MUNICIPALITY OF ANCHORAGE

Assembly Memorandum

No. AM 756-2021

Meeting Date: November 9, 2021

From: MAYOR

Subject: AN ORDINANCE AMENDING ANCHORAGE MUNICIPAL CODE CHAPTER 3.20 RELATING TO THE ORGANIZATION OF THE EXECUTIVE BRANCH AND SETTING FORTH THE DUTIES AND RESPONSIBILITIES OF EXECUTIVE BRANCH AGENCIES; AND AMENDING RELATED ANCHORAGE MUNICIPAL CODE TO REFLECT THE NEW EXECUTIVE MANAGEMENT STRUCTURE.

The Administration submits this ordinance of the executive branch reorganization and amendments to chapter 3.20 to establish organizational responsibilities.

As with most mayoral transitions, the incoming administration is reorganizing the municipal department structure to effectively align with the executive branch management structure.

This alignment is designed to ensure efficient operations and streamlines business processes. It groups private development services into the Building Services Department and public development services into the Public Works Department and keeps Culture, Entertainment, & Arts Venues together with Park & Recreation and Library under the Municipal Manager.

The 2022 Proposed budget is presented in this organizational structure.

Summary of changes:

- Creating a new section, AMC 3.20.052, for Office of Management and Budget (OMB) to align with its place in the executive branch.
- Repealing AMC 3.20.060 Office of Economic and Community Development. Community Development is a department within the Office of the Municipal Manager.
- Repealing AMC 3.20.062 Office of Information Technology. Information Technology is a department within the Office of the Municipal Manager.
- Relocating the division of Culture, Entertainment, & Arts Venues from the now repealed Office of Economic and Community Development to the Office of the Municipal Manager.
- Creating new departments Building Services and Public Works within the new Community Development Department, in the Office of the Municipal Manager. The Building Services Department includes the divisions:

1 Development Services and Planning. The Public Works Department
 2 includes the divisions: Maintenance & Operations, Project Management
 3 and Engineering, and Traffic Engineering.

- 4 • Relocating the Office of Equal Opportunity from within the Office of Equity
 5 and Justice to the Municipal Manager. Current code is inconsistent and
 6 locates the Office of Equal Opportunity within both the Office of the
 7 Municipal Manager and the Office of Equity and Justice. The Office of Equal
 8 Opportunity will still have direct access to the Mayor.
- 9 • Consistent with AMC 3.20.070A.2., the Office of Equity and Justice reports
 10 to the Mayor.
- 11 • Codifying the Innovation Team's place within Information Technology
 12 Department.
- 13 • Relocating the Library from the repealed Office for Economic and
 14 Community Development to become a division of the Parks and Recreation
 15 Department within the Office of the Municipal Manager.
- 16 • Relocating the Payroll Division from the repealed Office of Information
 17 Technology to the Human Resources Department within the Office of the
 18 Municipal Manager.
- 19 • Ensuring that code is consistent and aligned with the organizational update.

20
 21 This ordinance has no private sector economic effects and local government
 22 effects are anticipated to result in a net savings. Pursuant to AMC 2.30.053B.1.,
 23 a Summary of Economic Effects (SEE) is not required.

A RESOLUTION TO THE ANCHORAGE MUNICIPALITY ASSEMBLY OPPOSING MOVING THE ANCHORAGE PUBLIC LIBRARY UNDER THE PARKS DEPARTMENT

WHEREAS, Mayor Bronson's proposed 2022 budget recommends that the Anchorage Public Library move under the Anchorage Parks & Recreation Department where a non-librarian will oversee the Anchorage Public Library;

WHEREAS the Parks Department already has a huge responsibility, which could be hindered by adding additional workload to the Parks Director;

WHEREAS moving Anchorage Public Library under the Parks Departments dilutes the essential role of the library of providing: education to the community; a variety of technology assistance both in and outside the library; economic development to small businesses;

WHEREAS the Mission of the Anchorage Public Library is connecting people to education, information, and community, which lacks any significant overlap with the Anchorage Parks & Recreation Department's Mission that "... provides outdoor recreation opportunities and conserves and interprets natural, cultural, and historic resources for the use, enjoyment, and welfare of the people;"

WHEREAS the Anchorage Public Library's Strategic Plan focuses on: Education & Skills for Life, Building Community, and a Bridge to Information & Resources. Conversely, the Anchorage Parks & Recreation Department's annual strategic focuses on an "action plan for park improvements, community engagement and staff operations, resulting in more than \$3-7 million in annual investment in parks, trails and community recreation programs;"

