorage: Performance. Value. Results.

Mission

The Planning Department provides professional, technical, and analytical expertise that assists the community in identifying goals, policies and objectives governing growth and future development within the Municipality of Anchorage. It guides the development of a livable northern community, facilitating development in accordance with Anchorage's zoning and subdivision regulations and preparing long-range land use plans based on the community's goals and aspirations, economic assets and opportunities, and environmental attributes.

Core Services

- Produces area-wide, regional, and neighborhood plans that meet community expectations for our winter city community. This includes Assembly-adopted comprehensive and sub-area plans for Chugiak-Eagle River, Anchorage Bowl, Girdwood, and Turnagain Arm.
- Provides planning for long-term multi-modal transportation needs.
- Ensures new developments adhere to adopted plans and land use code.
- Provides a public process for property owners to seek exceptions to (variances, grandfather rights, rezoning's, etc.), or accommodation under (conditional uses, plat notes etc.) Anchorage's zoning or platting regulations.

Planning Department

Current Planning Division

Anchorage: Performance. Value. Results.

Mission

Facilitate land use development in accordance with Anchorage's zoning and subdivision regulations.

Core Services

- Respond to public inquiries regarding land use development regulations and how regulations apply to given situations.
- Provide public processes for property owners to seek exceptions to (variances, grandfather rights, rezoning's, etc.), or accommodation under (conditional uses, plat notes, etc.) Anchorage's zoning or platting regulations.

Accomplishment Goals

- Provide timely, clear, and accurate information about zoning and platting cases to the general public and to the citizens serving on Anchorage's four land use regulatory boards: Planning and Zoning Commission, Platting Board, Zoning Board of Examiners and Appeals, and Urban Design Commission.
- Examine and track the level of tax subsidy for the processing of zoning and platting cases.
- Develop staff resources to serve as projects managers to assist major housing and economic development projects from concept phase to issuance of certificate of occupancy.
- Assist health and higher education partners in implementing campus master plans to ensure continued quality health care and higher education is provided in-state.
- Provide timely and accurate services for applicants requesting:
 - Land use reviews/determinations;
 - Administrative land use permits;
 - Zoning and platting services; and
 - Zoning Review for all land use and building permits.
- Safety: Provide guidance in the design of public and private development projects that foster crime prevention and minimizes the impacts from natural and man-made disasters.
 - Apply Crime Prevention through Environmental Design guidelines in the review of site and building plans;
 - Adopt policies and procedures to minimize the impacts of and response to natural disasters.
- Engage the community in land use planning activities to make decisions about land uses and transportation, as well as public facilities, economic development, housing, and other public issues that are vital to a healthy and livable community.
- Review and make necessary changes to codes, regulations, land use approval, building permit and other processes to reduce barriers to housing and non-residential development.
- Incorporate the necessary tools and training for staff in order to serve the public effectively.
