<b>Community Council</b>	Birchwood, E.R./Chugiak Parks & Rec Board		

**Description**

This project is to extend the Beach Lake Multiuse Trail from the existing terminus to Chugiak High School. This is a 4-season, gravel surface, trail that is intended for all types of non-motorized trail use. This trail, in coordination with other projects will create a separated trail from Eagle River to Knik Arm. The trail is a significant expansion of the general-use trail system. The project has the support of many users and community groups and is a component of the Beach Lake Master Plan.

**Comments**

The intent is to apply for additional grant funding. This project was approved by the Eagle River/Chugiak Parks & Recreation Board of Supervisors Resolution #2025-014 to be included in the 2026 capital budget requests.

**Description**

Castle Heights Park is a neighborhood park located between Vance and Wesleyan Drives and contains limited and aging playground and picnic area, poor drainage, and an orientation that shades the playground area. Castle Heights Park is connected to the Chester Campbell Connector via walkway which provides convenient access to residents, visitors and staff from the Alaska Native Medical Center, schools, and campers at Alaska Pacific University.

**Comments**

Currently in a Challenge Grant for 2024 for Survey work. Neighbors and Parks & Recreation staff have conducted a site visit to discuss possible enhancements to the park including new play equipment, relocation of equipment, lighting, wayfinding, grading and drainage improvements, additional and refreshed pathways, benches, and other gathering spaces.

The operations and maintenance (O&M) costs are the anticipated amount to operate and maintain the improvements.

<b>Project Type</b>	Improvement	<b>Start Date</b>	June 2023
<b>District</b>	Assembly: Section 5, East, Seats H & I	<b>End Date</b>	December 2030
<b>Community Council</b>	Northeast		

**Description**

Centennial Campground is located in Northeast Anchorage and is a popular destination for visitors to Alaska and the Anchorage area. In 2012, Parks & Recreation Department worked with the northeast community to complete a campground improvement plan. The plan identifies upgrades to help meet the needs of modern RV and tent campers. Many of the items were completed during the 2013 construction season; however, upgrades to the bathroom buildings, will require additional funding to complete. The aging restroom facilities are currently difficult to maintain and a challenge to keep in service. Funds will be used to replace dilapidated and out of date restroom facilities.

**Comments**

Since 2012, the department has upgraded campground facilities including the installation of Wi-Fi, electrical hook-ups to more campsites, and landscape and safety improvements. Additional funding will be used to construct new restroom facilities.

The operations and maintenance (O&M) costs for out years will be assigned when the funding year approaches and the amount to operate and maintain the improvements can be more accurately assessed.

<b>Project Type</b>	Upgrade	<b>Start Date</b>	June 2020
<b>District</b>	Assembly: Section 1, Downtown, Seat B & L	<b>End Date</b>	December 2030
<b>Community Council</b>	Fairview		

**Description**

The last Master Plan for the Chester Creek Sports Complex (CCSC) was approved in 2006 and mostly focused on providing a "background and preliminary findings in support of a new, updated CCSC Master Plan. The update was initiated and sponsored by the Municipality of Anchorage and University of Alaska Anchorage (UAA) out of their strong desire to solve existing problems, deal with outdated facilities, and transform the CCSC into a source of community pride." Since 2006, additional public process and stakeholder engagement led to a Major Site Plan review at the Urban Design Commission, approved in 2015, that focused on a proposed layout for parking expansion, new circulation, and a renovated Mulcahy Stadium. The Master Plan is coming up on its 20- year update and will not only engage community members and stakeholders in a discussion of existing facilities but also include a visioning of the entire park boundary.

**Comments**

Funding will be used for public process, design and implementation of priorities as described by the master plan.

The operations and maintenance (O&M) costs for out years will be assigned when the funding year approaches and the amount to operate and maintain the improvements can be more accurately assessed.

<b>Community Council</b>	Spenard		

**Description**

Cope Street Park is an important neighborhood park playground for the Spenard neighborhood. The playground and safety surfacing need upgrading to be compliant with industry-wide Americans with Disabilities Act accessibility and safety standards. Funds will be used to repair the playground and safety surfacing and fix neighborhood park amenities.