WHEREAS the Anchorage Public Library is made up of a shared staff and budget for all five branch locations and the new Dimond Transit Express Library. Conversely, the Anchorage Parks & Recreation Department has different geographical managers in Eagle River and Girdwood, and Board of Supervisors oversight, which would create disjointed control over buildings, collections, and staffs;

WHEREAS there is little budgetary savings to the city by moving the Anchorage Public Library to a division within the Parks Department;

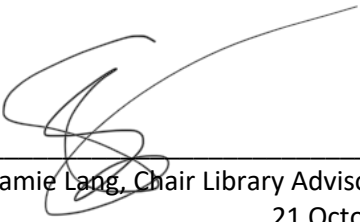

WHEREAS the Anchorage Public Library already provides equitable access to computing equipment, robust resources, safe, simulating, clean and well-maintained buildings, works with community partners and library programming helping to increase the foundations of reading, social skills, and creative skills through early learning educational activities, and where APL provides civic engagement, cultural enrichment, and enhances the quality of life for all Anchorage residents through provisions of life-long educational services including library materials, online resources, and programs/events. Thus, moving the Anchorage Public Library to Parks & Recreation Department does not improve what the library is already doing;

WHEREAS, the Anchorage Public Library, and our community patrons, need to have a department run by librarians who have the appropriate qualifications, foundations skills and knowledge to provide an essential center for learning, where there is free and equal access to information and library spaces, and where literacy and life-long learning is promoted;

NOW, THEREFORE BE IT RESOLVED, the Anchorage Public Library Advisory Board respectfully asks the Anchorage Assembly to deny the proposal to move the Anchorage Public Library under the Parks & Recreation Department, keeping the Anchorage Public Library an independent department.

Vote Yes – unanimously approved by the LAB board.

Vote No – no board member opposed

ASD STUDENT ADVISORY BOARD

Uniting Schools and Empowering Student Voice

Resolution 2021-03: Reinstatement of the ASD School Resource Officers

Sponsor: Chugiak High School

Adopted: November 9, 2021

Be it resolved by the Anchorage School District Student Advisory Board; that the position of the Anchorage School District School Resource Officers (SRO), within the Anchorage School District (ASD), remain active in the schools.

Whereas, The Municipality of Anchorage has decided that the position of SRO will no longer be funded under the Municipal budget and cut starting January 1, 2022.

Whereas, The current Mayor has stated that the Anchorage School District should be responsible for funding all SRO positions throughout the district.

Whereas, The SRO position is vital to ensuring a safe learning environment.

Whereas, without having an SRO on ASD property schools are more accessible to potential harm and violence.

Whereas, Having an SRO on campus deters kids and adults from providing or using illegal substances on school property.

Whereas, Having an SRO on campus provides a safe environment for kids to go when they do not feel safe at home.

Whereas, Having an officer who knows the layout of the building makes it easier to respond to emergencies.

Whereas, Having an officer in the building lessens time for response during an emergency.

Whereas, having an SRO in the building improves students' relationship with law enforcement.

Whereas, Having an officer in the building reduces student arrest rates by 70%.

Whereas, According to SRO Officer Burton from Chugiak High School, “SRO funding should come from the city of Anchorage.”

Whereas, The implementation of ALICE drill training prepares students for emergency situations.

Whereas, The community connections SRO’s bring with their positions, make contact with community members more accessible.

Whereas, On average it could take anywhere from 3-25 minutes for an officer to get to a school during an emergency situation.

Whereas, Anchorage SROs take up to 15,000 calls directly related to a school per year.

Whereas, The implementation of Anchorage Cops for Community has made our school and community more involved with each other.

Therefore, be it resolved by the Anchorage School District Student Advisory Board that:

- 1. The position of the Anchorage School District School Resource Officers (SRO), within the Anchorage School District (ASD), remain active in the schools.**

Action Statement: This resolution, if passed by the Anchorage School District Student Advisory Board, will be sent to the following: Mayor of Anchorage, Dave Bronson, Anchorage Police Chief Kenneth McCoy, Anchorage School District Superintendent Deena Bishop, Assembly Representatives: Jamie Allard and Crystal Kennedy.

ANCHORAGE EDUCATION ASSOCIATION

Connecting Educators • Inspiring Students

November 17, 2021

Dear ASD Board and Anchorage Assembly Members,

The Anchorage Education Association encourages continued support of the SRO program as well as current costs supported and paid by the Muni of Anchorage.

At the same time, AEA support comes with a request to review and consider new innovative SRO program models to support all ASD students and families fairly and equitably no matter socioeconomic status, race, religion, gender, etc..

