

Mayor's Budget

The Mayor's 2023 Proposed Budget is a continuation of core services and an investment in public safety. These crucial services and operations will be delivered while staying under the tax cap by \$4.8 million.

Key items of interest in Mayor Bronson's 2023 budget:

- Investment in public safety (Police, Fire, Prosecutors)
- Core services remain intact (Police, Fire, Health, Parks & Recreation, Street Maintenance)
- Paying off more debt than is being incurred

Municipality of Anchorage Plan Moving Forward:

- Regain our AAA bond rating
- A focused effort to reduce debt
- Eliminate unnecessary and burdensome government policies, regulations, and practices
- Reducing the cost of government services to the taxpayers through the consolidation and streamlining of services.
- Lowering property taxes

2023 Continuation Budget

The Municipal operating budgets are based on a continuation budget; a continuation budget is a projection of what it would cost in the budget year (2023) to continue existing programs and services at the same level of activity as the current year (2022).

Starting with the 2022 Revised Budget of \$563,667,914, 2022 non-recurring (one-time) spending is removed from the budget. Next, costs are projected for personnel and non-labor for operating activities to continue to next year. The 2023 continuation level spending plan result is about a 3% increase compared to the 2022 Revised Budget.

The continuation spending increase of about \$16.7 million results primarily from:

- Reversal of One-Time Items from 2022 as a net \$0.2 million decrease, including, but not limited to:
 - One-time projects
 - Contribution to Anchorage Economic and Community Development (AEDC)
 - Equity & Justice settlement
 - Police & Fire Retirement Administration transfers covered with 2022 fund balance
- Debt Service – \$2.8 million increase, including, but not limited to:
 - General obligation (GO) bond debt service is expected to increase \$1.9 million according to debt schedules
 - Tax Anticipation Notes (TANs) expense is anticipated to increase \$0.8 million. Although there is a net \$0.8 million reduction in anticipated expense, note that there is also a net adjustment in anticipated revenue related to these notes so that the TANs are budgeted to be net neutral in 2023.
 - CAMA loans increase of \$0.3 million
- Salaries and Benefits – \$7.2 million increase (see Appendix C for details), including, but not limited to:
 - Full Time Equivalent (FTE) paid hours flat at 2,088 for most positions.
 - Wage increases and step progressions based on existing collective bargaining agreements (CBAs), ranging from 0% to 1.7%,

- Health benefit costs increase about \$1.2 million
- Opt-out reductions for medical and social security
- Positions budgeted to start mid-year 2022 become full year budgeted in 2023
- Contractual and commodity cost increases - \$4.0 million, including, but not limited to:
 - Emergency medical services supplies
 - Public utility and facility contracts
 - Indigent defense program
 - Safety program
 - Workers' compensation claims
 - Police ammunition, towing contract, and operating supplies
 - Paratransit service contract
- ML&P PERS payment decrease of \$0.2 million and CAMA savings of \$0.5 million
- Fuel and fleet costs increase of \$1.6 million
- Room Tax – \$2.2 million increase in line with required allocation and use of projected Room Tax revenues.
- Police & Fire Retirement – \$0.3 net decrease for retiree insurance and contributions to the Certificates of Participation (COPs) Fund that was used to pay the Police & Fire Retirement Trust Fund

Projected continuation financing source changes are next identified. Property taxes, the largest source of local funding, are established based on the projected taxing capacity for 2023, using preliminary numbers to calculate the Tax Limit including projections of non-property tax revenues based on recent economic trends. The projected property tax limit change for 2023 is an increase of \$9.6 million.

Continuation funding source changes of \$17.0 million include:

- Non-property tax revenues highlights:
 - Net increase of Ambulance Service fees from Supplemental Emergency Medical Transportation (SEMT) Medicaid reimbursement program
 - Revenue decreases related to a projected lower Permanent Fund Dividend (PFD) in 2023.
 - Investment earnings
 - Room Taxes increase
 - Non-property tax taxes increase
- Fund balance adjustments for 2022 activity were removed
- Intragovernmental Charges (IGCs) were calculated based on 2023 Proposed Budget and 2022 factors. Factors will be updated during the Revised process and IGCs will then be calculated based on the 2023 Revised Budget.

2023 Proposed Budget

The 2023 Proposed General Government Operating Budget (GGOB) is a balanced budget at \$583,645,598, an increase of \$20.0 million from the 2022 Revised Budget of \$563,667,914 and \$4.8 million under the preliminary 2023 Tax Limit.

