Municipality of Anchorage
Mayor Dave Bronson

September 30, 2023

Dear Residents,

This year marks my third operating budget for the Municipality of Anchorage. The 2024 operating budget will help provide essential city services, ensure public safety, and create prosperity for all residents. These crucial services and operations will be delivered while staying under the tax cap by \$12.0 million.

During the development of the 2024 operating budget, the safety of Anchorage residents was kept top of mind while focusing on cost efficiency. For 2024, I added funding for snow removal, road maintenance and repairs, and the continuation of public transit route 85. Our residents continue to face economic adversity, which is why my 2024 proposed budget has not only decreased from the prior year but is proposed to utilize less property taxes as well.

The last few years have brought economic uncertainty following the pandemic with increased cost of living, a growing homeless crisis, and record snowfall. My goal this budget season is to ensure the safety of our community and improve spending efficiencies in how we operate our city while maintaining fiscal conservatism. We look forward to the community's feedback on the proposed budget, and welcome suggestions for how we can improve the delivery of services we all rely on.

Thank you,

Dave Bronson
Mayor of Anchorage