There are numerous positive outcomes the current SRO program addresses:

- 1) Deterrence: The SRO program is a strong deterrence to school violence and school shootings that have plagued so many of our communities across the United States.
- 2) Outreach: SRO officers currently provide several different programs to students including: Stranger Danger, Internet Safety, DUI mitigation before proms and other events, drug usage, crime prevention, and more.
- 3) Student engagement: SRO Officers build relationships with students and make connections that promote student success. SRO Officers know students, know their names, and many times thwart poor student decision making.
- 4) Provide on-site presence: SRO officers are available to respond to any needs schools might have to support student and staff safety, up to and including averting a potentially catastrophic armed-intruder event.

Lastly, the AEA Board wants to re-emphasize the importance for the Anchorage Assembly to continue SRO financial support. It's most impactful when our municipality's elected officials demonstrate to the community their unwavering support and commitment to the safety of students, staff, and all who visit our Anchorage schools.

Sincerely,

Corey Aist, President

Subject: Municipal Budget Advisory Commission 2022 Proposed Budget Resolution, November 2021

Attached is a resolution from the Municipal Budget Advisory Commission recommending the Assembly:

- 1) Review the Proposed 2022 General Government Operating Budget.
- 2) Review the Proposed 2022 General Government Capital Improvement Budget and 2022-2027 Capital Improvement Program.
- 3) Support the Proposed 2022 Utility & Enterprise Operating and Capital Budgets.

The resolution was discussed at the regular meeting of the commission on November 4, 2021.

Prepared by: Office of Management & Budget (OMB)
 Concur: Marilyn Banzhaf, Acting OMB Director
 Concur: Amy Demboski, Municipal Manager
 Respectfully submitted: Dave Bronson, Mayor

**Municipal Budget Advisory Commission 2022 Proposed Budget Resolution,
November 2021**

Whereas; The Municipal Budget Advisory Commission (BAC) is an independent, volunteer-led citizen advisory board responsible to provide the assembly, the mayor, the school board, and the superintendent of schools well-informed advice as to budgets and budgeting process, as outlined in AMC 4.50.030; and

Whereas; under AMC 4.50.030 The municipality and the school district shall provide sufficient staff assistance as needed by the commission in its review of the municipal and school budgets, respectively; and

Whereas; under AMC 4.50.030 The purpose of the commission is to provide the assembly, the mayor, the school board, and the superintendent of schools well-informed advice as to the budgets and budgeting process from citizen commission members who provide a broad, rather than a specific issue, interest in the budgets; and

Whereas; the Budget Advisory Commission recognizes this is a time of transition to a new administration; however, the Commission requested, but did not receive, a budget presentation from the incoming administration, as has historically been delivered. For future budget cycles, the Budget Advisory Commission will continue to make this request of the administration pursuant to AMC 4.50.030; and

Whereas; The BAC has reviewed the proposed 2022 budgets (General Government, Utility, and Enterprises operating and capital) and heard a presentation of the proposed budgets by the OMB at its special meeting on October 27, 2021; and

Whereas; The BAC understands the unique challenges in preparing the Proposed 2022 Budgets during a time of our community's economic constraints and concerns for the overall health and wellbeing brought on by forces related to COVID-19 since March 2020 and predicted to continue into 2022; and

Whereas; the BAC endorses the Administration's stated objective to revitalize the Anchorage economy, which continues to struggle to recover from the COVID-19 pandemic and a prior recession, and years of out-migration; and

Whereas; The BAC recognizes the Tax Cap as an instrument to limit the growth of government spending and supports its full application in the budget process by adjusting as required to account for losses in non-property taxes, adjusted for new construction, population, and consumer price index that maintains investment in public safety and basic government service as proposed in the 2022 budget; and

Whereas; The BAC supports the Administration's stated commitment to ensuring health and safety in Anchorage, including a focus on people in Anchorage facing homelessness and providing the necessary resources to provide a compassionate solution; and

Whereas; The BAC recognizes the proposed 2022 General Government operating budget of \$550 million represents a reduction of more than 6.5% from the 2021 revised budget when adjusted for inflation; and

Whereas; In 2020, Anchorage voters approved a 5% alcohol tax; the proceeds of which would be dedicated to and only made available for: 1) Funding for police, related criminal justice personnel, and first responders; 2) Funding to combat and address child abuse, sexual assault and domestic violence; and 3) Funding for substance misuse treatment, prevention programs detoxification or long-term addiction recovery facilities, mental and behavioral health programs, and resources to prevent and address Anchorage's homelessness crisis, and this funding was intended for new programs, not to replace existing general government funding; and

