Central Wood Lot

These materials are accepted at the Central Wood Lot:

- Brush & branches
- Cut trees, must be less than 6ft long
- Debris from residential properties only
- "Clean" tree stumps, they cannot have any rocks, dirt, or landscaping debris attached.

Organics Disposal

Central Wood Lot materials will be shredded, which is why the following materials cannot be accepted and will result in a full charg load.

- Root clusters
- Grass or loose leaves (leaves not on branches)
- Dirt or rocks
- Bagged materials (no bags please)
- Garbage or metal
- Mixed loads (e.g. wood debris mixed with garbage and recycling) Please make a separate trip for garbage and recycling.
- Pallets, lumber, and wood fence posts,
- Commercial property or land clearing activity

When entering the Materials Recovery Facility, please notify scale house staff that you are visiting the Central Wood Lot and follow signs directing you to the specified area. Booth attendants can answer any questions you might have. The Central Wood Lot is monitored throughout the day.
