**1% for Art Conservation**

<b>Project ID</b>	PW2013013	<b>Department</b>	Maintenance & Operations
<b>Project Type</b>	Renovation	<b>Start Date</b>	July 2018
<b>Location</b>	Assembly: Areawide, HD 50: Anchorage Areawide, Community: Areawide	<b>End Date</b>	June 2023

**Description**

The 2018 State capital grant will be used to address some of the backlog of public art conservation issues facing the 1% for Art program.

- \$20,000 for Spanish Memorial to be repaired and relocated to Anchorage Cemetery
- \$ 7,500 for Sheila Wyne "Fish" at C Street and Tudor Road
- \$10,000 for "Fishing Rods" on 15th Avenue
- \$11,000 for Keith Appel "Boreal Ballet" at Northern Lights ABC School
- \$ 1,500 for untitled artwork by Harold Balazs at Creekside Park Elementary School

\$50,000 total funds requested for 2018.

**Comments**

The 1% for Art program now cares for over 482 installations of public artwork located throughout the Municipality in schools, fire stations, senior centers, and many other public facilities. The 1% for Art funds spent on art commissions since 1978 is just over \$14,029,930.00 from various sources of funding; this is the closest estimation of the value of the collection at this time. The Municipality of Anchorage Public Works Department provides \$20,000 in base funding for funding capital improvements to the existing 1% for Art program assets which is a fraction of the current needs for the collection. One reason the needs are so high currently is that 169 of the installations throughout the city were created in the 1980s and are therefore 30 years old or more.

To alleviate the shortage of resources to pay for the backlog of conservation work program staff (1 FTE) is applying for local, state and federal grants. Another source of funding for capital improvements is drafted to update the municipal code to set aside 10% of the 1% for Art allocation to pay for conservation, although not all sources of funds will allow the set aside. In 2014 program staff received an additional \$10,788 in grants to supplement the base funding to address the needs of the public art collection which includes artwork created through the 1% for Art program and gifts given to the Municipality.

**Legislative Scope**

The Anchorage 1% for Art program began in 1978 when Anchorage Municipal Code 7.40 was enacted. The code was based on the State of Alaska's 1% for Art program AS 35.27 enacted in 1975. The Municipality of Anchorage owns the collections created through the program, 169 installations of public art were created in the 1980s (37%) of the 473 installations of public art.

From 1978 until 2006 the Anchorage Museum collection staff conserved the art collection. When the Anchorage Museum privatized in 2006 the conservation of the public art collection was administered by the Municipality Of Anchorage's 1% for Art program staff (1 FTE).

**AFD Fire Station #10 Generator Replacement**

<b>Project ID</b>	MO2017011	<b>Department</b>	Maintenance & Operations
<b>Project Type</b>	Replacement	<b>Start Date</b>	July 2018
<b>Location</b>	Community: Hillside East	<b>End Date</b>	December 2023

**Description**

\$ 100,000 Replace generator

Replace Fire Station #10 generator in Rabbit Creek area. The generator at Fire Station #10 has reached its useful life and is now experiencing frequent breakdowns and repair needs. Station #10 is one of the older fire stations and is located in the Rabbit Creek/Bear Valley area which experiences high winds and power outages more frequently than most of Anchorage. A newer modern generator will provide reliable back up power and efficient operation when needed.

**AFD Fire Station #11 Replace Flat Roof Section**

**Project ID** MO2017010 **Department** Maintenance & Operations  
**Project Type** Replacement **Start Date** July 2018  
**Location** Community: Eagle River, Community: Eagle River Valley, Community: Anchorage Fire Service Area **End Date** December 2023

**Description**

\$ 200,000 Replace flat roof section

Replace flat roof section on AFD Fire Station #11 in Eagle River. Flat roof section has reached its useful life and is now experiencing frequent leaks requiring temporary repairs and patches. The proposed roof repair would extend the life of the fire station, increase insulation factor, and result in reduced maintenance needs while improving the energy efficiency of the building.

