

Planning Department
MUNICIPALITY OF ANCHORAGE

WETLANDS NOTICE

As of April 30, 2021, the Municipality of Anchorage will no longer issue General Permits for wetland fill projects in “C” wetlands. The Corps of Engineers did not reauthorize the Anchorage General Permits.

All development projects located in wetlands throughout the Municipality must go to the Corps of Engineers for an authorization to place fill.

Contact the Corps of Engineers:

By Phone: (907) 753-2712 (Ask for an Anchorage area project manager)

or

Through the Corps of Engineers Permitting website:
