

Maintenance & Operations

Maintenance & Operations

Description

The Maintenance & Operations Department performs a major portion of the maintenance needs on municipally-owned properties throughout Anchorage. Activities include street maintenance including snow removal, facility maintenance, fleet maintenance, communications, managing facility capital improvement projects, and a variety of other maintenance needs.

Department Services/Divisions

- Street Maintenance is one of the biggest and most costly responsibilities of Municipal government. It's also one of the most necessary. The Street Maintenance Division must keep approximately 1,300 lane miles of streets at an adequate level of service and safety. An important function of Street Maintenance is to provide snow and ice removal to ensure a safe and accessible transportation system during winter months.
- Facility Maintenance provides the maintenance of over 164 municipal buildings and over 211 parks. Maintenance responsibility includes all facets of building maintenance including HVAC, carpentry, electrical, plumbing, mechanical, welding, painting, graffiti removal, and roof repairs.
- Fleet Maintenance provides essential maintenance and repairs for 578 Municipal vehicles and equipment, to include the Anchorage Police Department fleet of an additional 455 vehicles.
- Communications & Electronics provides expertise to ensure that public safety communications and electronic systems are fully functional for all Municipal agencies. Some of the supported systems are the Police and Fire 911 Centers, 12 microwave radio sites, mobile computer systems used by Police, Fire and Transit, 250 automatic defibrillators and nearly 3,000 mobile and portable two-way radios.
- Capital Projects provides project management services on major general government building renovations and new construction capital projects. This section is responsible for new construction such as the Mt. View Library, fire stations, and Eagle River Town Center. They are also responsible for all maintenance projects, which include things such as roof replacement, lighting, fire control systems, painting, heating, and any other miscellaneous projects related to facilities.

Department Goals that Contribute to Achieving the Mayor's Mission:

Public Safety – Strengthen public safety and revitalize neighborhoods

- 100% of Fire & Medic apparatus have working, certified electronic defibrillators.
- Support the efficient, safe operations of emergency services by providing expeditious maintenance of public safety radio equipment.
- 98% of police-assigned automatic electronic defibrillators are certified and operable on any given day.

Administration – Make city government more efficient, accessible, transparent, and responsive

- Minimize the downtime of Fire, Police and General Government personnel.
- Improve response times to prioritized work order requests.

Economy – Build a city that attracts and retains a talented workforce, is hospitable to entrepreneurs, small business and established companies, and provides a strong environment for economic growth

- Repair reported potholes within 24 hours within Anchorage Roads and Drainage Service Area (ARDSA).
- Complete declared plow-outs within 72 hours of a snowfall four inches or more within ARDSA.
- Year-to-date percentage of storm drain structures inspected and cleaned as required within ARDSA.
- Assess LED lighting options and design installation plan for LED street lights.

Anchorage: Performance. Value. Results

Street Maintenance Division
Maintenance & Operations Department

Anchorage: Performance. Value. Results.

Purpose

Protect, maintain, and improve Municipal roads and drainage systems through organized efforts and effective use of resources.

Core Services

- Snow and ice removal
- Pothole repair
- Storm drain structure maintenance

Accomplishment Goals

- Complete declared plow-outs within 72 hours of a snowfall four inches or more within Anchorage Roads and Drainage Service Area (ARDSA)
- Repair reported potholes within 24 hours within ARDSA
- Annually inspect and clean “as required” all storm drain structures per Alaska Pollution Discharge Elimination System (APDES) Phase II permit within ARDSA

Performance Measures

Progress in achieving goals shall be measured by:

- Complete declared plow-outs within 72 hours within ARDSA
- Repair reported potholes within 24 hours within ARDSA
- Year-to-date percentage of storm drain structures inspected and cleaned as required within ARDSA.

Explanatory Information

- Tracking information for these measures began January 1, 2010.