**Anchorage Area-Wide Radio Network (AWARN) Infrastructure Upgrade**

<b>Project ID</b>	PD2017003	<b>Department</b>	Maintenance & Operations
<b>Project Type</b>	Rehabilitation	<b>Start Date</b>	May 2018
<b>Location</b>	Assembly: Areawide, HD 50: Anchorage Areawide, Community: Areawide	<b>End Date</b>	August 2019

**Description**

Anchorage Wide Area Radio Network (AWARN) System Upgrades and Maintenance. This money will be used to upgrade the AWARN infrastructure to comply with mandates for Alaskan public safety communications interoperability. These updates maintain our encryption compatibility with our state and federal partners. AWARN is the Anchorage portion of the statewide interoperable public safety network. Municipal departments communicate among themselves and with state and federal law enforcement and emergency medical responder partners via this network. The State and Federal partners are currently performing a life cycle and technology upgrade on the statewide system. State of Alaska has appropriated \$4,600,000 in their 2018 capital budget. It is necessary to perform a similar update to the Anchorage system, AWARN, to maintain interoperability among local, state and federal authorities for the most efficient and prompt delivery of public safety services to Anchorage residents.

**Legislative Scope**

This interoperability allows other state and local agencies such as Alaska Department of Transportation and Public Facilities, State Forestry, Airport Police and Fire, University of Alaska System, full range of US Military agencies, Mat-Su Police and Fire and other agencies throughout the state to maintain the ability to communicate with each other.

**Anchorage Golf Course**

<b>Project ID</b>	MOD08309	<b>Department</b>	Maintenance & Operations
<b>Project Type</b>	Renovation	<b>Start Date</b>	July 2017
<b>Location</b>	Assembly: Areawide, 23-L: Taku, Community: Areawide	<b>End Date</b>	June 2023

**Description**

Building systems are wearing out due to age. Major maintenance is required for the entire golf course. Roof is constructed of cedar shakes and are beyond their useful life.

A master plan for the Anchorage Golf Course was recently completed to improve play-ability, renovate the gold course to current USGA standards for hosting of potential tournament play, and provide a signature golf course visiting tourists will want to play during their visit. Additionally, facilities for non-golfing events and visitors will be enhanced providing increased revenue opportunities for weddings, business meetings, holiday parties, etc.

**Comments**

The Anchorage Golf Course facility is 28 years old.

2018:

- \$ 500,000 Replace Roof
- \$1,050,000 Replace HVAC
- \$ 400,000 Replace Kitchen & Code Upgrades
- \$ 475,000 Replace Exterior Doors/Windows
- \$ 525,000 Parking Lot/Sidewalk Improvements
- \$ 150,000 Upgrade Outdoor Lighting
- \$ 100,000 Remodel Bathrooms

2019:

- \$ 200,000 Seismic Bracing
- \$ 200,000 Renovate Interior Walls
- \$ 100,000 Exterior Improvements

2020:

- \$ 350,000 Upgrade Interior/Emergency Lighting
- \$ 150,000 Electrical Upgrades
- \$ 50,000 Upgrade Entrance Gate
- \$ 75,000 Flooring Improvements

2021:

- \$1,000,000 Deck with Storage Underneath
- \$1,500,000 Master Plan Implementation Phase I

2022:

**Anchorage Historical Properties Renovations**

**Project ID** PW2013002 **Department** Maintenance & Operations  
**Project Type** Renovation **Start Date** July 2018  
**Location** Assembly: Areawide, HD-SD: Community-wide, Community: Areawide **End Date** June 2023

**Description**

Anchorage's historical properties are in need of renovations to help protect the structures, increase safety features for users, and install modern efficient heating systems. Anchorage's centennial celebration is in 2015 so completion of the renovations for future celebrations will be imperative so these historic buildings can be preserved and receive heightened public appreciation and attention during heritage events.

**Comments**

Designated Anchorage historic properties are in need of renovations for adequate preservation and protection of the aging structures. 2018 includes:

- Brown's Point Cottages (2)  
\$200,000 Remediate Lead Paint/Repaint Ext.  
\$100,000 Upgr Misc. Inter.  
\$ 50,000 Upgr Mechanical
- Cottage 25  
\$100,000 Renovate Interior/Rehab Roof
- Government Hill Community Center  
\$150,000 Repl Boiler/Upgr Mechanical

**Anchorage Senior Center Renovations**

<b>Project ID</b>	PW2012053	<b>Department</b>	Maintenance & Operations
<b>Project Type</b>	Upgrade	<b>Start Date</b>	July 2018
<b>Location</b>	Assembly: Areawide, HD-SD: Community-wide, Community: Various	<b>End Date</b>	December 2023

**Description**

This project will provide funding for various facility upgrades and safety enhancements at the Anchorage Senior Center facility.

