DEPARTMENT: HEALTH & HUMAN SERVICES DIVISION: MANAGEMENT SUPPORT SVCS

PROGRAM: Contracted Program Services

#### **PURPOSE:**

Support on-going contracted program services of the Animal Control Center. Provide chief animal control officer functions per AMC Title 17 and propose animal control policies in conjunction with the Animal Control Advisory Board.

# 1996 PERFORMANCES:

- Contracted for the continued operation of the Municipal Animal Control Center to care for and dispose of animals.

- Contracted for enforcement of AMC Title 17, Animals, including issuance

of notices of violation.

- Increased dog licensing through use of rabies vaccination certificates and public information.

- Worked with the Animal Control Advisory Board to finalize revisions to Title 17, especially in relation to potentially dangerous animals.

#### 1997 PERFORMANCE OBJECTIVES:

 Implement a new five-year animal control services contract which includes field enforcement, operation of and animal care and disposition at the Municipal animal control facility, and response to citizen complaints.

- Implement the Title 17 revisions passed in 1995, especially those

related to the regulation of potentially dangerous animals.

- Work closely with the contractor to initiate an expanded dog licensing program which will result in better identification of dogs and more revenue to support the program.

- Use new funding from dog licensing to pay for service enhancements, including expanded customer service hours at the Animal Control Center

. and faster response to some types of citizen service requests.

- Improve tracking at the department level of complaints from citizens about animal control services.

PROGRAM: Vehicle Inspection (I/M) Program

# PURPOSE:

To reduce the amount of carbon monoxide emissions from vehicles registered, operated, or located in Anchorage by conducting a mandatory, approved, biennial vehicle emissions Inspection and Maintenance (I/M) program.

# 1996 PERFORMANCES:

- Monitored Anchorage I/M station and I/M mechanic performance and ensured compliance with program rules and regulations.

- Provided an increased level of code enforcement to ensure vehicle owner compliance and minimized the number of program evaders.

- Investigated and resolved vehicle owner complaints.

- Maintained active coordination with ADEC and the I/M Task Force to review and revised I/M program operations as needed.

- Operated and maintained accurate I/M data collection and expanded our reporting capability to meet local, state and federal requirements.

- Participated in local air quality planning and development of I/M related strategies to effect air quality improvement and attain CO standards.

- Ensured I/M program performance met federal mandated standards.

- Provided continuing technical and professional training for I/M staff.
- Maintained contact and exchanged information and ideas with other local, state and federal related programs.
- Provided an effective public awareness program.

# 1997 PERFORMANCE OBJECTIVES:

- Implement Anchorage's transition to the biennial program and ensure I/M station and mechanic compliance with program rules and regulations.

- Increase the level of code enforcement on vehicle owner to obtain a high level of compliance and minimize the number of "gross polluter" vehicles.

- Investigate and resolve vehicle owner problems and complaints.

- Maintain pro-active coordination with ADEC/AQ and the I/M Task Force to review, revise and improve I/M program operations as needed.

- Operate and maintain an accurate I/M data collection and analysis system with a reporting capacity to meet local, state and federal requirements.

- Participate in local air quality planning and development of I/M related strategies to improve our air quality and help attain CO standards.

- Ensure I/M program performance attains federal mandated standards.

- Provide continuing technical and professional training for I/M staff.

- Maintain contact and exchange information and ideas with other local, state and federal related programs.

- Provide for an effective public awareness program.

PROGRAM: On-Site Water/Wastewater

#### PURPOSE:

Manage and regulate the design, construction and operation of on-site water and wastewater disposal systems for the purpose of minimizing environmental degradation and protecting public health. Over 14,000 wastewater disposal systems discharge over 4 million gallons of effluent each day in the MOA.

# 1996 PERFORMANCES:

- Processed applications for permits to construct or upgrade on-site wastewater disposal systems and wells.

- Processed health authority approvals of septic systems on properties

being sold or refinanced.

- Reviewed and approved or disapproved setback distance waiver requests.
- Investigated sewage, septic system and well complaints when emergencies or public health risks existed.

- Supported the On-Site Wastewater Technical Review Board.

- Reviewed subdivision platting and zoning requests from Community Planning.
- Mailed to all homeowners with on-site disposal systems a reminder of the biennial septic tank pumping requirement.
- Investigated innovative on-site technologies through an alternative systems program.