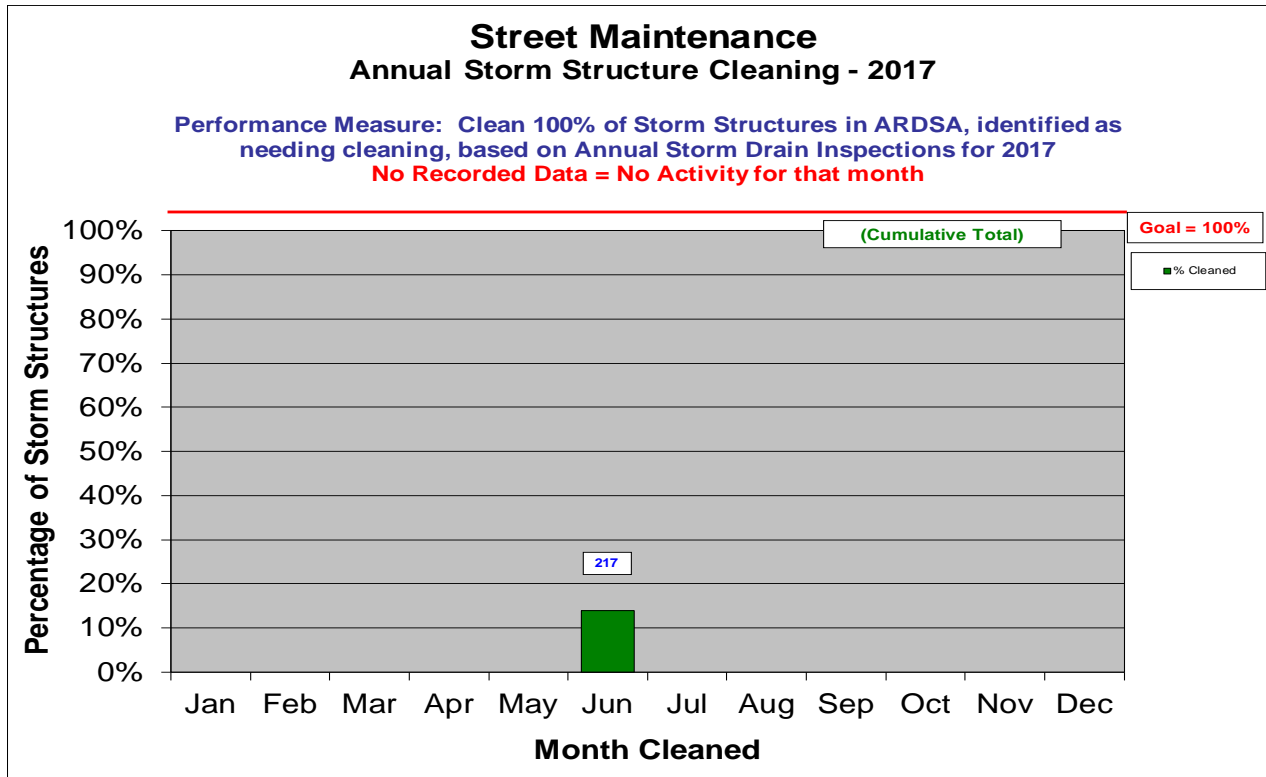

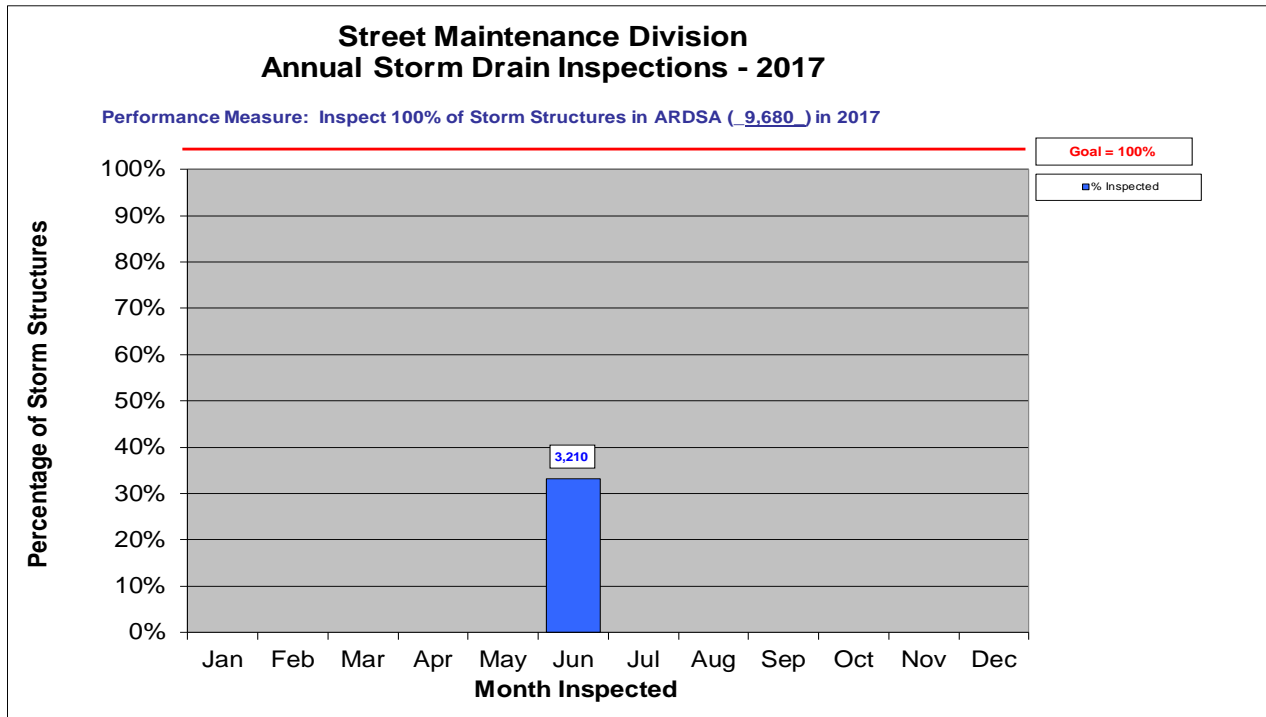

Measure #1: Complete declared plow-outs within 72 hours within ARDSA

Measure #2: Repair reported potholes within 24 hours within ARDSA

Measure #3: Year-to-date percentage of storm drain structures inspected and cleaned as required within ARDSA.

Communications Division
Maintenance & Operations Department

Anchorage: Performance. Value. Results.

Purpose

Operate and maintain emergency and general voice and data wireless systems for all Municipal general government agencies with a priority on first responders and 911 Dispatch Centers.

Direct Services

- Install, maintain, and repair wireless communication systems to maximize responder safety and efficient use of personnel and resources
- Provide technical expertise in the procurement and inventory management of electronic equipment to ensure compatibility and asset accountability
- Provide design and project management for communications system upgrades and acquisitions
- Maintain oversight of Federal Communications Commission (FCC)-related licensing to ensure compliance of federal rules and regulations
- Install, maintain, and repair biomedical equipment as used by Police and Fire responders to ensure functionality and reliability of life saving devices
- Install & maintain WiFi hot spot equipment within most municipal buildings

Accomplishment Goals

- Minimize downtime of Fire, Police and General Government personnel
- 100% of Fire & Medic apparatus have working, certified electronic defibrillators
- Support the efficient, safe operations of emergency services by providing expeditious maintenance of public safety radio equipment
- 98% of police-assigned automatic electronic defibrillators are certified and operable on any given day

Performance Measures

Progress in achieving goals shall be measured by:

- Percent of unscheduled repairs to Public Safety core service equipment/systems completed and returned to service within two hours, seven days a week, 24 hours a day

Explanatory Information

- Tracking information for these measures began January 1, 2011.

Measure #4: Percent of unscheduled repairs to Public Safety core service equipment/systems completed and returned to service within two hours, seven days a week, 24 hours a day

2017

Fleet Maintenance Division Maintenance & Operations Department

Anchorage: Performance. Value. Results.

Purpose

Preserve, maintain, and manage Municipal general government vehicles and equipment.