Whereas; In 2021 the Municipality dedicated \$2 million in alcohol tax funding for early education to fund pre-Kindergarten programs through Anchorage School District (ASD), an historic first investment; and

Whereas; The benefits of pre-Kindergarten have been well evaluated and documented, finding that kids who attend pre-K are better prepared to enter school, as well as preventing child abuse which contributes to long-term cost avoidance related to criminal justice, welfare and education that exceed the initial investment; and

Whereas; In 2021 the Municipality also dedicated alcohol tax funding toward a new mental health first responders' model, the Mobile Crisis Team, as a new program within Anchorage Fire Department; and

Whereas; In its first period of operation, the Mobile Crisis Team responded to 149 people experiencing a crisis and of those, only 8 needed law enforcement transport to a hospital; the Mobile Crisis Team has received positive feedback from clients served by the program; and that generally, mental health first responder programs are effective at keeping people from police involvement and incarceration, which is not only an effective way to respond to a mental health crisis, but also saves money; and

Whereas; In 2021 the Municipality also dedicated alcohol tax funding as \$2 million in grants to prevent child abuse, sexual assault, and domestic violence, as well as \$250,000 to organizations providing prevention and crisis response services for victims of interpersonal violence: domestic violence, sexual assault, and violent crime; and

Whereas; Reducing the impacts of violence was one of the biggest priorities for alcohol tax funding, and Alaska has some of the worst rates of interpersonal violence in the nation, with alcohol as a significant contributing cause; and

Whereas; The BAC commends the herculean effort the Anchorage Health Department has taken in responses to the COVID-19 pandemic in 2020 and 2021, and supports the need to maintain strong staffing in order to continue its effective response to the pandemic and furthermore the staff to address those negative social, physical, and mental health issues resulting from alcohol and substance misuse and to coordinate efforts amongst various stakeholders, and these are important functions of a Home Rule Municipality with health powers; and

Whereas; Mobile Crisis Teams have a well-documented and distinct separate purpose from the Anchorage Police Department's Mobile Intervention Teams; and

Whereas; The Municipality's annual contribution to the Anchorage Economic Development Corporation (AEDC) is an investment in the city's economic future, which is leveraged three-to-one by other funds, including from the private sector. AEDC leads comprehensive economic

development strategic planning efforts, strengthens the city's business climate, and provides valuable data and analysis to the Municipality and private sector; and

Whereas; The BAC acknowledges that the 2022 Proposed General Government Operating Budget is balanced at \$149,579 under the Tax Limit; and

Whereas; The BAC acknowledges that the budget needs to be balanced and if any Assembly amendments are made, they should include consideration for offsetting expense or revenue adjustments to result in a balanced budget; and

Whereas; Community Councils are recognized in the charter as an important venue for residents to weigh in on the proposed budget; and

Whereas; The Municipality's capital improvement program and capital budget, including projects approved by voters as capital bonds, is an important investment in our city's infrastructure and amenities, creating jobs, economic activity, and long-lasting assets for our community;

Now Therefore Be It Resolved:

1) That the BAC recommends the Assembly review the Proposed 2022 General Government Operating Budget as follows:

- a. The net benefit or cost of the proposed departments being reorganized, new positions added, and whether this will result in a more efficient and effective operation of the Municipality in 2022 and long-term;
- b. The \$250,000 total cut in Municipal funding to the Anchorage Economic Development Corporation as an investment in economic revitalization;
- c. The \$1 million cut in alcohol tax funding for Early Education;
- d. The \$250,000 cut in alcohol tax funding to prevention grants;
- e. The \$250,000 cut in alcohol tax funding to providers of services in response to domestic violence, sexual assault, and violent crime;
- f. The \$1.5 million cut to the Mobile Crisis Teams and maintain the Mobile Crisis Teams position with the Anchorage Fire Department
- g. The general government funding for the Epidemiologist and other Anchorage Health Department positions funded in FY 2021 by General Government Operations, and not with dedicated alcohol tax funding;
- h. The cost-shift of the School Resource Officer (SRO) program to ASD.

2) That the BAC recommends the Assembly review the Proposed 2022 Capital Improvement Budget and 2022-2027 Capital Improvement Program (CIP).

- a. The overall bond package in the capital budget to be sufficient to maintain and improve the city's infrastructure, at a similar level to that of the 2021 budget, and as noted in the 2021 CIP;

3) That the BAC recommends the Assembly support the Proposed 2022 Utility & Enterprise Operating and Capital Budgets.