**Comments**

"This grant will provide upgrades and safety enhancements in the following areas:

- Renovation of restrooms to comply with accessibility requirements.
- Multiple site upgrades, to include the reconstruction of parking lots, sidewalk additions, site grading to establish proper drainage.
- Seismic enhancements to building wall/roof connections, main canopy, HVAC and electrical equipment.
- Replacement of rain gutter and downspouts and repairs to flashings at sloped roofs. Repairs to exterior wall joints and windows.
- Replacement of interior finishes such as flooring, cove base, suspended tile ceilings, acoustical panels and exterior and interior doors and corresponding hardware. The replacement or enhancement of existing floors, gypsum walls and ceilings.
- Replacement, repair, or enhancement of mechanical systems and components; i.e. plumbing, boilers, water heaters, and ventilation systems. Reaching end of service life and will measurably advance energy usage efficiency.
- Replacement of campus lighting systems, exit signs and fire signal devices, the repair or enhancement of electrical service distribution components, and safety testing of grounding and distribution systems.
- Garage addition to maintenance building to replace current lean-to and connex for heated dry storage.

**Project Type** Replacement **Start Date** July 2018  
**Location** Assembly: Areawide, HD 50: Anchorage **End Date** December 2023  
 Areawide, Community: Areawide

**Description**

\$ 600,000 Animal Control Roof Repair/Replacement

The Animal Control Facility is thirty years old and has the original roof which has reached its useful life and is now in very poor condition. This roof has required numerous roof repairs to patch leaks in recent years due to its deteriorated condition and needs to be replaced.

**Comments**

With our older buildings constantly encountering safety and code issues it is beyond the scope of maintenance budgets to correct the problems. This funding will help install various safety and code upgrades to Municipal facilities, i.e., sprinkler bracing, seismic bracing, lead/asbestos abatement, electrical, HVAC, & mechanical upgrades, handicap accessibility improvements, roof replacement, and energy efficiency upgrades. These projects have been recommended by the MOA insurance carrier and Risk Management.

**Project ID** MOD10924 **Department** Maintenance & Operations  
**Project Type** New **Start Date** July 2018  
**Location** Assembly: Areawide, HD-SD: Community-wide, Community: ARDSA Councils **End Date** July 2019

**Description**

Phase II of permit requires 3 full summer sweeps which is increasing maintenance costs and wear and tear on sweeper fleet. Additionally, Phase II permit also requires annual inspection and cleaning of all stormwater catch basins (approx. 15,000). The additional sweepers and vactor truck are needed to enable MOA to meet mandates of the APDES permit.

**Comments**

Provide funding for acquisition of four (4) Waterless Street Sweepers and two (2) Vactor Truck to enable MOA to meet mandated permit requirement for stormwater management under the Alaska Pollutant Discharge Elimination System (APDES) Stormwater Permit Phase II implemented February 2010.

2018:  
 \$2,600,000 Acquisition of four Waterless Street Sweepers/two Vactor Trucks

**Ben Boeke Ice Arena Upgrades**

<b>Project ID</b>	MOD08306	<b>Department</b>	Maintenance & Operations
<b>Project Type</b>	Upgrade	<b>Start Date</b>	July 2017
<b>Location</b>	Assembly: Areawide, 18-l: Spenard, Community: Areawide	<b>End Date</b>	June 2023

**Description**

The original building systems and amenities are aging and costly to repair, with parts becoming obsolete; an upgrade to newer system components is much needed to ensure that the facility can continue to be used for its intended purposes. Other upgrades are necessary to meet these objectives, as well.

Exterior and interior renovations are necessary to protect the facility, and to insure a continued positive experience for building users. Various mechanical upgrades are necessary as original systems continue to age, leading to failure, and parts becoming obsolete.

**Comments**

The Ben Boeke Ice Arena is one of Anchorage's premier cultural institutions completed in 1983 during the "Project 80's" era when the State of Alaska used its new oil earnings to significantly invest in public facilities which were lacking prior to that time. Now that the facility is 29 years old, state funding is requested for capital renovations necessary to protect the State's original investment in this facility that has served Anchorage and Alaska so well.

