

HERITAGE LAND BANK

HERITAGE LAND BANK

Department Goal/Program

The capital improvement goals of the Heritage Land Bank (HLB) fall within the following categories:

- acquire land for municipal use;
- make improvements to HLB land and property which enhances its value or utility, adapts it for further purposes, extends its useful life or increases its income potential. Improvements may also be made to non-HLB owned land if required by environmental permits.

This project would allow the 810th Air Rescue Squadron to relocate from the Armory, which, in turn, would allow the Alaska Museum of Flight to move to the Armory. Plans include a major improvement in the public image and presence of the Museum, making it a more accessible and attractive display of Alaska's aviation history for tourists and Alaskans.