MUNICIPALITY OF ANCHORAGE

OFFICE OF THE MAYOR

MEMORANDUM

DATE: November 30, 2021

TO: Anchorage Assembly
Suzanne LaFrance, Assembly Chair

FROM: Mayor Dave Bronson 

SUBJECT: Vetoes of AO 2021-96

Mayoral Veto overridden except veto regarding the Deputy Municipal manager position, at the bottom of page 2, revenue source line 2. Clerk's Note: date of Crisis Training is corrected to 2022 from 2021, at the bottom of page 3.

Pursuant to the authority vested in me by Charter section 5.02(c), I hereby, by veto, strike or reduce the following amendments to **AO 2021-96: AN ORDINANCE OF THE MUNICIPALITY OF ANCHORAGE ADOPTING AND APPROPRIATING FUNDS FOR THE 2022 GENERAL GOVERNMENT OPERATING BUDGET FOR THE MUNICIPALITY OF ANCHORAGE**, that were moved and approved by the Assembly at the meeting of November 23, 2021.

These vetoes keep the 2022 budget in line with my administration's priorities of: public safety, an economically prosperous and business-friendly community, compassionately resolving the homelessness crises, minimizing service impacts to the public while seeking savings, re-organizing for more efficient and effective government, and aligning costs to better represent cost causer/cost payer.

My administration cannot validate or certify the funding source increases that the Assembly provided for the vetoed items identified below from Amendments #1 and #11.

Most of the Assembly's proposed amendments relied on assumed 2022 revenue amounts that are not certifiable; the Finance Department was not asked to review or comment on the revenue amounts assumed by the Assembly prior to their approval of the budget amendments.

The recent announcement of the new Omicron variant discovered in South Africa late last week caused U.S. and Global investment markets to significantly decline in a single day. This new variant could very likely negatively affect projected revenues for both the MOA Trust Fund and Room Taxes going into 2022. The attached memo provides more details specific to each revenue.

My Administration cannot validate or certify the funding source increases that the Assembly provided on Amendment #1, Revenue Source lines 5 & 6 and

Amendment #2, Revenue Source line 3. Without valid funding sources, and with the new COVID variant and bond rating concerns, the below line items are vetoed.

My vetoes also put the city back under the tax cap by \$110,000.

I provided additional explanations with each item.

Amendment #1 – General Government Operating

Strike Line 1: \$634,736, Building Services, Fund 2 Electrical Inspectors, 1 Mechanical/Plumbing Inspector, 1 Structural Inspector positions.

My reason is as follows: The reduction of these positions is part of an effort to right-size the inspector staff with the anticipated workload. This will not impact service and is part of my strategy to bring the Building Safety Service Area Fund (163000) to be self-sustaining and reduce its current negative fund balance of \$11M.

Strike Line 2: \$1,061,897, Health, Move 1 Epidemiologist, 1 Senior Office Associate, 1 Public Health Nursing Supervisor, and 5 Public Health Nurses from Alcohol Tax Program to AHD's operating budget.

My reason is as follows: This revenue source cannot be validated or certified as a funding source.

Strike Line 3: \$128,873, Mayor, Restore full funding to Mayor's Community Grants program.

My reason is as follows: This will return the budget for the Mayor's Community Grants back to the proposed amount of \$480K and achieves a balanced budget under the tax cap.

Strike Line 5: \$1,282,719, Police, Fund Student Resource Officers (SROs) for 5 months.

My reason is as follows: My action does not reduce or eliminate the SRO program; it simply reflects that the program can be fully funded with reimbursement from ASD. Additionally, the revenue source identified by the Assembly cannot be validated or certified.

Strike Revenue Source Line 2: (\$196,057), Municipal Manager, Move cost for Director of Enterprise Services position to utilities and enterprises.

My reason is as follows: This position is already budgeted as being partially funded by the utilities / enterprise departments via intragovernmental charges (IGCs) from the Municipal Manager but in amounts resulting from the IGC factors to be in line with cost causer / cost payer. Regulatory

Commission of Alaska stipulates that only allowable costs in line with approved methodologies can be charged to the utilities.

Strike Revenue Source Line 4: \$149,579, Revenue – Tax, Tax to the cap.

My reason is as follows: To put the city back under the tax cap by \$110K.

Strike Revenue Source Line 5: \$100,000, Contribution – MOA Trust Fund, Increase dividend.

My reason is as follows: My Administration cannot validate or certify the funding source increases that the Assembly provided. See attached memo.

Strike Revenue Source Line 6: \$2,500,000, Revenue – Tax, Increase 2022 Room Tax.