Ben Boeke Ice Arena hosts 10 youth hockey groups, 2 figure skating clubs, 4 adult hockey associations, 116 adult recreational hockey teams, open skate for recreational skaters, and learn-to-skate programs. Additionally the facility hosts several competitions and tournaments attended by athletes statewide.

2018:

\$ 150,000 Sound System Replacement (Rinks 1 & 2)

**CBERRRSA Snow Storage Site Development**

<b>Project ID</b>	PW2010002	<b>Department</b>	Maintenance & Operations
<b>Project Type</b>	Improvement	<b>Start Date</b>	July 2020
<b>Location</b>	Assembly: Section 2, Seats A & C, 12-F: Chugiak/Gateway, 13-G: Fort Richardson/North Eagle River, 14-G: Eagle River/Chugach State Park, Community: Birchwood, Community: Chugiak, Community: Eklutna Valley, Community: Eagle River, Community: Eagle River Valley, Community: South Fork (E.R.)	<b>End Date</b>	June 2024

**Description**

This project will construct a snow disposal facility serving the Chugiak, Birchwood, Eagle River Rural Road Service Area (CBERRRSA).

**Comments**

State grant funding is proposed. The population growth and corresponding development in the Eagle River valley has produced a need for increased snow storage capacity. Using existing facilities is increasingly expensive as the trips made by dump trucks are greater and further.

The grant funding may be used for planning, design, utility relocation, easement acquisition, construction, and any activity related to the improvements mentioned above.

**Chugiak Senior Center Phase II & III**

**Project ID** MOD08311 **Department** Maintenance & Operations  
**Project Type** Upgrade **Start Date** July 2018  
**Location** Assembly: Section 2, Seats A & C, 11-F: **End Date** June 2023  
 Greater Palmer, 12-F:  
 Chugiak/Gateway, Community: Chugiak

**Description**

Funding would provide needed facility enhancements, with specific improvements to include covered carports, and parking lot rehabilitation; engineering assessment of septic system; landscape upgrades; HVAC upgrades, apartment renovation and design/construction of additional apartments.

Chugach - Eagle River Senior Center has a waiting list of 40 - 50 people consistently for independent housing. This will build 20 additional apartments; this phase has been estimated to be \$4M.

**Comments**

2018:  
 \$5,080,000 HVAC Replacement, renovations, and construction.

Chugiak Senior Center is a 100,000 sq. ft. facility, built in 1975 owned by MOA. Much of the grant will provide upgrades and safety enhancements to the parking area, and landscaping improvements. The Center provides a 100-250 meals per day, and the need is increasing. Parking lot upgrades will enhance safety for elderly patrons utilizing the facility.

**Description**

Fleet Maintenance provides various Municipal General Government agencies with appropriate vehicles and equipment to deliver respective public services. Vehicles and equipment referenced are replacements of existing fleet inventory and have met their useful lives. Vehicles used beyond their useful lives can experience frequent down time and high maintenance costs if not replaced in a timely fashion. The other funding source of \$2,300,000 will come from the Net Assets account in the Fleet Fund.

**Fleet Maintenance Shop**

**Project ID** MOD07510 **Department** Maintenance & Operations  
**Project Type** Replacement **Start Date** July 2018  
**Location** Assembly: Areawide, HD 50: Anchorage **End Date** June 2023  
 Areawide, Community: Areawide

**Description**

Renovate Fleet Maintenance shops.

**Comments**

Refurbish fleet maintenance facility.

2018:

\$3,000,000 Renovate Purchased Facilities.

**Legislative Scope**

The current Fleet Maintenance Shops lack space for current operations. The existing buildings are over 30 years old and do not meet the standards for a modern maintenance shop responsible for maintaining a fleet of over 1,000 vehicles including police vehicles and snow removal equipment.