The proposed changes from the 2023 Continuation Budget include the following:

- Operations and maintenance cost increases for voter approved assets of \$0.3 million
- Health and Safety increases of \$1.8 million, including
 - Fire Night Shift Dispatcher, Fire Inspector, and Fire Mechanic
 - Homeless Coordinator from part-time to full-time
 - Safety Program with Safety Officer

- Police information technology systems
- Operations Realignment net increases of \$0.8 million, including
 - AEDC contribution
 - Contractual increases
 - Grant administration
 - Real Estate director position
- Girdwood Board of Supervisors (GBOS) approved requested budget

2023 Approved Budget

The 2023 Approved General Government Operating Budget (GGOB) is a balanced budget at \$587,237,691, an increase of \$3.6 million from the 2023 Proposed of \$583,645,598 and \$1.2 million under the preliminary 2023 Tax Limit.

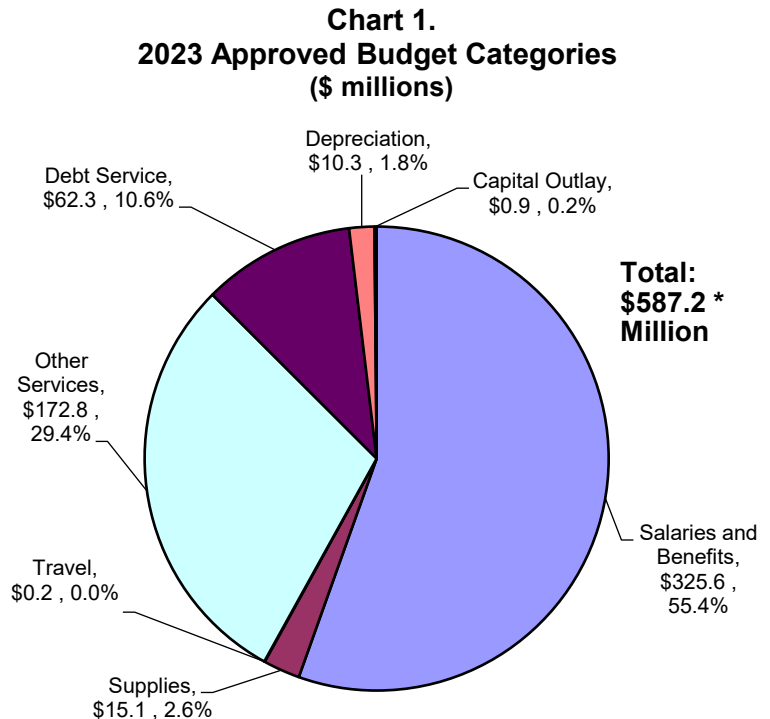

The change from 2022 Proposed is comprised of Assembly amendments and Assembly amendments that were vetoed, then the vetoes was overridden, to include:

- increase the Assembly labor and non-labor by \$1.0 million, including a new Legislative Analyst position and \$0.4 million of one-time items
- increase Fire by \$0.5 million for new Fire Dispatcher, Fire Inspector, and Fire Investigator positions
- increase to Health by \$0.2 million for labor and increase in funding for Anchorage Senior Center and reduction of \$0.8 million for homelessness offset by \$0.8 million increase of single adult shelter capacity grant to Brother Francis Shelter
- increase to Library by \$0.1 for annual grant to the Anchorage Library Foundation
- increase to Maintenance & Operations by \$1.5 million primarily for snow hauling/plowing, with \$0.5 million specifically to sidewalks
- increase to Police by \$0.3 million, as one-time partial funding to the Mobile Intensive Team (MIT)

Chart 1 reflects the main budget categories as a percent of the total 2023 Approved Budget.

Salaries and benefits, or total compensation for personnel, is the largest spending category that includes wages, wage adjustments (Performance Incentive Program (PIP) pay, education, etc.), medical benefits, retirement, social security, vacancy factor, etc.

Other Services includes non-labor discretionary and non-discretionary spending, including contracts and utilities. Transfers, including one-time expenses and transfers to programs, such as Fleet operating and capital programs and Police & Fire Retirement programs are in this category. This category also

includes management of municipal-owned facilities including convention and performing arts centers; sports and ice arenas; the Anchorage Golf Course; and the Anchorage Museum, all within the Municipal Manager department. Most of the costs for the Limited Road Service Areas (LRSA) are also included in this category in the Maintenance & Operations department.

