MUNICIPALITY OF ANCHORAGE

ASSEMBLY MEMORANDUM

AM No. 194 – 2021

Meeting Date: April 13, 2021

FROM: ACTING MAYOR

**SUBJECT: A RESOLUTION OF THE MUNICIPALITY OF ANCHORAGE
REVISING AND APPROPRIATING FUNDS FOR THE 2021 GENERAL
GOVERNMENT OPERATING BUDGET FOR THE MUNICIPALITY OF
ANCHORAGE**

The attached resolution reflects the Administration's proposed revisions to the 2021 General Government Operating Budget. The proposed package updates revenues, fine-tunes costs, and funds items that were not anticipated at the time the budget was approved last November.

We take our obligation to operate the Municipality with a balanced budget seriously, and especially in times of financial uncertainty. We continue rebuilding from the 2018 earthquake and responding to COVID-19 emergency while working with our federal partners to recover those eligible costs. We are responding to the COVID-19 pandemic with the allocation of federal funds initially from CARES funding. This proposed 2021 revision does not include any anticipated resources from the pending American Rescue Plan Act of 2021.

Direct Costs Adjustments

This proposal increases the 2021 operating budget by \$6.4 million. Adjustments include changes to voter approved bond operating and maintenance (O&M) costs; settlement recoveries; contractual funding alignments; and adjustments as requested by Service Areas. This proposal also continues to support the following key efforts; public safety to include emergency medical services, public health, community well-being; and operations stability. A detailed listing of changes is attached.

Revenues Adjustments

The revenue projections include updated assumptions that resulted in notable increases for contributions from the Municipal Trust; Municipal Utility Service Assessments (MUSA) / Municipal Enterprise Service Assessments (MESA); Utility Revenue Distributions; Settlement Recoveries and a Contribution from Municipal Light & Power cash. These are partially offset with notable decreases of non-property taxes for Transit Fares, Recreation Center Rentals, and Activity Fees resulting in a net revenue increase of about \$12.6 million.

Total Property Tax Requirement

The proposed adjustments and achievement of designated bond reserves are supported by taxing to the cap. As a result of updates to factors, including: assessed values, population/CPI, new construction, required settlement payments, non-property tax contributions, and voter approved bond debt, the average mill rate for General Government operations increases 0.22 mills from 9.00 mills in 2020 to 9.22 mills in 2021 resulting in an increase of \$22 per \$100,000 of assessed value.

THE ADMINISTRATION RECOMMENDS APPROVAL.

- Taxes & Reserves – Increase 2020 fund balance and decrease 2021 Contributions from Other Funds due to moving some of the 2020 sale costs from the General Fund to the ML&P Operating Fund

Total Property Tax Requirement

These S version adjustments do not impact taxing, the average mill rate for General Government remains:

	<u>2020</u>	<u>2021 Revised</u>	<u>2021 Revised S</u>
Average Mills	9.00	9.22	9.22

The total resulting 2021 average mill rate of 9.22 is an increase of 0.22 mills from the 2020 average mill rate of 9.00 and results in an increase of \$22 per \$100,000 of assessed value.

MUNICIPALITY OF ANCHORAGE

OFFICE OF THE MAYOR

MEMORANDUM

DATE: April 30, 2021

To: Anchorage Assembly
Felix Rivera, Assembly Chair

FROM: Acting Mayor Austin Quinn-Davidson *AQD*

SUBJECT: Veto of AO 2021-36

Pursuant to the authority vested in me by Charter section 5.02(c), I hereby veto AO 2021-36, AN ORDINANCE SETTING THE RATES OF TAX LEVY, APPROVING THE AMOUNT OF MUNICIPAL PROPERTY TAX, AND LEVYING TAXES FOR ALL SERVICE AREAS OF THE MUNICIPALITY OF ANCHORAGE GENERAL GOVERNMENT FOR 2021.

The reason(s) for this veto are as follows:

1. I offer this veto to create an opportunity for the assembly to reconsider and adjust the approved mill rates for fiscal year 2021 in order to correct an anomalous result for a small number of residents in our municipality. The mill rate calculation methodology used in 2021 and embodied in AO 2021-36 is the same methodology used in previous years. But in 2020, much of the municipal spending on COVID-19 relief efforts for the benefit of all Anchorage residents came from the areawide general fund, which has contributed to the increase in Areawide General Fund 101 mill rates that the Assembly approved in this ordinance. Because federal COVID-19 relief dollars were spent on first responder payroll in 2020, the impact on police and fire service areas resulted in lower-than-normal mill rates this year to support those services. This lower mill rate for police and fire services helped offset the increase in the Areawide General, Fund 101 mill rates for most individuals in the municipality. But individuals outside of the service areas that benefited from federal assistance of first responder payroll (including areas of

Girdwood as well as parts of Eagle River, Chugiak, and of the Hillside)¹ would experience the mill rates, as passed, as an increase in taxation without any offset for the decreased mill rates for the police and fire services. Neither the assembly nor the administration intended that a fraction of Anchorage residents should experience disproportionately higher taxes due to municipal spending on COVID-19 relief programs for all residents. The administration proposes that the assembly take the opportunity of this veto to reconsider the issue of mill rates at a special meeting on Monday, May 3, 2021, in order to create a one-time adjustment to the areawide mill rates that will eliminate the disproportionate impacts of the current ordinance.

¹ Specifically, Tax Districts 4 (Girdwood Valley) and 15 (Muni/Outside Bowl w/o APD); 5 (Glen alps SA w/o Fire); 16 (Muni/Outside Bowl with Police); 30 (Eagle River Valley RRSA w/no Fire); 42 (View Point); 47 (Gateway Contributing RSA); 55 (South Goldenview RRSA w/o Fire); 56 (Bear Valley LRSA w/o Fire); 58 (Eagle River Valley RRSA w/ ERSL w/o Fire).
