## **Police & Fire Retirement System**

### **Purpose**

Carry out administration of retirement benefits for current and future retirees and beneficiaries of the Police & Fire Retirement System, in accordance with provisions contained in AMC 3.85 for the exclusive benefit of the members by prudently managing and investing Plan assets.

### **Description of System**

Police & Fire Retirement System is comprised of three retirement plans, all of which were created for the purpose of encouraging qualified personnel to enter and remain in the service of the Municipality of Anchorage as police officers and firefighters through the establishment of a system of retirement, disability and death benefits for members, participants and their beneficiaries. This system is intended to be a contractual relationship in accordance with the provisions of Article XII, Section 7, of the Constitution of Alaska.

The members are separated into three plans:

- Plan I for members employed on or before June 30, 1977
- Plan II for members employed on or after July 1, 1977, and before April 17, 1984
- Plan III for members employed on or after April 17, 1984 and prior to May 25, 1994

No other person is eligible to participate in the system. Re-employed or rehired members shall, at the time of employment, be required to participate in the State of Alaska Pension Plan (PERS) and are not eligible to again participate in the retirement system.

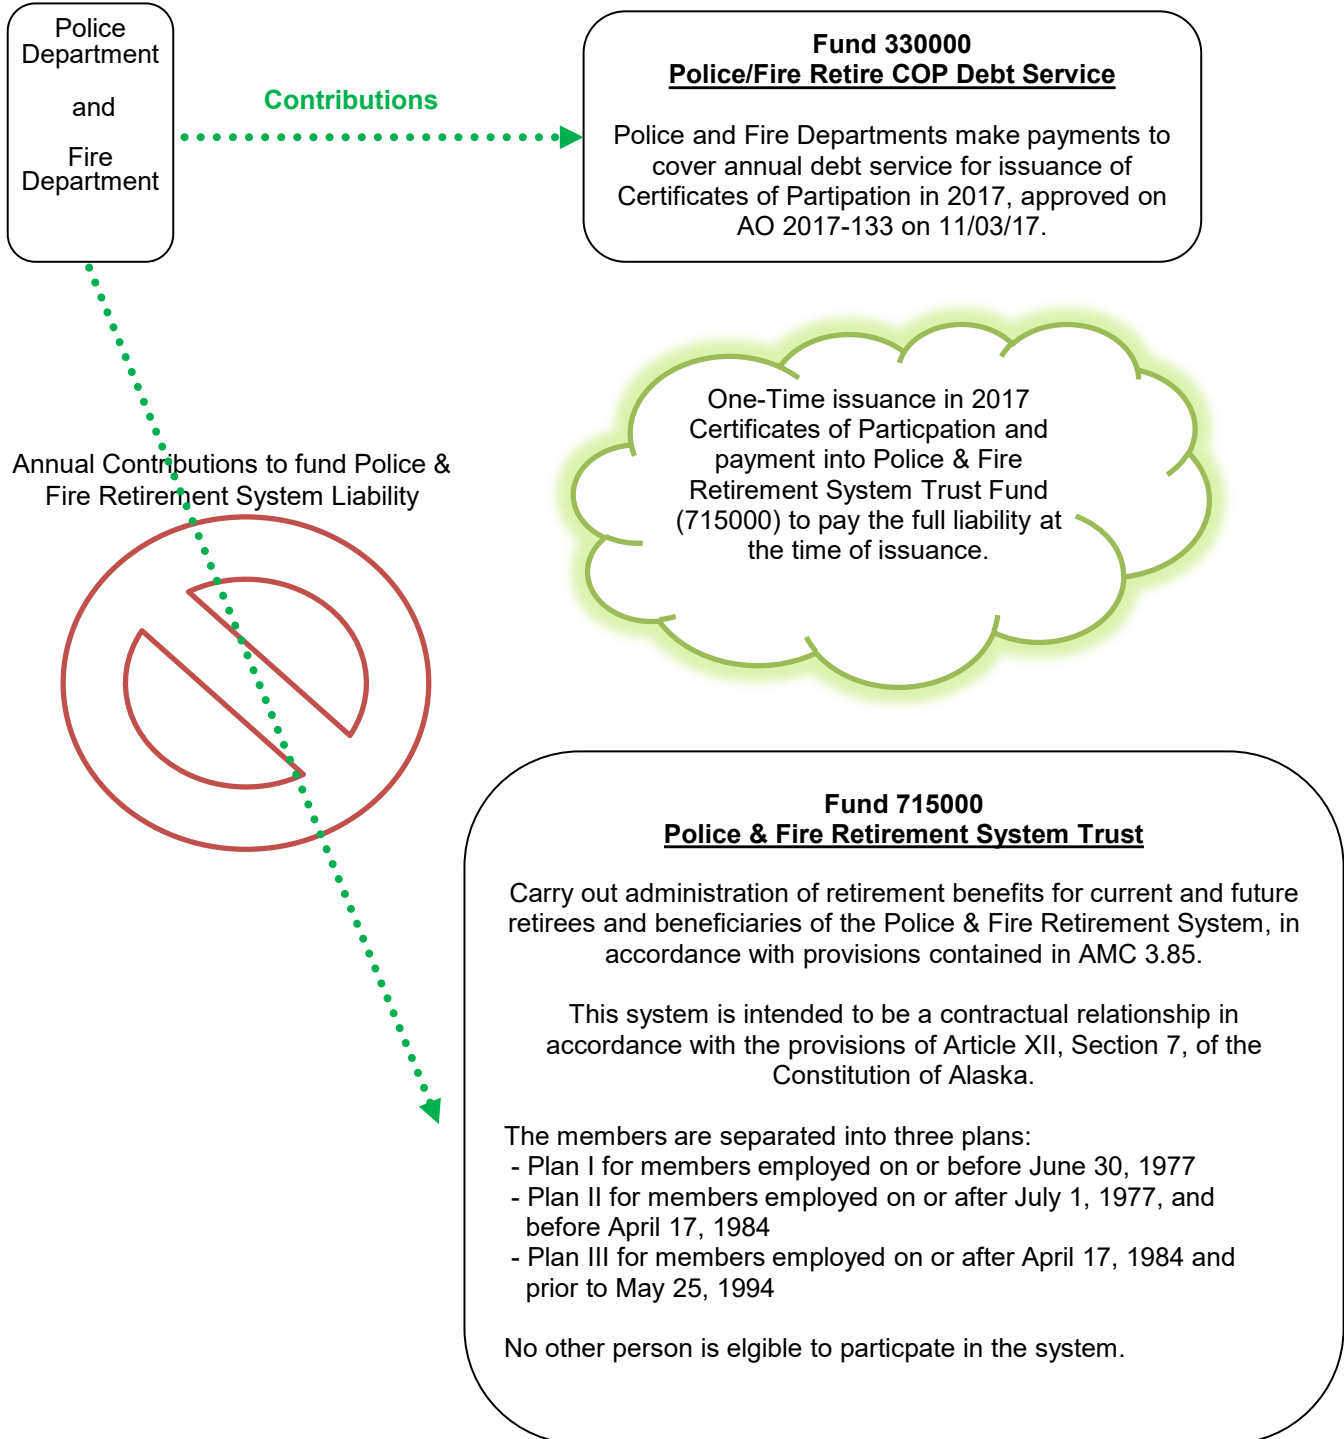

The system was set up to operate on the investment earnings of the Trust fund but, because of losses incurred due to market conditions in 2008, the Municipality has been making annual contributions from the Police and Fire departments to bring the fund back to fully funded/self-sustaining.

In 2017 the Municipality of Anchorage issued Certificates of Participation (COPS) to pay the full liability at the time of issuance to the Police & Fire Retirement Trust. The Municipal Assembly approved ordinance AO 2017-133 on November 03, 2017 accepting and approving the issuance of the COPS and incurring such debt. The Police and Fire departments now make annual contributions to the Certificates of Participation Debt Service Fund (330000).

The Trust is administered by a nine-person board of trustees.

The accounting for the Trust Fund is in 715000; management of the Trust Fund and payment of retirement benefits are reported in Contractual/Other Services but are not budgeted or appropriated. The operating budget for the administration of the System is appropriated as a section with the GGOB.