Debt Service is primarily comprised of repayment of general obligation (GO) bond debt for capital projects and other principal and interest payments; voter approved GO debt service is included in the tax cap, and thus any related debt service increase results in the same amount of tax dollar increase. Other debt service included in this category is for Lease/Purchase Agreements that may be used for financing capital projects that are not bondable, such as software and many Information Technology projects.

The following Table 1 reflects the 2023 Approved direct cost budget of \$587,237,691 by department / agency, with debt service and depreciation presented separately:

Police	\$ 133,964	22.8%	Assembly	\$ 7,392	1.3%
Fire	\$ 105,529	18.0%	Human Resources	\$ 6,736	1.1%
Debt Service	\$ 62,322	10.6%	Traffic Engineering	\$ 5,928	1.0%
Maintenance & Operations	\$ 57,964	9.9%	Planning	\$ 3,463	0.6%
Public Transportation	\$ 28,839	4.9%	Community Development	\$ 3,219	0.5%
Municipal Manager	\$ 26,452	4.5%	Mayor	\$ 2,301	0.4%
Information Technology	\$ 22,751	3.9%	Purchasing	\$ 1,881	0.3%
Parks & Recreation	\$ 21,325	3.6%	Management & Budget	\$ 1,230	0.2%
Taxes & Reserve	\$ 16,290	2.8%	Project Management & Engineering	\$ 935	0.2%
Health	\$ 14,318	2.4%	Internal Audit	\$ 837	0.1%
Finance	\$ 13,040	2.2%	Equal Rights Commission	\$ 837	0.1%
Development Services	\$ 11,843	2.0%	Chief Fiscal Officer	\$ 577	0.1%
Depreciation	\$ 10,288	1.8%	Equity & Justice	\$ 438	0.1%
Library	\$ 9,166	1.6%	Public Works	\$ 208	0.0%
Municipal Attorney	\$ 8,599	1.5%	Building Services	\$ -	0.0%
Real Estate	\$ 8,567	1.5%	TOTAL	\$ 587,238	100.0%

Depreciation of \$10,288,409, from Information Technology assets, and primarily SAP (MOA's primary financial software), although budgeted, is not appropriated in the operating budget, since the appropriation / authority to spend for the assets being depreciated occurred either in previous GGOBs or capital requests, making the 2023 Approved budget appropriation \$576,949,282.

2023 Approved Revenue and Financing Sources Highlights

Annually, the municipality is required to have a balanced budget. Since the 2023 Approved Budget identifies \$587.2 million in spending / financing uses, it also provides \$587.2 million in revenues / financing sources.

As exhibited in Chart 2, the financing sources are comprised of \$331.1 million of property tax revenue, \$225.5 million of non-property tax revenue (other government, programmatic, investment, etc.), \$29.0 million of intra-governmental charge (IGC) revenue, and \$1.6 million of fund balance.