**Girdwood Multipurpose Community Facility**

**Project ID** PW2013033 **Department** Maintenance & Operations  
**Project Type** New **Start Date** July 2018  
**Location** Assembly: Section 6, Seats J & K, 27-N: Basher, Community: Girdwood Valley **End Date** June 2023

**Description**

The proposed Girdwood Multi-Use Center is a quantum step in infrastructure growth for Girdwood. The project is spearheaded by Turnagain Arm Service Coalition (TASC), a cooperative group consisting of Girdwood Health Clinic, Inc., Little Bears Playhouse, Inc., and Girdwood Community and Recreation Center Task Force. The group is driven by the vision of a vibrant community anchor in the Girdwood South Townsite area that will serve not only the Girdwood community but the Four Valleys and visitors, and be an outstanding asset to the economic engine that is the Girdwood recreational complex. The Municipality of Anchorage has shown support by reserving a 6.8 acre tract in the South Townsite. TASC will participate in the Rasmuson Foundation pre-development process. In 2014 the Girdwood Community requested \$2,793,570 to launch design, review, permitting and geotechnical site work; with inflation the current request is for \$2,856,000.

**Comments**

Note: project added to the 2014 CIB via Assembly amendment #22.

**Major Municipal Facility Fire Alarm System Replacement Phase III**

**Project ID** MOD08301 **Department** Maintenance & Operations  
**Project Type** Replacement **Start Date** July 2018  
**Location** Assembly: Areawide, HD 50: Anchorage **End Date** June 2023  
 Areawide, Community: Areawide

**Description**

The Municipality of Anchorage is seeking a \$500,000 capital maintenance grant to replace outdated fire alarm system panels in selected major municipal facilities.

**Comments**

The aged components the fire system need to be upgraded based on the lack of available replacement parts, the use of hard wiring instead of fiber optics or wireless, and the cost of repairs to this aging system.

**Legislative Scope**

The fire alarm systems are all integrated and report to one panel located in the Z.J. Loussac Library. The central panel in the library has been updated while fire alarm panels in the various municipal buildings need to be updated to newer technology to fully realize functional fire safety improvements.

**Major Municipal Facility Upgrade Projects**

**Project ID** MOD07013 **Department** Maintenance & Operations  
**Project Type** Improvement **Start Date** July 2018  
**Location** Assembly: Areawide, HD 50: Anchorage **End Date** June 2023  
 Areawide, Community: Areawide

**Description**

The Municipality owns several aging major facilities constructed in the 1980's and earlier that are in need of refurbishment. Roofs, electrical, and mechanical systems have reached their normal like expectancy and are in need of replacement. Building code upgrades are also needed to bring facilities up to current standards and enhance public safety.

**Comments**

The Municipality increased local funding for major facility upgrades in 2004 when annual State grant funding for various MOA facilities was discontinued. Since that time, local funds have been the primary source for many, much needed building repairs. This funding could provide local match funds for State grant funds to help alleviate growing deferred maintenance projects.

The other funding source of \$586K will come from an interfund contribution from the Operating fund.

The following list of Major Municipal Facility Upgrades may be included for budget period 2018 (2018 thru 2023 Maj. Projects reprioritized and identified at respective year's capital budget preparation).

2018: VARIOUS FACILITIES:  
 \$100,000 Emergency Repairs  
 \$150,000 Mechanical/HVAC Upgrades  
 \$ 40,000 Parking Lot/Paving Repairs  
 \$ 50,000 Emergency Roof Repairs  
 \$ 50,000 Energy Conservation Upgrades  
 \$ 40,000 Refurbish Building Exteriors

VARIOUS FIRE STATIONS:  
 \$ 35,000 Emergency Repairs

SWIMMING POOLS:  
 \$ 100,000 Install Automated Building Controls

TRANSIT MAINTENANCE:  
 \$ 45,000 Power Wash Maintenance Buildings

**Major Municipal Facility Upgrade Projects - Deferred**

**Project ID** MOD07010 **Department** Maintenance & Operations  
**Project Type** Improvement **Start Date** July 2018  
**Location** Assembly: Areawide, HD 50: Anchorage **End Date** June 2023  
 Areawide, Community: Areawide

**Description**

The Municipality is attempting to "catch up" on years of deferred maintenance projects within its aging facility inventory. Most of these facilities are 20-30 years old, and have reached the normal life expectancy of the buildings' major systems.

**Comments**

The Municipality of Anchorage is seeking a \$1.2 million capital maintenance grant to address facility maintenance needs that have been deferred for many years and are now in need of completion. For 2018, \$1.2 million worth of capital maintenance needs for municipal facilities have been identified, \$586 thousand is budgeted from local capital funds and is available as local matching funds if needed.