My reason is as follows: My Administration cannot validate or certify the funding source increases that the Assembly provided. See attached memo.

Strike Amendment #11 - \$125,000, Fire, Girdwood EMS increase contract to \$507K.

My reason is as follows: Insufficient funding source. Within the Areawide service area, there are two Volunteer Fire Departments that contract with the Municipality to provide emergency medical services. During the 2021 Budget process Girdwood Volunteer Fire Department received an increase of \$175,000 for EMS bringing their annual appropriation to \$382,500; Chugiak Volunteer Fire Department is receiving \$177,897 through the 2022 Proposed Budget bringing their annual appropriation to \$353,022.

Amendment #2 – Alcohol Tax Program

Strike Line 1: \$1,575,180, Fire, Restore funding to the Mobile Crisis Team program.

My reason is as follows: Insufficient funding source. The Anchorage Police Department can provide these services at a lower cost with no service impact to the community. Additionally, this program is not fully functional at the Anchorage Fire Department (AFD) and cannot be fully implemented in AFD under the constraints of our current collective bargaining agreements.

Strike Line 3: \$16,691, Fire, Crisis Intervention Training for Whittier Police Department and Girdwood Fire & Rescue.

My reason is as follows: Funding for 2022 cannot be used for training that occurred in November 2021.

Strike Line 4: \$250,000, Health, Increase budget for evidence-based grants to providers for child abuse, sexual assault, and domestic violence prevention programs, for a total recurring amount of \$2M.

My reason is as follows: Insufficient funding source. Inclusive of Line 5, direct grants to Victims for Justice (\$125K) and AWAIC (\$125K), there is a total amount of \$2M for evidence-based grants to providers for child abuse, sexual assault, and domestic violence prevention programs.

Reduce by \$750,000 Line 6: \$1,000,000, Health, Increase budget for early education grants to providers for a total recurring amount of \$2M.

My reason is as follows: This will leave a total amount of \$1.25M for early education grants to providers. Anchorage School District has received a \$110M grant, much of which is unspent and can be used to fund these additional programs if the school board chooses to fund it.

Strike Revenue Source Line 1: (\$1,061,897), Health, Move 1 Epidemiologist, 1 Senior Office Associate, 1 Public Health Nursing Supervisor, and 5 Public Health Nurses from Alcohol Tax Program to AHD's operating budget.

My reason is as follows: Reducing Public Health personnel who serve our most vulnerable population during a pandemic is not in the best interest of the community, and this reinstates the funding for these positions. These positions are critical in serving populations experiencing homelessness, substance misuse, and mental health crisis.

Strike Revenue Source Line 3: \$404,974, Alcohol Tax Fund Balance, Unappropriated/unspent 2021 funds.

My reason is as follows: My Administration cannot validate or certify this projected fund balance funding source until the 2021 financial reports are reconciled in 2022.

Strike Revenue Source Line 4: (\$750,000), Police, Move funds to MCT program.

My reason is as follows: This reinstates the MCT program at the Anchorage Police Department. The Anchorage Police Department can provide these services at a lower cost than if located at the Anchorage Fire Department, with no service impact to the community.

Strike Revenue Source Line 5: (\$375,000), Health, Decrease amount or operational costs of shelter, day center, and/or treatment center based on start-up timeline.

My reason is as follows: This reinstates funding for the operational costs of a shelter, day center, and/or treatment center to address the immediate need for our homeless population.

MUNICIPALITY OF ANCHORAGE
FINANCE DEPARTMENT

MEMORANDUM

DATE: November 29, 2021

TO: Travis Frisk, CFO

FROM: Daniel Moore, Municipal Treasurer

SUBJECT: Unsupported 2022 Revenue Assumptions re: recently approved Assembly Budget Amendments

Treasury reviewed the MOA Trust Fund and Room Tax revenue sources cited by the Assembly in their recent approval of an omnibus amendment to the 2022 General Government Operating Budget. The Assembly's assumed 2022 revenue amounts are not supportable, and the Finance Department was not asked to review or comment on the revenue amounts assumed by the Assembly prior to their approval of the omnibus budget amendment.