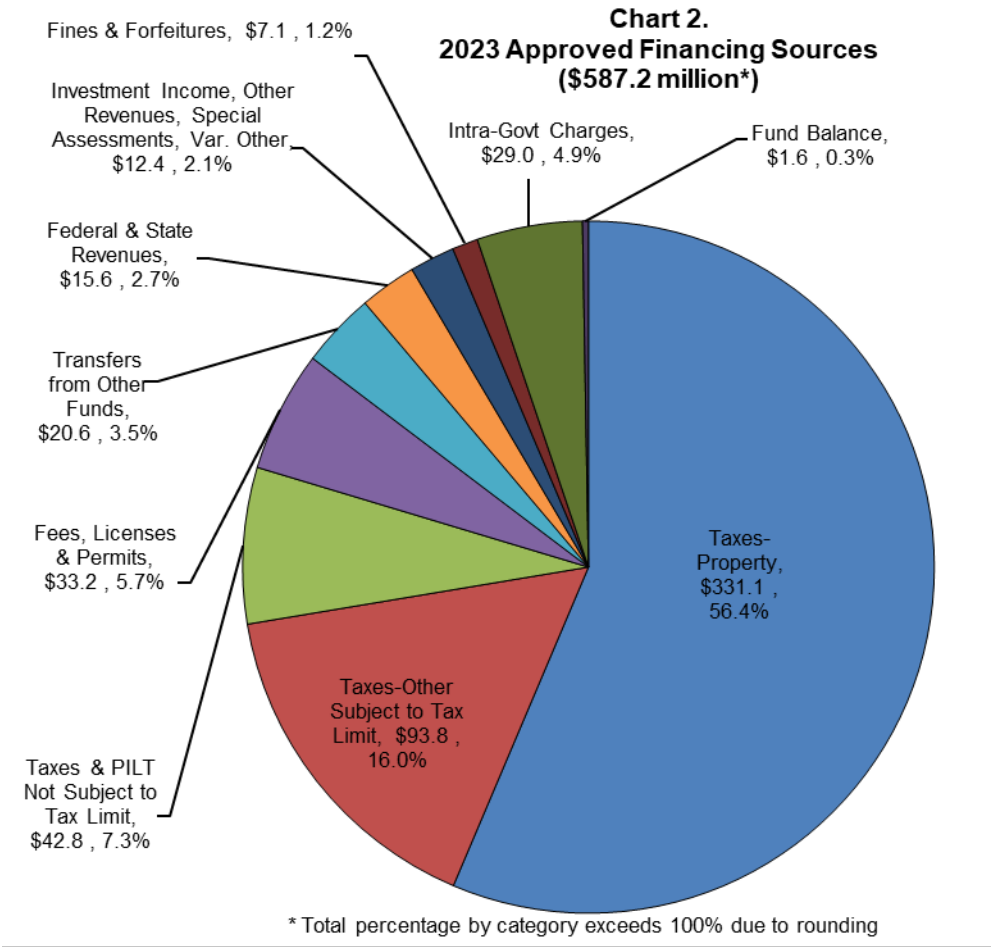

Taxes – Property – Total of \$331.1 million

The amount of taxes the Municipality collects is primarily governed by a Tax Limit (also known as the Tax Cap) that calculates two numbers important to the budget and taxpayers:

- The maximum amount of *all* taxes that can be collected; and
- The maximum amount of *property* taxes that can be collected.

The 2023 preliminary tax cap calculation uses 2022 property taxes to be collected and budgeted non-property tax taxes as the 2023 base. One-time settlements and debt service from 2022 are taken out then the remaining amount is adjusted for population and inflation, and new construction for growth is also added. Next, 2023 settlements and debt service are added, with the result being the maximum amount of all taxes that can be collected.

As shown in Table 2, the preliminary (the final limit is calculated in April) 2023 Tax Limit calculation indicates that a maximum of \$401.3 million in *all* taxes can be collected (not subject to the tax cap is another \$23.9 million of property taxes that are limited by mill levies set

	2022	2023	Difference
Maximum Amount ALL Taxes	\$ 389.1	\$ 401.3	\$ 12.2
(Less) Non-property Taxes	\$ (91.2)	\$ (93.8)	\$ (2.5)
Inclusion of Unused Capacity	\$ 1.0	\$ 1.0	\$ -
Maximum Amount PROPERTY Taxes	\$ 298.9	\$ 308.5	\$ 9.6
Property taxes to be collected	\$ 297.6	\$ 307.3	\$ 9.6
Amount "under the cap"	\$ 1.2	\$ 1.2	\$ 0.0

by service area boards, \$36.1 million of Room Taxes, and \$2.5 million of certain Payments in Lieu of Taxes. Additionally, \$15.4 million of Alcoholic Beverages Retail Sales Tax is also not subject to the tax cap and its uses are limited to voter approved purposes as outlined in Appendix R).

Then, including unused capacity of \$1.0 million, Table 2 shows that the maximum amount of *property* taxes that can be collected is \$308.5 million, which is calculated by reducing the limit on all taxes that can be collected by the non-property tax taxes and then adding general government use of tax capacity within the tax cap. Note that the core of the tax cap’s design is that when non-property tax taxes increase, property taxes that could be collected decrease by the same amount, and conversely, when non-property tax taxes decrease, property taxes that could be collected increase by the same amount – every dollar of non-property tax taxes replaces a dollar of property tax.

The following non-property tax taxes, totaling \$93.8 million, are included in the 2023 Approved Budget and are subject to the tax cap:

- \$10.4 million – Automobile tax
- \$21.5 million – Tobacco Tax
- \$6.0 million – Marijuana Sales Tax
- \$13.0 million – Motor Vehicle Rental
- \$12.7 million – Fuel Excise Tax
- \$10.2 million – Payment in Lieu of Taxes (PILT) (Utility, State, and Federal)
- \$20.0 million – Municipal Utility Service Assessments (MUSA) / Municipal Enterprise Service Assessments (MESA)

A projected net increase of \$2.5 million of these non-property tax taxes offsets a decrease in property taxes that could be collected in 2023.

The 2023 Proposed Budget was financed with \$303.7 million in property taxes and was presented to have the property tax support at \$4.8 million under the preliminary 2023 property tax limit. It was a \$6.0 million (2.0%) increase from the amount of property taxes to be collected in 2022 for general government.

