## Overview of Major Revenue Sources

The following describes the major revenue sources that make up over 75\% of the $\$ 455,164,318$ of revenue that supports the 2017 Proposed General Government Operating Budget:

## Property Taxes - Total

2017 Proposed Budget is \$289,441,084; 63.59\% of Total Revenues

## Real Property Taxes (Account 401010)

2017 Proposed Budget is \$263,660,830; 57.93\% of Total Revenues

## Personal Property Taxes (Account 401020)

2017 Proposed Budget is $\$ 25,780,254 ; 5.66 \%$ of Total Revenues
Property taxes are used to fund services that are not covered by other funding sources. The maximum amount of property taxes that can be collected is established by the Tax Limit Calculation for areawide services and by Service Area Boards or code for limited and rural service areas. Property taxes are ad valorem, which means they are based on the value of the taxable property. Taxpayers pay a flat rate per dollar value of taxable property tax that they own.

Real property means land, all buildings, structures, improvements, and fixtures.
Personal property means any property other than real property.
Additional Property Tax information is available online at www.muni.org/Departments/finance/treasury/PropTax

## Room Tax (Account 401110)

2017 Proposed Budget is $\$ 26,961,303$
5.92\% of Total Revenues

In accordance with AMC 12.20, room tax revenue is generated from a $12 \%$ tax on room rentals of less than 30 days. Tax proceeds are split three ways: $4 \%$ is used to pay the debt service for the Dena'ina Center; 4\% is used to promote tourism; and 4\% goes to general government.

Bed tax revenues in the first half of FY 2016 declined (2\%) compared to the same period in 2015 and were much lower than expected for two reasons. First, there were fewer cruise ships crossing the Gulf of Alaska to Seward and Whittier, which resulted in fewer tourists passing through Anchorage. Second, mid-market hotels in midtown Anchorage have captured a larger share of the local hotel market away from the more expensive downtown hotels. The mid-market hotels charge lower room prices. As they capture a larger share of the market, their lower prices result in lower total taxable rents for the hotel market as a whole. Lower taxable rents results in lower tax revenues received by the Municipality. The year-end projection for FY 2016 was decreased to reflect the decline in early 2016.

The base forecast for 2017 assumes that FY 2017 revenues will grow 3.3\% compared to year-end FY 2016 revenues. This is the long term average annual growth in taxable room rents. In addition 2017 revenues will be $\$ 66 \mathrm{k}$ higher than 2016 due to the new requirement for Airbnb to collect and remit bed tax. Also, 2017 revenues will be about $\$ 200 \mathrm{k}$ higher than 2016 because the AFN convention will return to Anchorage in October 2017.

Additional Room Tax information is available online at www.muni.org/roomtax

## MUSA/MESA-Contributed/Non-Contributed Plant (Account 450060)

## 2017 Proposed Budget is \$27,160,622

5.97\% of Total Revenues

In accordance with AMC 26.10.025, Anchorage Water and Wastewater Utility (AWWU), Municipal Light \& Power (MLP), and Solid Waste Services (SWS) are required to pay municipal utility service assessments (MUSA) and Merrill Field (AMC 11.60.205), Port of Anchorage (AMC 11.50.280), and Anchorage Community Development Authority (ACDA) (AMC 25.35.125) are required to pay municipal enterprise service assessments (MESA) as a payments-in-lieu-of taxes to help cover the cost of tax-supported services they receive (other than those services received on a contract or interfund basis).

Revenue from MUSA/MESA payments are included in Tax Limit Calculation and are used to fund Areawide general services.

MUSA/MESA is calculated by applying the respective service area millage rate to the determined value of the entity's net plant (AWWU, MLP, SWS); adjusted plant (Merrill Field, Port); and net book value (ACDA).

The increase of $\$ 5.5$ million from 2016 to 2017 is primarily due to the inclusion of Plant 2A into ML\&P's net plant.

These revenues will be updated in the spring during the 2017 Revised budget to include most recent millage and plant values.