Specific to the two revenues, the recent announcement of the new Omicron variant discovered in South Africa late last week caused U.S. and Global investment markets to significantly decline in a single day. This new variant could very likely negatively affect projected revenues for both the MOA Trust and Room Taxes going into 2022. More specific to each revenue:

MOA Trust Dividend Revenue

Approximately, 1.5 weeks prior to the announcement of the Omicron variant the MOA Trust's market value was \$444.9M and it had annual YTD return of approximately 10.9%. After last Friday's steep decline in the markets tied to the Omicron announcement, the MOA Trust's market value declined in a single day by \$8.2M and its YTD return reduced to 9.0%. Using the MOA Trust dividend projection model, the most recent projected 2022 dividend prior to the Omicron announcement was \$19.1M. After last Friday's news, the projected 2022 dividend declined \$200K to \$18.9M. The Assembly's omnibus budget amendment assumed a 2022 Trust Fund dividend of \$19.3M which is \$400K short of the updated projection done post-Omicron announcement.

Room Tax Revenue

Given what the MOA experienced in 2020 when Room Taxes were severely impacted by the initial effects of COVID-19 (i.e., a 56% revenue decline in budgeted 2020 revenue), the Finance Department recommends exercising significant caution in projecting 2022 Room Tax revenue in light of the recent announcement of the Omicron variant. Room Tax revenue cited in the Mayor's Proposed Budget is \$24.5M for 2022. 2021 Pro Forma Room Tax revenue is currently projected to be \$27.5M. Given the uncertainty that Omicron may have on future 2022 summer travel plans, it would be inadvisable to assume that 2022 Room Tax revenue would exceed 2021 revenue by several million dollars as the Assembly assumed in its omnibus budget amendment. Until more is known about the potential negative impact of the Omicron variant, 2022 budgeted revenue should remain conservatively budgeted at \$24.5M as cited in the Mayor's Proposed Budget and should be further revisited and potentially adjusted as part of 1st Quarter 2022 budget revision.

 2. The *2022 Proposed Capital Improvement Budget and 2022-2027 Capital Improvement Program* identifies projects to improve safety and quality of life through support of the different departments with a variety of projects that upgrade multi-modal travel facilities, including roads, trails, and transit and allow purchase and upgrades of new fire and police equipment.
 3. The *2022 Proposed Capital Improvement Budget and 2022-2027 Capital Improvement Program* meets the intent of the Redevelopment Focus Areas adopted in the *Anchorage 2040 Land Use Plan*.

4. The leveraging of local funds to achieve the greatest amount of matching dollars is commendable.

MUNICIPALITY OF ANCHORAGE
OFFICE OF THE MAYOR
MEMORANDUM

DATE: November 30, 2021
TO: Anchorage Assembly
Suzanne LaFrance, Assembly Chair
FROM: Mayor Dave Bronson 
SUBJECT: Vetoes of AO 2021-97

Pursuant to the authority vested in me by Charter section 5.02(c), I hereby, by veto, strike or reduce the following amendments to **AO 2021-97: AN ORDINANCE ADOPTING THE 2022 GENERAL GOVERNMENT CAPITAL IMPROVEMENT BUDGET**, that were moved and approved by the Assembly at the meeting of November 23, 2021.

Strike Amendment #1 – \$250,000 - Bonds, Parks & Recreation, Athletic Field Safety Improvements.

Strike Amendment #2 – \$300,000 - Bonds, Parks & Recreation, Government Hill Community-wide Park Plan and Improvements.

Strike Amendment #3 – \$325,000 - Bonds, Parks & Recreation, East Chester Park.

Strike Amendment #4 – \$200,000 - Bonds, Parks & Recreation, Chanshtnu Muldoon Park, Phase II.

Strike Amendment #5 – \$500,000 - Bonds, Parks & Recreation, Russian Jack Springs Park & ADA Improvements.

My reason is as follows: This action leaves \$2.3M of bonds in the 2022 Proposed Parks & Recreation capital improvement budget. My Administration continues the principle of not bonding more than we retire. Given the recent reduction to the municipal bond rating and the projected negative outlook in 2022, my Administration will work to improve the Municipality's overall financial status, available funding sources, project plans, and the impacts to the taxpayers.

Additionally, the Anchorage School Board is proposing a \$111M ASD bond package in 2022. Voter-approved bonds prior to 2015 are not anticipated to

have any State bond debt reimbursement. Both will result in increased taxes that will fall solely on Municipal property taxpayers.

Strike Amendment #6 - \$500,000 - Bonds, Public Works, Traffic Calming and Safety Improvements.

My reason is as follows: There is currently an unallocated balance of \$975,776 of voter-approved bonds for traffic calming. Additionally, we have multiple traffic calming and safety improvements already underway including:

- Beaver Place – \$175,000
- E. 6th Ave & Cherry – \$403,544
- Hartzell Rd Traffic Calming – \$100,000
- Adobe/O'Brien St Traffic Calming – \$103,000
- Radar Signs for Traffic Calming – \$132,000

4 **PROGRAM.**

5
6 In accordance with Article XIII, Section 13.02 of the Municipal Charter, the Mayor
7 is required to submit to the Assembly a “six-year program for public services, fiscal
8 policies, and capital improvements of the municipality. The program shall include
9 estimates of the effect of capital improvement projects on maintenance, operation,
10 and personnel costs.”