**Comments**

Park Maintenance performs monthly safety inspections and repairs the park assets as necessary.

The operations and maintenance (O&M) costs are the anticipated amount to operate and maintain the improvements.

**East Delaney Park and Facility Improvements**

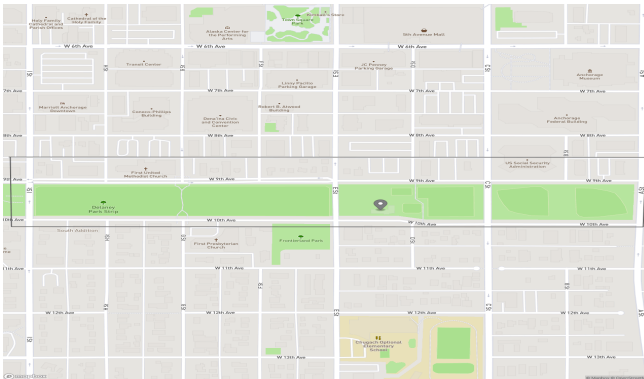

<b>Project ID</b>	PR2022005	<b>Department</b>	Parks & Recreation
<b>Project Type</b>	Improvement	<b>Start Date</b>	May 2025
<b>District</b>	Assembly: Section 1, Downtown, Seat B & L	<b>End Date</b>	December 2030
<b>Community Council</b>	South Addition		

**Description**

Funds are needed to maintain Delaney Park as a vibrant public space serving all of Anchorage. Aging facilities along with wear and tear from major events and sports have resulted in the need for additional investment to maintain Delaney Park as the premier destination for major events and celebrations. This funding will make repairs to turf, upgrade electrical systems, improve walking areas/pathways and plazas, landscape, amenities, hockey rink rehabilitation and athletic facilities. This funding may also be used to renovate subgrade and surfacing of tennis courts and for redevelopment of the "Pete's Gym" area.

**Comments**

The operations and maintenance (O&M) costs for out years will be assigned when the funding year approaches and the amount to operate and maintain the improvements can be more accurately assessed.

<b>Project Type</b>	Improvement	<b>Start Date</b>	May 2024
<b>District</b>	Assembly: Section 1, Downtown, Seat B & L	<b>End Date</b>	December 2032
<b>Community Council</b>	Fairview		

#### Description

The Fairview Recreation Center is an important recreation facility and community center that provides programs and resources that serve both the neighborhood and the broader Anchorage community. Built in the 1970s, the facility is aging, and new improvements are needed to ensure that the facility can continue to serve Anchorage into the future. In 2023, the Parks & Recreation Department completed a Strategic Plan for the Recreation Center outlining the priorities for facility upgrades and new investments.

#### Comments

The operations and maintenance (O&M) costs are the anticipated amount to operate and maintain the improvements.

**Description**

Far North Bicentennial Park is Anchorage's largest municipal park and supports year-round trail recreation for a wide range of park users. Funding will be used to replace bridges, upgrade trails, and provide other amenities such as lighting and wayfinding. In 2023, the Parks & Recreation Department replaced three bridges on the Tour of Anchorage Trail in partnership with the Federal Highway Administration (FHWA) through the Federal Lands Access Program grant. Funding in 2025 will be used as local match for the next phase of the bridge replacement project with funding in subsequent years for additional trail and facility improvement projects.

**Description**

Margaret Eagan Sullivan Park is one of Anchorage's most heavily used parks and is home to Westchester Lagoon. Upgrades to outdoor gathering areas are necessary to accommodate the large number of annual park visitors. Funding will be used to improve heavy use community spaces, trails, parking, and to rehabilitate areas of erosion along the lagoon's shoreline.

**Comments**

In 2020, the parking lot was re-striped, wayfinding kiosk installed, and port-o-potties relocated. In 2021, an Indigenous Placename post was installed. In 2022, non-native bird cherry trees were replaced with native birch. Additional funds are needed to continue upgrades to this popular park and trail destination.