The 2023 Approved Budget includes an additional \$3.6 million of property tax support and is financed with a total of \$307.3 million in property taxes and is presented to have the property tax support at \$1.2 million under the preliminary 2023 property tax limit. It is a \$9.6 million (3.2%) increase from the amount of property taxes to be collected in 2022 for general government.

The total property taxes supporting the 2023 Approved Budget, inclusive of service areas (\$23.9 million, an increase of \$0.9 million from 2022), is \$331.1 million.

Table 3 illustrates the property tax impact per \$100,000 of property value, with 2023 based on the current assessed value and average mill rate. The average property tax bill is projected to increase 1.2% from 2022 due to the property taxes to be collected to support the 2023 Approved Budget being up 3.2% and the

Table 3.				
Property Tax Impact Per \$100,000 Assessed Value				
			Y/Y Change	
	2022	2023 (rounded)		
2023 Proposed Budget	\$ 885	\$ 886	\$	1
Difference	\$ -	\$ 10	\$	10
2023 Approved Budget	\$ 885	\$ 895	\$	11

(Excludes Anchorage School District)

preliminary assessed value also going up 2.0% from the amounts for 2022. These amounts will be updated in the spring during the Revised budget process to include most recent millage and property values.

Non-Property Tax Revenue – Total of \$225.5 million

In 2023 there is a projected \$17.0 million overall increase from 2022 in the revenue categories that include:

- Taxes – Non-Property: Taxes – Other/PILT in Tax Limit Calculation; Taxes – Other/PILT outside Tax Limit Calculation; Payments in Lieu of Taxes (PILT)
- Transfers from Other Funds
- Federal Revenues; State Revenues
- Fees & Charges for Services; Licenses, Permits, Certifications
- Fines & Forfeitures
- Investment Income; Other Revenues; Special Assessments

Some of the 2023 Approved Budget revenues are based on projected 2022 activity and variables that may change by the end of the year due to varying local and global factors. Some of these factors, along with other variables, were taken into consideration when developing the 2023 revenue budgets. These factors and other unknowns may carry forward to 2023; as part of the annual budget process, the revenues will be reevaluated and updated during 2023 first quarter budget revisions.

Taxes – Non-Property – Increase of \$9.6 million

This category includes non-property taxes and penalties and interest related to non-payment of taxes. Payments in lieu of taxes (PILTs) made by municipal utilities, municipal enterprises, and private companies instead of taxes to the local, state, and federal governments are also included in this category. Non-property taxes that are subject to the Tax Limit will offset property taxes dollar-for-dollar. Representative examples of changes in this category include:

Property Tax Exemption Recoveries (not subject to Tax Limit) – The 2020 budget included funding for three new positions to review property tax exemptions with the main goal of the review to provide increased compliance and equity within the Municipality.

In 2020, the exemption review effort was budgeted to generate approximately \$1.4 million in recovered taxable value from non-qualified exemption applicants spanning tax years 2015-2019. However, the COVID-19 pandemic impacted the exemption review effort. The biggest impact was that potential recoveries were identified but not pursued until late in the year with approximately \$0.3 million recovered. The efforts continued and resulted in an estimated \$1.6 million recovery in 2021.

For 2022, there is \$0.7 million budgeted, and the review efforts have recovered approximately \$0.5 million to date.

The exemption review effort is proposed to continue into 2023 with a projected recovery of \$0.7 million from prior tax years, assuming staffing vacancies won't significantly impact the review process.

Room Tax (not subject to Tax Limit) – The 2023 budget is anticipated to be \$36.1 million, which is \$6.5 million higher than the 2022 budget of \$29.6 million.

2022 Room Tax revenues are being driven by extraordinarily high pricing by large hotel chains, coupled with pent-up demand from recreational travelers and may come in slightly more than a 25% increase over 2021 year-end actual. For 2023, demand is assumed to be strong with pricing in the extraordinary range and business and convention-oriented travel may show further recovery in 2023 coming off COVID.

Payment in Lieu of Tax Private (not subject to Tax Limit) – The 2023 budget is anticipated to be in line with the 2022 actuals of \$2.5 million, which is \$0.5 million higher than the 2022 budget of \$2.0 million.