Core Services

- Year-round maintenance of Municipal general government vehicles and equipment

Accomplishment Goals

- Improve overall vehicle in-commission rate for all customers
- Reduce fleet vehicle maintenance costs while providing safe, operable vehicles

Performance Measures

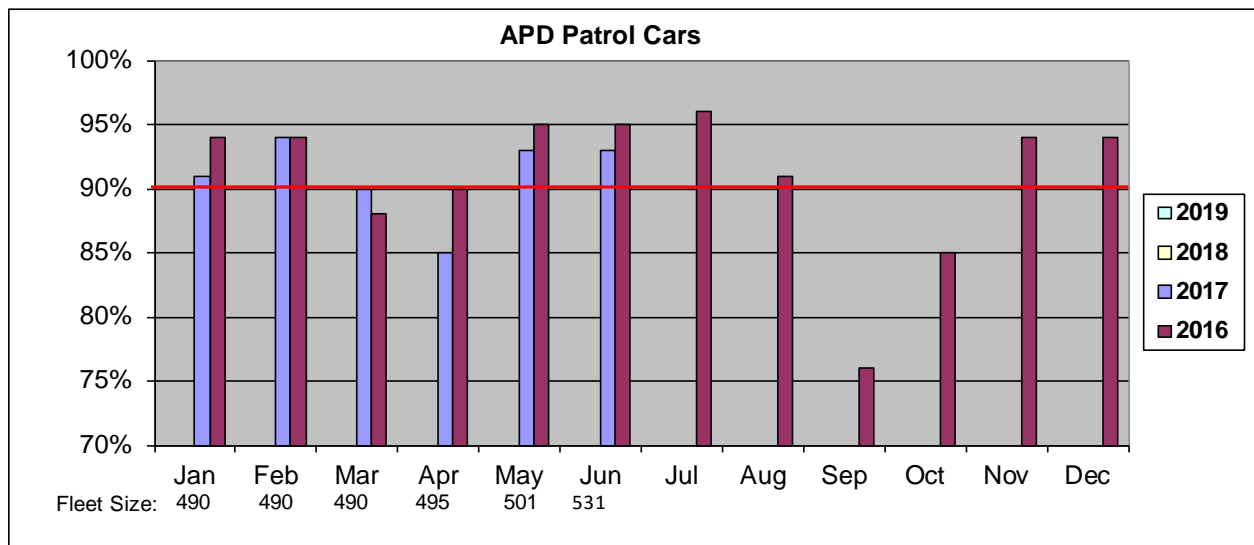

Progress in achieving goals shall be measured by:

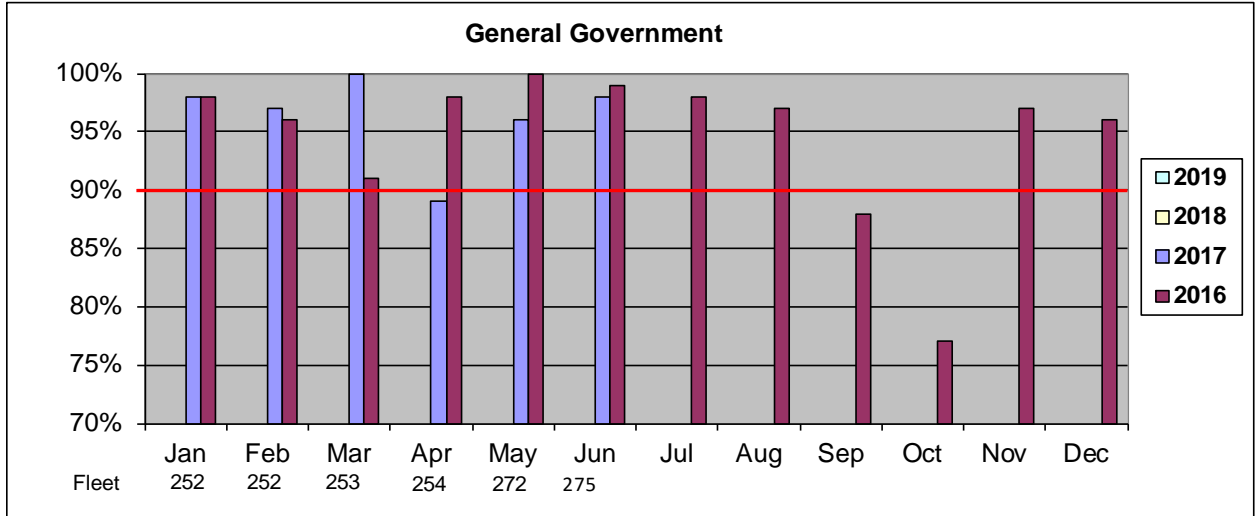

- Percent of police cruisers, general government, and heavy equipment vehicles in commission

Explanatory Information

- Tracking information for these measures began January 1, 2010.