- Process applications for permits to construct or upgrade on-site wastewater disposal systems and wells.
- Process Health Authority Approvals of septic systems and wells for properties being sold or refinanced.
- Review and approve or disapprove setback distance waivers requests for wells and septic systems.
- Investigate sewage, septic system and well complaints when emergencies or public health risks occur.
- Support the On-Site Wastewater System Technical Review Board, a citizen oversight board.
- Review and approve or disapprove subdivision platting and zoning requests from Community Planning.
- Investigate innovative, state-of-the-art on-site technologies through an alternative systems program.

DEPARTMENT: HEALTH & HUMAN SERVICES DIVISION: ENVIRONMENTAL SERVICES

PROGRAM: Environmental Sanitation

#### **PURPOSE:**

Protect the public from foodborne illnesses & health hazards by enforcing local ordinances. Issue food, facility, pesticide & noise permits. Inspect public facilities (i.e. restaurants, groceries, pools) on a scheduled and complaint-responsive basis. Resolve nuisance, noise and housing complaints.

# 1996 PERFORMANCES:

- Continued to improve system for tracking staff activities.

- Increased revenue support for the program through raising permit and related existing fees and implemented a penalty for late payment of permit fees.
- Responded promptly to foodborne illness, pesticide spraying and other citizen complaints about regulated facilities.

- Investigated and resolved reported foodborne illness cases.

- Inspected ninety percent of permitted facilities at least twice.

- Identified illegal food businesses and required them to comply.

- Monitored the food industry owner/manager sanitation training and testing program.

- Improved the food facility computer data application to enhance analysis of problems and trends.

- Assisted with enforcement of the nuisance, noise, housing and hair care facility ordinances

#### 1997 PERFORMANCE OBJECTIVES:

- Adhere to inspection time lines specified in ordinances.

- Respond promptly and effectively to foodborne illness, pesticide application, nuisance, noise and other citizen complaints as specified in ordinances.
- Identify & rectify actual and potential public health hazards associated with food facilities, pools, pesticide application, nuisances, and noise.
- Identify food facilities, pools, and others operating without a permit and bring them into compliance.

- Standardize staff sanitarian inspections.

- Develop online mechanism to track staff activities and data collected on public facilities (i.e., restaurants, groceries).
- Provide sanitation training and education to permitted food facility managers and staff.
- Enforce the nuisance, noise, housing and hair care facility ordinances.
- Continue training staff in noise monitoring and enforcement.

- Train staff in conflict management.

DEPARTMENT: HEALTH & HUMAN SERVICES DIVISION: SOCIAL SERVICES

PROGRAM: Administration

#### **PURPOSE:**

To provide Division administration and supervision of programs that assist in providing basic human services to Anchorage residents and others who find themselves in Anchorage and in need of emergency services.

#### 1996 PERFORMANCES:

- Continued stabilizing funding of division programs in light of declining federal, state and local resources; successfully competed for grants.

- Continued to help Mt. View neighborhood organizations implement community strategies for safer and expanded programs in their neighborhood.

- Continued implementing community strategies that led to a decrease in violence against women, especially Alaska Native women, in Anchorage.

- Continued working with agencies, organizations, appointed bodies and volunteer groups to implement community strategies for a continuum of care for Anchorage's homeless and public inebriate populations.

- Continued to develop reasonable and acceptable responses to the problems identified in the Mayor's Community Action Plan on Crime (CAP) package.

- Continued to provide oversight and direction to the division's three major grant-funded programs: JTPA, Day Care Assistance, Weatherization.

- Continued to enforce all applicable codes and regulations concerning the licensing of child care centers/homes, and quasi-institutional facilities.

- Provided Municipal contribution to Day Care Assistance program.

# 1997 PERFORMANCE OBJECTIVES:

- Continue to stabilize and expand funding for programs providing basic human services to low/moderate income families and individuals.

- Facilitate collaborative activities with community organizations to provide services to the Alaska Native population in Anchorage, especially those in high-risk populations: public inebriates, violence victims, etc.

- Implement client services programs that will provide more efficient access to Job Training and Day Care Assistance programs.

- Continue to encourage coordination of community services to foster a more efficient and comprehensive service delivery system.

- Implement review of child care code with emphasis on summer camp programs to make the permitting process more user-friendly, yet still protect the health and safety of children.

- Continue to assist the Chugiak Senior Center Board of Directors with the development of Board operating policies and defining their role in the management and operation of the Center.
