

REQUIREMENTS FOR THE MUNICIPALITY OF ANCHORAGE

GAS PIPING CONTRACTOR EXAM

1. Applicant shall provide proof they have at least **8,000** hours of previous practical experience personally **installing, altering, and repairing work** in the gas piping field. Only hours accrued while properly licensed and working for a legally licensed contractor in the Gas Piping trade shall be credited towards the required 8,000 hours.

Letters of proof shall be notarized and on company letterhead from a certified contractor in the trade in which you are applying for. The letter(s) need to say gas piping and need to **state and list actual hours** that you have accumulated in the gas piping trade not just dates of employment.

(WE DO NOT ACCEPT THE STATE FORM FOR VERIFICATION OF HOURS)

2. Exam time limit is **two** hours.
3. There are three parts to this exam:
 - (1) 50 Gas Piping and Appliance Venting questions.
 - (2) 25 Contractor Business Questions.
 - (3) Gas Piping Drawing
4. Passing grade for Gas Piping Contractor is 70% on **each section** of the test. Less than 70% on one section is considered failing that section. In order to pass the exam, the failed section(s) will have to be retaken within 90 days of the original test date.
5. Required study references for this exam are the **2018 International Fuel Gas Code** (Chapters 2-5), the **IFGC Local Amendments** adopted by the Municipality, the **2018 Uniform Plumbing Code** (Chapter 5), and the **UPC Chapter 5 Local Amendments** adopted by the Municipality. The **UPC** gas sizing methods in sections **1215** and **1216** shall be considered acceptable methods of sizing gas piping. An additional helpful study reference is the **2018 IFGC Study Companion**