Measure #5: Percent of police cruisers, general government, and heavy equipment vehicles in commission

**Facility Maintenance Division
Maintenance & Operations Department**

Anchorage: Performance. Value. Results.

Purpose

Preserve, maintain, and improve Municipal facilities

Core Services

- Maintenance of Municipal general government facilities

Accomplishment Goals

- Improve response times to prioritized work order requests

Performance Measures

Progress in achieving goals shall be measured by:

- Percent of Priority 1 (emergency) work orders completed within 24 hours
- Percent of Priority 2 (urgent) work orders completed within seven days
- Percent of Priority 3 (priority) work orders completed within one month

Explanatory Information

- Tracking information for these measures began June 1, 2010.

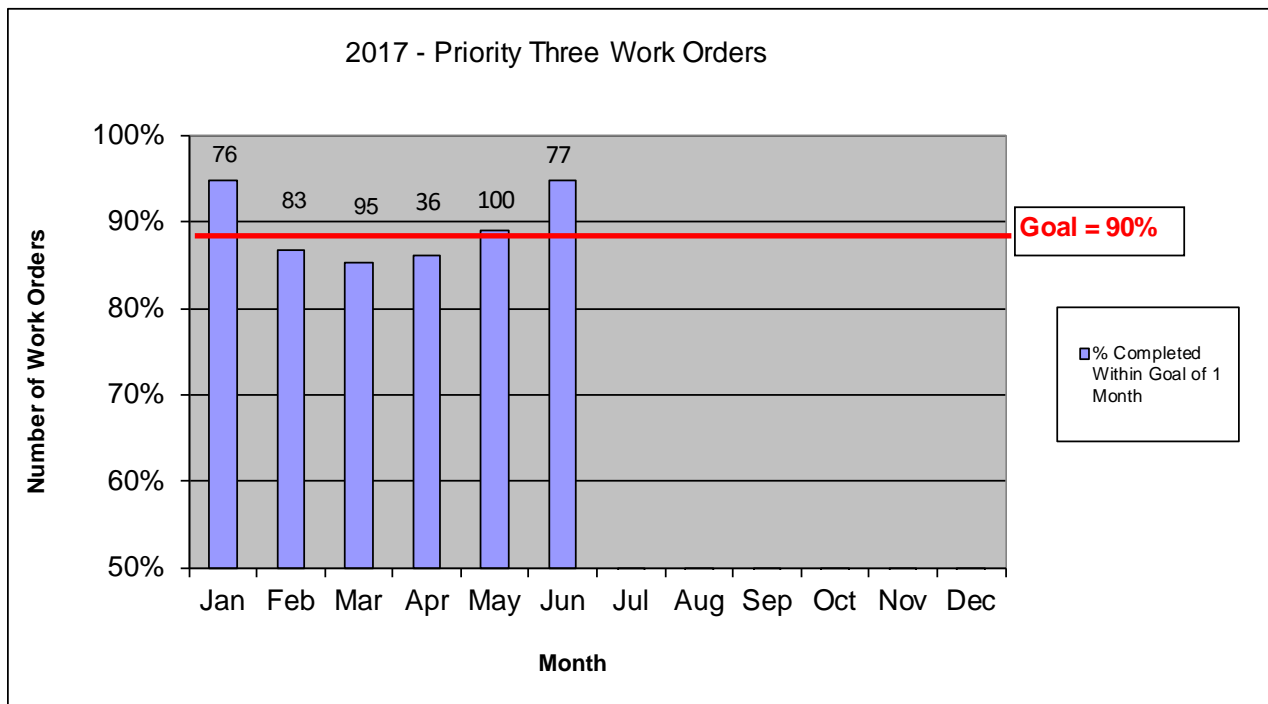

Measure #6: Percent of Priority 1 (emergency) work orders completed within 24 hours

Measure #7: Percent of Priority 2 (urgent) work orders completed within seven days

Measure #8: Percent of Priority 3 (priority) work orders completed within one month

Capital Projects Division
Maintenance & Operations Department

Anchorage: Performance. Value. Results.

