

Safety Division Municipal Manager

Anchorage: Performance. Value. Results.

Purpose

Protect the employees and citizens of the Municipality from unsafe conditions and acts.

Core Service

Determine frequency and severity as pertains to “Root Cause of Accidents”

Accomplishment Goal

Lower the cost of Municipal operations by reducing both the number of accidents and the severity of accidents in workers’ compensation, auto liability and general liability exposures.

Performance Measures

Progress in achieving goal shall be measured by:

Measure 2: Reduction in the number of incidents/claims by 5% annually (frequency)
