## Municipality of Anchorage

Mayor Dave Bronson

---

October 1, 2021

Dear Residents:

I am pleased to present the 2022 Capital Improvement Budget (CIB) and the 2022-2027 Capital Improvement Program (CIP) for the Municipality of Anchorage.

The CIP supports the maintenance and development of infrastructure that form the foundation for a strong economy and vibrant Anchorage. This document includes proposed Capital funding support that comes from local bonds as well as state and federal funds. In many cases, proposed bond funds leverage matching non-local dollars. Separate capital budgets exist for the Anchorage School District proposed improvements and the municipally-owned utilities.

The CIB proposes projects that address the Municipality's highest priority transportation needs, leverage federal dollars to increase connectivity in our trail system, and make forward-looking investments that will generate savings for years to come.

While the CIB proposes a list of projects in 2022 for consideration, the community establishes a proposed local bond package for voters' consideration after the Assembly approves the CIB. The proposed April 2022 bond packages are developed to include projects in the CIB.

Thank you to the residents, community councils, and municipal departments for being a part of the successful processing in the development of this year's CIB and CIP.

Thank you,

Dave Bronson  
Mayor of Anchorage
