

Appendix N

Chugiak, Birchwood, Eagle River Rural Road Service Area (Fund 119000)

The Municipality's Charter requires that local government operate under a service area concept, which means that residents of particular areas vote to levy taxes for service(s) from the Municipality.

Chugiak, Birchwood, Eagle River Rural Road Service Area (CBERRRSA) was established for capital improvements for roads and drainage and the maintenance thereof within and over road rights-of-way in the service area including street light capital improvements and street light operation and maintenance at special sites outside the Eagle River Street Light Service Area which enhance public safety, but excluding capital improvements for and maintenance and operation of: 1) traffic engineering; 2) park and recreational services; 3) water, sewer, telephone, electric, gas and other utility improvements and services; 4) off-road mass transit facilities and signs; and 5) fire hydrants and parking meters within the service area. The service area also shall be authorized to operate and maintain street lights at special sites outside of the Eagle River Street Light Service Area for purposes of enhancing public safety.

The maximum attainable mill rate for services provided in the service area shall not exceed 2.10 mills in any calendar year. No more than 1.1 mills shall be for road and drainage maintenance and no more than 1.0 mill shall be for capital improvements (AMC 27.30.215). The service area is included in Municipal Tax Districts 10, 22, 30, 50, 51, and 58.

The net cost total on the fund summary presented on the following page represents the tax cost for the CBERRRSA, based on the 2018 Proposed budget. It includes \$315,136 of revenues associated with the fund that are not considered program revenues, such as P&I on Delinquent Taxes and Cash Pools Short-term Interest.

The actual 2018 taxes to be collected will be based on the 2018 Revised budget that will be presented to the Assembly for approval in April.

The mill rate is calculated based on the taxes to be collected, divided by the assessed valuation of the service area, then multiplied by 1,000.

$$\frac{\text{Taxes to be Collected in SA}}{\text{Service Area Assessed Value}} \times 1,000 = \text{Mill Rate}$$

The 2018 mill rate, based on the 2018 Proposed budget and the service area assessed value at 08/30/2017, is calculated as follows:

$$\frac{\$ 7,115,018}{\$ 3,723,840,400} \times 1,000 = 1.91$$