The operations and maintenance (O&M) costs for out years will be assigned when the funding year approaches and the amount to operate and maintain the improvements can be more accurately assessed.

**Description**

Anchorage's expansive trail system connects our neighborhoods to destinations throughout the city with over two hundred (200) miles of trails. However, many of the thirty bridges along Anchorage's trail system are over forty (40) years old and many secondary spur trails need rehabilitation and lighting.

Funding will be used to repair or replace aging bridges, rehabilitate trail pavement, and/or add lighting to missing sections of trail.

**Description**

Quyana Park is a small neighborhood green space located in a sloped area that connects nearby residential streets. Currently, access is limited and unsafe in some areas due to deteriorating or informal stairways and steep terrain. Improving access will promote health and safety by providing safer, more equitable pedestrian connections between a popular tourist hub (the Alaska Railroad Depot and Ship Creek) to the core of downtown Anchorage.

This project will improve stairway access and circulation within Quyana Park by constructing or rehabilitating existing stairways, repairing path surfaces, and installing handrails where needed. Additional improvements may include upgraded pathway lighting, signage, and minor site grading to improve pedestrian safety and access between levels of the park.

**Description**

Resolution Park is a popular historic viewpoint and tourist destination in Downtown Anchorage, offering panoramic views of Cook Inlet and interpretive information about Captain James Cook's 1778 expedition. Despite its significance and high foot traffic, the park's elevated viewing platform and site amenities are showing signs of age and deterioration. Structural concerns, accessibility limitations, and increased maintenance needs present safety risks and detract from the visitor experience. Improvements are needed to ensure the long-term structural integrity of the platform, meet modern accessibility standards, and preserve this iconic community asset for residents and visitors alike. Funds will be used to do a structural analysis, design and rehabilitation to the structure at resolution point park.

**Description**

Standish Park is a neighborhood park in Northeast Anchorage that has long been identified as needing rehabilitation. A 2008 Anchorage Park Foundation report card gave the park an “F” rating, citing poor safety, visibility, and maintenance. While some improvements have been made since then, much of the equipment and infrastructure remains outdated. Community members continue to advocate for improvements, and a safer, more accessible park will support physical activity, child development, and community gathering in a dense residential area with limited private outdoor space.

This project will replace outdated and unsafe playground equipment, upgrade safety surfacing, and make general improvements to the park. Landscaping improvements may also be made to increase visibility into the site and improve drainage.

### Description

In 2017, the Parks & Recreation Department initiated the master planning process for Town Square Park. After two years of public involvement and plan development, the Planning & Zoning Commission approved the Town Square Park Master Plan. This plan outlines a 20-year vision aimed at addressing issues, prioritizing improvements, and identifying strategies to ensure that Town Square Park remains a safe and vibrant public space for everyone. The allocated funds will be used to implement the priorities outlined in the master plan, including upgrading lighting, adding amenities such as play features, a stage, general site amenities, improving irrigation, developing event infrastructure, and revisiting donor recognition infrastructure.

### Comments

After years of community outreach and planning, the Town Square Park Master Plan was approved in 2018. Safety and security were highlighted as a priority for investment.

The operations and maintenance (O&M) costs are the anticipated amount to operate and maintain the improvements.

<b>Community Council</b>	Russian Jack Park		

**Description**

Williwaw Park is an 8.5-acre neighborhood park serving a diverse population in East Anchorage. The park is currently undergoing improvements to establish a community garden, but the surrounding park infrastructure remains underdeveloped. The playground is outdated and lacks inclusive features, and there are limited safe, accessible paths connecting different areas of the park. Community members have expressed support for continued investment in the site to improve health, food access, and recreation opportunities for nearby residents. Enhancing trail and playground infrastructure will increase the park's functionality and help complete the vision for a vibrant, multigenerational public space.

This project will improve the existing playground by replacing aging equipment and upgrading safety surfacing. It will also enhance trail connectivity within the park and improve access to the new community garden area through new pathways, signage, and site furnishings. Additional work may include rehabilitation of the basketball court, parking lot improvements and drainage improvements.
