I talked to John McCleary here at Parks. He has used the name Woodside Park to identify the soccer fields for permitting purposes. He considers Woodside to be from Ingra over to generally the east edge of the soccer fields. Park land east of the soccer fields he knows as Eastchester Park (extending to Tikishla Park). I know in our last meeting that we decided to drop the name Woodside Park, this is a consideration I am sending along for John McCleary.eas

Note: these two soccer fields are shared with the baseball fields there, they can not all be used at the same time.
