#### **Overview of Major Revenue Sources**

The following describes the major revenue sources that make up over 75% of the \$436,074,040 of local, state, and federal revenue that supports the 2015 Approved General Government Operating Budget:

#### **Property Taxes - Total**

2015 Approved Budget is \$265,644,871; 60.92% of Total Revenues

#### **Real Property Taxes (Account 401010)**

2015 Approved Budget is \$239,489,115; 54.92% of Total Revenues

#### Personal Property Taxes (Account 401020)

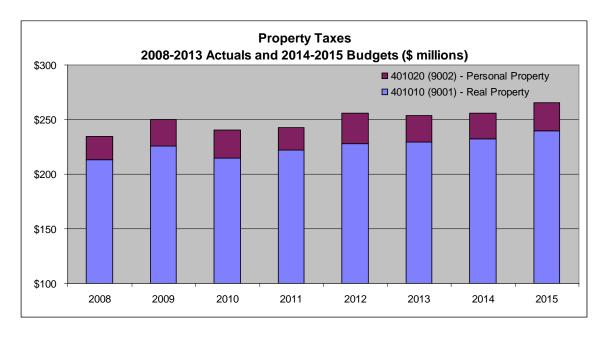

2015 Approved Budget is \$26,155,756; 6.00% of Total Revenues

Property taxes are used to fund services that are not covered by other funding sources. The maximum amount of property taxes that can be collected is established by the Tax Limit Calculation for areawide services and by Service Area Boards or code for limited and rural service areas. Property taxes are ad valorem, which means they are based on the value of the taxable property. Taxpayers pay a flat rate per dollar value of taxable property tax that they own.

Real property means land, all buildings, structures, improvements and fixtures.

Personal property means any property other than real property.

Additional Property Tax information is available online at http://www.muni.org/Departments/finance/treasury/PropTax/Pages/default.aspx

# Room Tax (Account 401110)

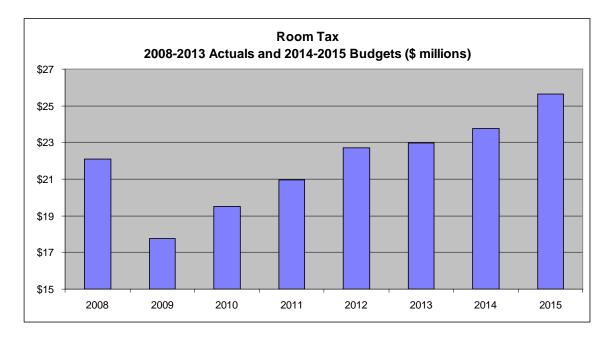

2015 Approved Budget is \$25,659,211 5.88% of Total Revenues

In accordance with AMC 12.20, room tax revenue is generated from a12% tax on room rentals of less than 30 days. Tax proceeds are split three ways: 4% is used to pay the debt service for the Dena'ina Center; 4% is used to promote tourism; and 4% goes to general government.

The projected room tax revenue for 2015 assumes 3.2% growth for summer and 4% growth for winter to average 3.5% increase over the projected 2014 actuals and in line with the projected growth rate from year-end 2013 to year-end 2014.

Room tax revenues in 2015 are projected to be \$1.8 million, 8% higher than 2014 budget, due to 2014 actuals projected to perform better than 2014 budget.

Additional Room Tax information is available online at <a href="https://www.muni.org/roomtax">www.muni.org/roomtax</a>

#### **Tobacco Tax (Account 401080)**

2015 Approved Budget is \$23,205,864 5.32% of Total Revenues

In accordance with AMC 12.40.010, the 2015 cigarette tax rate will be 119.4 mills, which equates to \$0.119 per cigarette, \$2.39 per pack (rounded), and \$23.88 per carton. This is a 1.1%, 1.3 mills increase over the 2014 rate of 118.1 mills. The cigarette tax rate is indexed to the consumer price index (CPI), so it increases each year to reflect inflation.

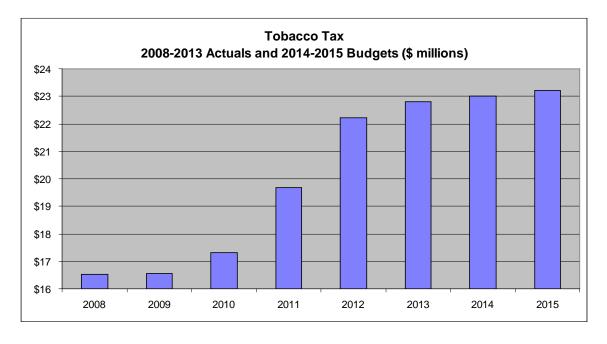

Tobacco taxes are also levied as 55% of wholesale price of other tobacco products (OTP) brought into the Municipality; this rate is not indexed with CPI.

The recent annual data reveals that tax on cigarettes accounts for about 86% of total annual tobacco taxes collected by the Municipality, with OTP accounting for the other 14%.

Tobacco taxes are included in the Tax Limit Calculation. Proceeds are used to fund areawide general services.

Tobacco tax revenues in 2015 are projected to be \$0.2 million higher than the 2014 budget due to three offsetting factors: increase in cigarette tax rate due to the annual CPI adjustment; continued long term trend decline in number of taxable cigarettes; and annual trend increase in tax revenues from OTP.

Additional Tobacco Tax information is available online at <a href="www.muni.org/tobaccotax">www.muni.org/tobaccotax</a>

#### MUSA/MESA-Contributed/Non-Contributed Plant (Account 450060)

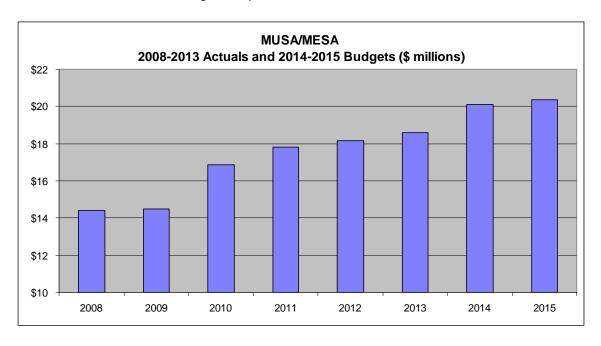

2015 Approved Budget is \$20,372,390 4.67% of Total Revenues

In accordance with AMC 26.10.025, Anchorage Water and Wastewater Utility (AWWU), Municipal Light and Power (MLP) and Solid Waste Services (SWS) are required to pay municipal utility service assessments (MUSA) and Merrill Field (AMC 11.60.205), Port of Anchorage (AMC 11.50.280) and Anchorage Community Development Authority (ACDA) (AMC 25.35.125) are required to pay municipal enterprise service assessments (MESA) as a payments-in-lieu-of taxes to help cover the cost of tax-supported services they receive (other than those services received on a contract or interfund basis).

Revenue from MUSA/MESA payments are included in Tax Limit Calculation and are used to fund Areawide general services.

MUSA/MESA is calculated by applying the respective service area millage rate to the determined value of the entity's net plant (AWWU, MLP, SWS); adjusted plant (Merrill Field, Port); and net book value (ACDA).

These revenues will be updated in the spring during the 2015 Revised budget to include most recent millage and plant values.
