

Hillside District Plan

Adopted April 13, 2010

Acknowledgements

A number of dedicated people volunteered their time and input to make this planning process successful and a reflection of the desires, values, and needs of Hillside residents and Anchorage citizens.

The Municipality of Anchorage and the team of professional consultants who worked on the Hillside District Plan thank all those who attended meetings and workshops. A special thank you goes to the members of the Citizen Advisory Committee in recognition of their work and commitment in the Hillside District Plan process.

Hillside District Plan

Table of Contents

Preface

Chapter I. Introduction 1-1

Purpose of the Hillside District Plan	1-1
Hillside District Plan Process	1-5
Hillside Character.....	1-7
Physical Landscape	1-7
Vegetation, Hydrology, Wildlife.....	1-11
The Human Landscape	1-13
Roads and Trails	1-14
Hillside Character Summary: Implications for Development.....	1-16
Expectations for Growth.....	1-18
Summary of Plan Policies.....	1-21

Chapter 2. Land Use 2-1

Overview	2-1
Context: Planning Issues Summary	2-2
Goal and Policy Summary.....	2-4
Policies and Policy Background	2-9
Policy 1-A — Hillside as a Whole	2-9
Policy 1-B — Southeast Hillside Residential.....	2-9
Policy 1-C — Central Hillside Residential	2-11
Policy 1-D — Lower Hillside Residential.....	2-11
Policy 1-E — Hillside Land Use Plan Map	2-14
Commercial and Other Nonresidential Uses	2-24
Policy 2-A — Hillside Development Standards	2-30
Policy 2-B — Subdivision Approval Process	2-31
Policy 2-C — Hillside Conservation Subdivision	2-32
Commercial Uses on the Hillside.....	2-34
Policy 4-A — Schools	2-35
Policy 4-B — Fire Stations.....	2-37
Other Public Facilities.....	2-37
Policy 5-A — Environmental Quality	2-38
Policy 5-B — Built/Green Infrastructure	2-42
Policy 5-C — Riparian Greenbelt Acquisition	2-44
Policy 6-A — Priorities for Parks and Open Spaces.....	2-44
Policy 6-B — Parks Development	2-48
Policy 7-A — Visual Quality Protection.....	2-49
Policy 7-B — Prominent Ridgeline Development Standards	2-49

Chapter 3. Drainage	3-1
Overview	3-1
Context: Planning Issues Summary	3-2
Goal and Policy Summary.....	3-5
Policies and Policy Background	3-7
Policy 8-A — Development Standards	3-7
Policy 8-B — Watershed Plans	3-8
Policy 8-C — Drainage Background Material	3-13
Policy 8-D — Management Entity.....	3-14
Policy 8-E — No Net Increase in Runoff up to the 10-Year Event	3-15
 Chapter 4. Transportation	 4-1
Overview	4-1
Context: Planning Issues Summary	4-2
Goal and Policy Summary.....	4-6
Policies and Policy Background	4-9
Policy 9-A — Road Connections.....	4-9
Policy 9-B — Road Standards	4-14
Policy 9-C — Road Maintenance	4-18
Policy 9-D — Old Seward Highway	4-18
Policy 9-E — Hillside Road Management Entity	4-18
Policy 10-A — Trails and Trailheads	4-20
Policy 10-B — Chugach State Park Access	4-24
Policy 10-C — Trail Standards.....	4-28
Policy 11-A — Transit Service	4-33
Policy 11-B — Park-n-Ride Facilities.....	4-33
Policy 12-A — Hillside District Funding and Management Entity.....	4-34
Policy 12-B — Anchorage Parks and Recreation Service Area.....	4-35
Policy 12-C — Funding and Management for Chugach State Park Access	4-35
Policy 12-D — Road and Trail Maintenance Schedule.....	4-35
 Chapter 5. Water and Wastewater: Public and On-site Systems	 5-1
Overview	5-1
Context: Planning Issues Summary	5-2
Background	5-5
Goal and Policy Summary.....	5-10
Policies and Policy Background	5-12
Policy 13-A — Public Sewer Boundary.....	5-12
Neighborhood Wastewater Systems	5-12
Policy 13-B — Program Overview	5-12
Policy 13-C — Oversight	5-15

Policy 13-D — Ownership and Operation	5-17
Policy 13-E — AWWU Certificated Sewer Boundary.....	5-18
Policy 13-F — On-site Wastewater Problem Lots	5-19
Well Water Protection Program	5-21
Policy 13-G — Program Overview.....	5-21
Policy 13-H — Aquifer System Conditions	5-24
Policy 13-I — Individual Property Owners.....	5-25
Policy 13-J — Community Actions.....	5-26
Policy 13-K — Funding.....	5-27
Policy 13-L — On-Site Wastewater Code	5-27
Policy 13-M — Maximum Perimeter of Public Sewerage	5-30
 Chapter 6. Implementation.....	 6-1
Overview	6-1
Part 1: Infrastructure Funding and Management.....	6-3
Objectives for Hillside Infrastructure Funding and Management.....	6-6
Goal and Policy Summary: Part 1	6-7
Policy 14-A — Funding and Management Entity.....	6-8
Policy 14-B — Parks and Recreation Service Area Boundary.....	6-15
Policy 14-C — Chugach State Park Access.....	6-16
Policy 14-D — Well Water Protection Program	6-17
Policy 14-E — AWWU Certificated Sewer Boundary.....	6-18
Policy 14-F — Building Safety Service Area	6-19
Part 2: Development Standards and Procedures	6-21
Goal and Policy Summary: Part 2	6-23
Applications of Development Standards and Procedures	6-24
Objectives for Development Standards.....	6-26
Policy 14-G — Submittal Requirements.....	6-27
Policy 14-H — Clearing and Grading	6-29
Development Standards.....	6-29
Policy 14-I — Subdivisions	6-29
Policy 14-J — Individual Parcels	6-33
Policy 14-K — Drainage Easements.....	6-34
Policy 14-L — Conservation Subdivisions.....	6-34
Policy 14-M — Road and Driveway Standards.....	6-38
Policy 14-N — Gravel Road Standards.....	6-38
Policy 14-O — Lighting Standards	6-41
Policy 14-P — Ridgetop Development	6-42
 Appendix A Hillside District Plan Supporting Documents.....	 A-1
Appendix B Summary of HDP Implementation Actions.....	A-3

Maps, Tables and Figures

Chapter I. Introduction

Map 1.1	Existing Land Use	1-3
Map 1.2	Hillside Zoning Districts	1-4
Figure 1.3	Hillside District Plan Phasing Diagram.....	1-5
Map 1.4	Terrain Complexes for Drainage Planning.....	1-9
Map 1.5	Watersheds	1-10
Figure 1.6	Hillside District Growth and Character in Context	1-13
Map 1.7	Development Suitability	1-17
Figure 1.8	Municipality of Anchorage Population, 1960-2020.....	1-18
Table 1.9.....	Estimated Build-Out in the Hillside District, Based on Existing Zoning	1-20

Chapter 2. Land Use

Map 2.1	Hillside Land Use Plan Map.....	2-8
Map 2.2	Southeast Hillside Maximum Perimeter of Public Sewerage as Established in the Hillside District Plan	2-10
Map 2.3	Lower Hillside Zoning Designation	2-12
Table 2.4.....	Land Use/Zoning Consistency Table.....	2-24
Map 2.5	Existing Nonresidential Uses	2-26
Figure 2.6	Overview of Anchorage 2020 Commercial Policy.....	2-27
Map 2.7	Potter Marsh Commercial Zoning.....	2-29
