

REQUIREMENTS FOR MUNICIPALITY OF ANCHORAGE

JOURNEYMAN SHEET METAL EXAM

1. Each applicant shall provide proof they have at least **8,000 hours** of previous practical experience personally installing, fabricating, altering, and repairing work in the HVAC Sheet Metal trade.

Only hours accrued while properly licensed and working for a legally licensed contractor in the Sheet Metal trade shall be credited towards the required 8,000 hours.

Letters of proof shall be notarized on company letterhead from a certified contractor in the trade in which you are applying for. The letter(s) need to say HVAC Sheet Metal and need to state and list actual hours that you have accumulated in the HVAC Sheet Metal trade, not just dates of employment. In lieu of previous experience, (at the discretion of the Building Board, Mechanical Sub-Committee) credit may be allowed for each year and fraction thereof of attendance at a recognized school if the course taken by the applicant was primarily mechanical and directly related to the particular skill or trade being applied for.

(WE DO NOT ACCEPT THE STATE FORM FOR VERIFICATION OF HOURS)

2. Exam time limit is **two** hours.
3. **There is one part to this exam:**
 - (1) 100 Questions related to Code Requirements for Sheet Metal and Gas Venting Installations.
4. Passing grade for JSM is a **70% average of all section scores combined**.
5. Required study references for this exam are the Anchorage Administrative Code (Sections 23.10.104, 23.10.106, and Table 3-O), **2018** edition of the **International Mechanical Code (Chapters 2-10)**, **2018** edition of the **International Fuel Gas Code (Chapters 2, 3, 5 & 6)**, in addition to the **IMC and IFGC LOCAL AMENDMENTS** adopted by the Municipality. Additional helpful study references are the **2018 IMC Study Companion** and the **2018 IFGC Study Companion**.
