## 2014 Capital Projects Government Hill - Community Council Priority List Municipality of Anchorage

**Area Wide - Parks and Recreation Projects** 

	Area Wide - Parks and Recreation Projects		<u> </u>	IA LIVE					
PRIORITY #	5	Estimated	Funds on	Additional Funds					
				Required					
	Multi-use Athletic Field Rehabilitation	\$600.000	######################################	\$600.000					
	Scope: Funds will be used to rehabilitate existing fields to a reasonable standard for all users and increase field amount	* /	7.7	+ /					
	and player use.	illiles to offer qua	ility Statewide a	and local specia					
	Need: Athletic fields in Anchorage play an important role by promoting healthy recreational activities and helping yo	una athletes deve	lon nositive life	e skills They a					
	play a significant role in statewide athletics. Anchorage is one location for the State Cup soccer competition, t								
	local soccer clubs as well as little league and adult softball tournaments that draw teams into Anchorage fron								
	the local and regional use of the athletic fields within the Municipality requires fields that can withstand intensi								
	has resulted in large ruts and depressions, exposed soil and stones, and other hazards that have the potential	to cause serious	njury to partici	oants.					
	Status: Anchorage has 110 athletic fields to serve the community and state needs for healthy sports activities. Fundamental state is a state of the	la will be used to	robobilitoto ovi	ating fields to s					
	and current field standards.	is will be used to	renabilitate exi	sting helds to sa					
PRIORITY #	2			Additional					
		Estimated	Funds on	Funds					
		Cost	Hand	Required					
	Storm Damage Clean-up: Forest Health and Park Safety	\$200,000	\$0	\$200,000					
	Scope: Funds will be used to conduct a follow-up risk assessment, develop a recommended strategy for species management (cottonwood, evergreen, birch), finalize								
	tree emergency plan and continue the clearing of hazard trees on parkland from the 2012 windstorm.								
	Need: In September of 2012 more than 5000 trees were lost during a windstorm. Initial assessments estimate clean-up to be over 1 million dollars. The Anchora								
	Urban Forester's plan to address the damage include a mix of volunteer clean-up, commercial sales and contracted clean-up. Currently, park assets are safe								
	park and trail users, however as conditions change, follow-up risk assessment and clean-up is required.								
PRIORITY #	Status: Park Maintenance and horticulture crews have cleared parks and trails making current park assets safe for Anchorage citizens.    Additional   Additional								
THOMITT #		Estimated	Funds on	Funds					
		Cost	Hand	Required					
	Campbell Creek Greenbelt	\$2,000,000	\$0	\$2,000,000					
	Scope: Asphalt repair, lighting assessment and improvements, bridge repair/replacement, signage improvements		1.	1:					
	Need: Anchorage has over 250 miles of paved trails. Current infrastructure is outdated, unsafe and in need of repair. Trail use, both summer and winter, will contin								
	to increase and safety and quality condition of trail infrastructure and amenities needs to be a priority.								
	Status: Bond funding and State legislative grant requests are pending. Areawide greenbelt trails (Campbell Creek Greenbelt, Chester Creek Greenbelt Coastal Trail are								
	Ship Creek Trail) need a repair program to address safety and security concerns (over 250 miles).								
	Parks and Recreation Project		T	I A al alisi a mal					
PRIORITY #	1	Estimated	Funds on	Additional Funds					
		Cost	Hand	Required					
	Sunset Park	\$250,000	\$0	\$250,000					
	Scope: Funds will be used to repair the playground and safety surfacing and fix neighborhood park amenities.	ψ230,000	Ψ	φ230,000					
	Need: Sunset Park is an important playground for the Government Hill neighborhood. The playground and safety surfacing need to be compliant with current industr								
	wide safety standards.								
	Status: Park Maintenance performs monthly safety inspections and repairs the park assets as necessary.								

	Project Management and Engineering Projects								
PRIORITY#	4	<u> </u>			Additional				
			Estimated	Funds on	Funds				
	400	204 Olama Basin Gustam Candition Assessment and Bakabilitation Basinses	Cost	Hand	Required				
			\$1,000,000	\$0	\$1,000,000				
		project will investigate/assess the condition of the Anchorage Roads and Drainage Service Area (ARDSA							
		m segments as the needs are identified and prioritized. This goal will be accomplished by evaluating the							
		ng storm drain systems through CCTV video augmented by field inspection of pipe segments. The primary							
		I pipes and sections with suspect corrosion, flooding, and drainage issues. Inherent with any of these investigative staff to complete a condition survey, which may require cleaning debris from the storm drain pipe. I							
		ligative stall to complete a condition survey, which may require cleaning debits from the storm drain pipe. It lents that have or are near failure to the extent that funding is available. Other sections will be prioritized to							
	progra	·	o be included	iii a iuluie ca	pitai iiripioveiri				
		e are approximately 2,213,000 linear feet of underground storm drain pipe in the Anchorage Road and Dra	inage Service	Area Metal	nine was nrima				
		prior 1990 and in some instances developers were creative and even used substitutes such as metal barre							
		ey storm water from their properties. Much of the storm drain pipe that Anchorage has in the ground today							
		nces it has completely vanished. Obviously these system failures impact the public in many ways. Primary in							
		property damage through flooding.	•						
		project has not started. This is an annual program with bond funding anticipated.