2018: Deferred. Muni. Fac. Repair/Upgrade Projects

**FIRE STATIONS:**

\$350,000 Design & remedy wastewater drainage/Fire Training Center

**ANCHORAGE SENIOR CENTER:**

\$50,000 Replace carpeting

**CHUGIAK SENIOR CENTER:**

\$400,000 Upgrade HVAC pneumatic controls

**RUSSIAN JACK GREENHOUSE:**

\$300,000 Replace roofs & renovate exterior

**ANIMAL CONTROL:**

\$100,000 Replace vinyl flooring & repaint kennel floor

**Reeve Blvd Street Maintenance Facility**

<b>Project ID</b>	PW2012058	<b>Department</b>	Maintenance & Operations
<b>Project Type</b>	New	<b>Start Date</b>	July 2018
<b>Location</b>	Assembly: Section 2, Seats A & C, 18-I: Spenard, Community: ARDSA Councils	<b>End Date</b>	June 2023

**Description**

Design and construct a new Street Maintenance satellite facility off Reeve Boulevard near downtown Anchorage and the Central Business District. This project would fund construction of a new Street Maintenance satellite facility in north Anchorage near downtown to provide additional staging of personnel and snow removal equipment. The new facility would improve response times for work orders and snow removal operations in the downtown Central Business District and north Anchorage locations. An additional staging facility in north Anchorage and near downtown will reduce mobilization efforts transporting heavy equipment across town, and reduce fuel costs. Currently nearly all the maintenance equipment is located at our Northwood Drive/International Airport Road location and requires a significant commute to/from many work locations.

**Legislative Scope**

Funding for this project will go towards design and construction of a new Street Maintenance satellite facility off Reeve Boulevard near downtown Anchorage and the Central Business District. A new Street Maintenance satellite facility in north Anchorage near downtown will provide additional staging of personnel and snow removal equipment which will improve response times for work orders and snow removal operations in the downtown Central Business District and north Anchorage neighborhoods. An additional staging facility in north Anchorage and near downtown will reduce mobilization efforts transporting heavy equipment across town, and reduce fuel costs. Currently nearly all the maintenance equipment is located at our Northwood Drive/International Airport Road location and requires a significant commute to/from many work locations.

**Street Maintenance - Northwood**

**Project ID** MOD10516 **Department** Maintenance & Operations  
**Project Type** Improvement **Start Date** July 2018  
**Location** Assembly: Areawide, HD-SD: Community-wide, Community: ARDSA Councils **End Date** June 2023

**Description**

The facility was constructed over the old Northwood land fill. As the garbage decomposes the floor, floor drain system and the methane recovery system are sinking into the land fill. The structural system which ties the facility together is also in the process of failing. We propose to design the replacement of the existing floor system, design additional steel piling to support a new structural floor and design a new drain and methane recovery system which will be supported by the new structural floor system.

**Comments**

The Street Maintenance Warm Storage Facility provides 60,000 sq. ft. of heated storage for approximately 104 pieces of Street Maintenance heavy equipment.

**Sullivan Arena Facility Upgrades**

**Project ID** MOD08307 **Department** Maintenance & Operations  
**Project Type** Renovation **Start Date** July 2018  
**Location** Assembly: Areawide, 18-l: Spenard, Community: Areawide **End Date** June 2023

**Description**

Fire and security systems are necessary for continued public safety; exterior and interior renovations are necessary to protect the facility, and to insure a continued positive experience for building users. Various mechanical upgrades are necessary as original systems age and parts become obsolete.

**Comments**

Completed in 1983 with State grant funding, Sullivan Arena is Anchorage's premier large event venues. Now 33 years old, capital renovations are necessary to protect the State's investment.

