**PROPOSED AMENDMENT**

**Purpose/Summary of Amendment 6:**

This is a technical correction to insert a missing word into the provision in 21.11.070G.18.f. on page 66, line 8 of AO 2020-38.

The provision is intended to refer to the *percentage* of seating provided, not the number of seats, and so should read, “At least 50 percent ...”.
