*Mayor Dan Sullivan*

September 30, 2013

Dear Residents of Anchorage:

I am pleased to present the Municipality of Anchorage's Proposed 2014 Capital Improvement Budget (CIB) and Proposed 2014-2019 Capital Improvement Program (CIP).

Both the CIB and CIP are important tools that provide a road map for how our community will take care of its assets—from roads to parks to public facilities such as hockey rinks and libraries.

These capital improvements are funded by several sources. The local source is general obligation bonds that are placed before voters each April. The Administration's goal is to limit new debt in future years to no more than the amount of debt that is being paid off. This belt-tightening will mean an even more critical project selection process to ensure the highest priorities are advanced on behalf of taxpayers.

Much of the funding for Anchorage's capital investment program comes from state and federal grants. My Administration will continue to work cooperatively with Alaska's congressional delegation, the Governor, and the Alaska State Legislature to augment my Administration's work to meet Anchorage's essential capital needs.

Citizens are encouraged to review our plan for capital improvement projects and offer comments as part of the Assembly's decision-making process. Public hearings will be held in the Assembly Chambers at Loussac Library starting on October 22, in accordance with Assembly schedule.

Sincerely,

A handwritten signature in blue ink that reads "Dan Sullivan".

Dan Sullivan  
Mayor