11
12 Like all responsible governments, the Municipality of Anchorage must provide its
13 citizens with an acceptable level of critical public services. The purpose of the Six-
14 Year Fiscal Program is to provide a financial plan for review and consideration in
15 response to services required by the public.

16
17 The Six-Year Fiscal Program includes projections from the Anchorage Economic
18 Development Corporation (AEDC) and municipal departments and encourages a
19 balanced approach towards responding to ever-changing fiscal conditions.
20 Achieving balance starts with a mindful approach and engaged activities to keep
21 the cost of local government in focus. In addition to cost containment, other fiscal
22 strategies include economic development, expenditure reductions, and revenue
23 enhancements. Key strategic policy decisions will need to be made over the next
24 six years in order to determine exactly what the appropriate balance point should
25 be.

Subject: SUMMARY OF CHANGES TO AO 2021-96, AS AMENDED, 2022 GENERAL GOVERNMENT OPERATING BUDGET FOR THE MUNICIPALITY OF ANCHORAGE, TO CONFORM TO THE EXECUTIVE ORGANIZATION ADOPTED IN AO 2021-114, AS AMENDED

This information memorandum provides a summary of changes made to AO 2021-96, As Amended, to conform to the executive organization adopted in AO 2021-114, As Amended.

In Summary

The Anchorage Assembly amended and approved AO 2021-96, adopting and appropriating funds for the 2022 General Government Operating Budget. Amendment #XX to AO 2021-96 amended sections 1 and 2, recognizing that the 2022 General Government Operating Budget would need to be revised to conform to the executive organization adopted in AO 2021-114.

The following amendments were made to AO 2021-114, pertaining to organizational changes:

- Amendment No. 1 – The Anchorage Library was restored as a department, rather than a division.
- Amendment No. 2 – Restored the Office of Equity and Justice.
- Amendment No. 3 – Restored Development Services, Planning, Maintenance & Operations, Project Management & Engineering, and Traffic Engineering as departments, rather than divisions.

The Office of Management & Budget submitted a revised copy of AO 2021-96, As Amended, conforming to the executive organization adopted in AO 2021-114, As Amended.

1 The following revisions were made to AO 2021-96, As Amended, Section 2,
2 pertaining to organizational changes:

- 3 • Development Services (page 1, line 42) is listed as a department and the
4 direct cost details for 2022 are included.
- 5 • Equity & Justice (page 2, line 3) is listed as a department and the direct cost
6 details for 2022 are included.
- 7 • Library (page 2, line 17) is listed as a department and the direct cost details
8 for 2022 are included.
- 9 • Maintenance & Operations (page 2, line 18) is listed as a department and the
10 direct cost details for 2022 are included.
- 11 • Planning (page 2, line 32) is listed as a department and the direct cost details
12 for 2022 are included.
- 13 • Project Management & Engineering (page 2, line 34) is listed as a
14 department and the direct cost details for 2022 are included.
- 15 • Traffic Engineering (page 2, line 43) is listed as a department and the direct
16 cost details for 2022 are included.

17
18 The following revision was made to AO 2021-96, As Amended, Section 12,
19 pertaining to organizational changes:

- 20 • Library (page 6, line 6) is listed as a department and the direct cost details for
21 2022 are included.

22
23 Further details can be found in AM 604-2021, under Assembly Amendments, lines
24 197 through 207. It is the Assembly Budget Analyst's position that the revisions
25 provided by OMB detailed above conform to the executive organization adopted in
26 AO 2021-114, As Amended.

27
28 AO 2021-96, As Amended includes table entries, drafted by the Administration, that
29 reflect the Administration's view of AMC 6.30.050. The Assembly does not concur
30 with the Administration's construction of AMC 6.30.050 and recognizes the 2022
31 Approved General Government Operating Budget to be the budget that gives effect
32 to all of the Assembly's actions: the budget passed and approved, as amended, by
33 the Assembly, and that incorporates each of the Assembly's veto
34 overrides. ~~[Assembly Leadership and the Administration have agreed to revisit the
35 issue at First Quarter Budget revisions, and the Administration has represented to
36 Assembly Leadership that the dispute will not have real-world effects before that
37 time.]~~