Purpose

Manage, design, and construct Municipal facility renovations and new construction projects that meet the needs of requesting departments within the available funding.

Core Services

- Project management of Municipal facility renovation and upgrade projects
- Project management of new construction of Municipal facilities

Accomplishment Goals

- Reduce capital projects construction contracts with change orders

Performance Measures

Progress in achieving goals shall be measured by:

- Dollar values of construction contracts with change orders and Dollar values of change order costs compared to original contract cost

Explanatory Information

- Tracking information for these measures began January 1, 2010.

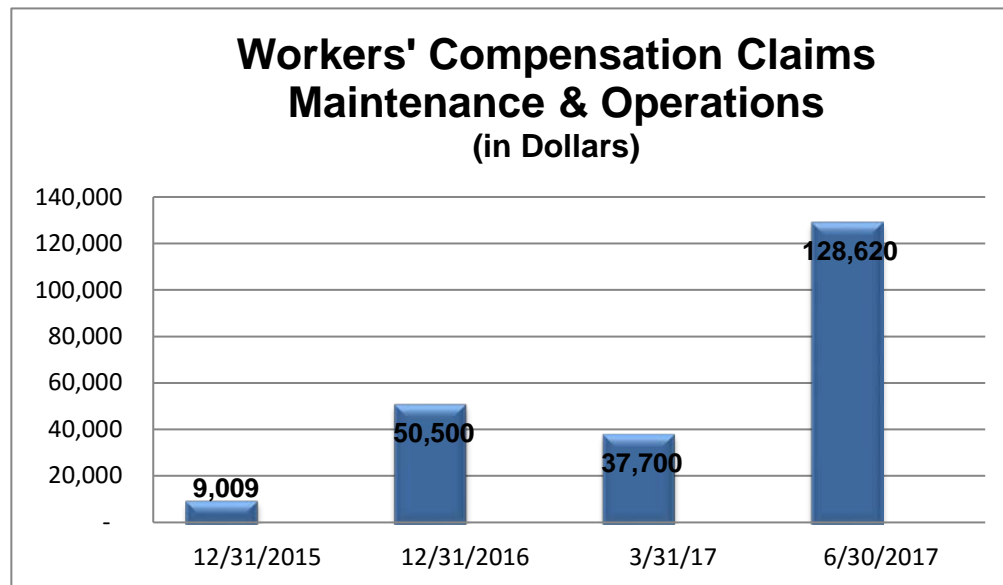

Measure #9: Dollar values of construction contracts with change orders, and Dollar values of change order costs compared to original contract cost

PVR Measure WC: Managing Workers' Compensation Claims

Reducing job-related injuries is a priority for the Administration by ensuring safe work conditions and safe practices. By instilling safe work practices we ensure not only the safety of our employees but reduce the potential for injuries and property damage to the public. The Municipality is self-insured and every injury poses a financial burden on the public and the injured worker's family. It just makes good sense to WORK SAFE.

Results are tracked by monitoring monthly reports issued by the Risk Management Division.

Equipment Maintenance Operations

Description

The Equipment Maintenance Operations is a section of the Maintenance & Operations Department. The Equipment Maintenance Operations section is appropriated to fund 601 which is classified as an internal service fund. The 601 fund accounts for the day-to-day operational management and maintenance of general government equipment and vehicles. The appropriation for this fund is separately disclosed on the ordinance that approves the General Government Operating Budget, as it is funded by direct cost expenditures included in the GGOB under each department's Contractual/Other Services budget.

Department Services

To preserve, maintain, and manage Municipal general government vehicles and equipment while providing safe, effective vehicles and equipment for Municipal operations and programs.