2018:

- \$ 275,000 Replace Subfloor
- \$ 75,000 Replace Riding Floor Scrubber
- \$ 50,000 Replace Fork Lift
- \$ 50,000 Replace Computer Network Server
- \$ 90,000 Upgrade Security Camera System
- \$ 175,000 Replace Concession Counters

**Transit Facilities Upgrades & Security Improvements**

<b>Project ID</b>	MOD10518	<b>Department</b>	Maintenance & Operations
<b>Project Type</b>	Improvement	<b>Start Date</b>	July 2018
<b>Location</b>	Assembly: Areawide, HD 50: Anchorage Areawide, Community: Areawide	<b>End Date</b>	June 2023

**Description**

The project will provide funding to improved facility energy efficiency; renovation and upgrade to the safety and security systems of transit facilities as well as roof replacement and upgrade of the public buildings that are over 25 years old to current standards. The renovation of the warm storage building located at 3600 Dr. Martin Luther King Jr Ave. will provide 40% improvements in energy efficiency, eliminate code deficiencies, and provide for and extended useful life of the building and reduced maintenance and utility costs.

**Comments**

The project is necessary to meet current and future operations needs of the Public Transportation Department’s growing demand for public transit service by providing improved safety, security, communications and information technology for the benefits of customers and the department.

The Public Transportation Departments operates the public transit system for the Municipality of Anchorage from its main facility located at 3600 Dr. Martin Luther King Ave, south of Tudor Road built in 1985-86. The Department offers a number of transportation programs to improve mobility and access to our community include the People Mover bus system, the complimentary AnchorRIDES /paratransit system and the Share-a-Ride /vanpool program. People Mover maintains a fleet of 55 modern fully accessible buses transporting nearly 15,000 passengers every weekday, averaging over 4 million passenger trips a year. Residents and visitors from across the state use the People Mover system that connects our community with a safe reliable transportation option for work, school, shopping, medical and other personal trips.

The proposed project is a key element in providing reliable, efficient and one-time performance of the public transit system in Anchorage.

This project will fund the upgrade and renovation of transit facilities built during Anchorage’s Project 80’s. A comprehensive update and remodel of operations center for People Mover’s fixed route bus service will completed with these funds. Upgrades to include, but not limited to a remodel of the transit dispatch, warm storage roof replacement, security enhancements, lighting upgrades, electrical and weatherization improvements resulting in up to a 40% energy efficiency improvement, and code upgrades. The operations center is 27 years old and requires upgrades to address safety, code compliant enhancements resulting from recent facility assessments and findings for security and energy improvements.

**Transit Maintenance Building Replace Mega Doors (2)**

**Project ID** MO2017008 **Department** Maintenance & Operations  
**Project Type** Replacement **Start Date** July 2018  
**Location** Assembly: Areawide, HD 50: Anchorage **End Date** December 2023  
 Areawide, Community: Areawide

**Description**

\$ 300,000 Replace Two (2) Mega Doors

Replace two (2) mega doors at Transit Maintenance Building. The doors have reached their useful life and requirement frequent maintenance. The old mega doors are not nearly as energy efficient as current modern models and will add an energy savings in addition to the reduced maintenance and repair costs.

**Underground Contaminated Site Remediation**

<b>Project ID</b>	MOD07027	<b>Department</b>	Maintenance & Operations
<b>Project Type</b>	Improvement	<b>Start Date</b>	July 2018
<b>Location</b>	Assembly: Areawide, HD 50: Anchorage Areawide, Community: Areawide	<b>End Date</b>	June 2023

**Description**

The once accepted practice of storing hazardous petroleum products in unprotected single-walled underground storage tanks has resulted in a number of sites where the tanks leaked and contaminated the sites. The majority of these contaminated sites have been cleaned up but there are several that are still remaining. The Municipality of Anchorage is dedicated to removing the contamination from these sites and restoring them to their natural uncontaminated environment with the help of the requested funding. The Municipality of Anchorage is seeking a \$1,500,000 capital maintenance grant to continue the Municipality's efforts toward remediation of contaminated underground sites and to maintain regulatory compliance with all of our fueling sites.

**Comments**

The Municipality has multiple petroleum contaminated sites that require remediation. These sites include, for example, the New Anchorage Jail, Brother Francis Shelter, Bering Street Maintenance, New Transit Maintenance, and Old Fire Station 7. The Municipality also has (1) 20,000 gallon single walled catholically protected steel tank that is beyond its useful life and must be replaced in the near future and obsolete tank monitoring systems that are used for regulatory EPA and ADEC compliance.

2018:  
\$1,500,000 Underground Storage Tank Removal/Replacement/MOA Properties
