Isabelle Building Board Appeal BCA-03-2995 - Permits 00-6083 and 01-0076

Ron,

In response to today's e-mail from Bob Nibert advising that "The stop work order on the building will remain in effect until site work is signed off..." we intend to pursue a decision from the Building Board on the stop work orders which was the issue of the subject appeal. We will amend the previously submitted documentation.

Therefore, please advise when is the next scheduled meeting of the Board of Building Regulation Examiners and Appeals so that we will have an opportunity to submit our amended documentation timely?

Regards,

Sue Isabelle