Auto Tax (subject to Tax Limit) – The 2023 budget is anticipated to be \$10.4 million, which is \$0.2 million lower than the 2022 budget of \$10.6 million. Several factors increase the likelihood of downward pressure on this revenue source including increase in average age of vehicles, recession concerns encouraging used car purchases, significant increases in prices of new vehicles, and continued increase in senior citizen population entitled to applying for a 1-vehicle exemption from the Motor Vehicle Registration Tax (MVRT).

Tobacco Tax (subject to Tax Limit) – The 2023 budget is \$21.5 million, a \$0.8 million increase to 2022. The increase expected from annual CPI adjustment and increased revenue contribution from Other Tobacco Products (OTP) offset by the small incremental decline in consumption that is assumed to continue year over year.

Motor Vehicle Rental Tax (subject to Tax Limit) – The 2023 budget is anticipated to be \$13.0 million, which is \$4.7 million higher than the 2022 budget of \$8.3 million. Rental vehicle tax revenues are being driven by shortages in the supply of vehicles and extraordinarily high pricing by large rental car franchises. This tax is also boosted by new, ongoing tax payments from online hosting platforms such as Turo, RVShare and Outdoorsy, coupled with pent-up demand from recreational travelers. Demand in 2023 is assumed to be strong and pricing is assumed to continue to mostly hold within an extraordinary range.

Fuel Excise Tax (subject to Tax Limit) – The 2023 budget is anticipated to be \$12.7 million, which is \$0.6 million lower than the 2022 budget of \$13.3 million. This projection assumes \$0.01 increase per gallon in accordance with AMC 12.55 CPI adjustment scheduled to occur every 5 years, which would take effect on January 1, 2023. The increase to the excise tax rate is offset by assumed decline in consumption tied to historically extraordinary gas price levels and concerns around potential recession.

Payment in Lieu of Tax, Utility (subject to Tax Limit) – The 2023 budget is anticipated to be \$9.3 million, which is \$1.3 million lower than the 2022 budget of \$10.6 million and is in line with the payment in lieu of taxes (PILT) received from Chugach Electric Association, Inc. in 2022.

MUSA/MESA (subject to Tax Limit) – The net 2023 budget for the Anchorage Water & Wastewater Utility (AWWU), Solid Waste Services (SWS), Merrill Field, and Port municipal utility service assessments (MUSA) / municipal enterprise service assessments (MESA) is anticipated to be \$19.3 million, which is \$0.8 million lower than the 2022 budget of \$20.1 million. The MESA from the Anchorage Community Development Authority (ACDA) is anticipated to be \$0.7 million in 2023, relatively flat from 2022. MUSA/MESA are calculated by applying the respective service area millage rate to the determined value of the entity's net plant (AWWU, SWS); adjusted plant (Merrill Field, Port); and net book value (ACDA). The projected decrease for 2023 is primarily due to the utilities' projecting slight mill rate decreases against net book values.

Transfers from Other Funds – Flat from 2022

Transfers from Other Funds includes contractual transfers related to Room Tax, transfers from MOA's Trust Fund (created with the proceeds from the sales of the Anchorage Telephone Utility (ATU) and Municipal Light & Power (ML&P)), and utility revenue distributions (dividends from municipal utility and enterprise departments).

Transfers from Other Funds – The 2023 budget is \$1.2 million, an increase of \$0.2 million from the 2022 budget of \$1.0 million. This increase is due to the contractual transfer increase to the Convention Center in line with the anticipated increase in Room Tax.

Transfer from MOA Trust Fund – The MOA Trust Transfer (AMC 6.50.060) is an annual dividend based on a set percentage of the average asset balance of the projected overall pooled trust's portfolio value. The 2023 dividend is anticipated to be \$16.5 million, which is \$0.6 million less than the 2022 budget of \$17.1 million. The decrease is recommended to align with updated dividend projection calculation for 2023 per AMC formula at 4.00% payout rate.

Utility Revenue Distribution – Per AMC 26.10.065, a portion of a utility net income may be pledged to the general government. The 2023 budget of \$2.9 million is an increase of \$0.5 million from the 2022 budget of \$2.4 million. The \$2.9 million 2023 budget includes:

- \$0.3 from Anchorage Hydropower (flat from 2022)
- \$0.8 from Anchorage Water Utility (increase of \$0.5 million from 2022)
- \$0.3 million from Solid Waste Services – Refuse Collection (flat from 2022)
- \$0.8 million from Solid Waste Services – Disposal (flat from 2022)
- \$0.7 million from Port of Alaska (flat from 2022)

Federal Revenues; State Revenues – Increase of \$10.5 million

This category includes revenue received by general government from federal and state governments.

Federal Revenues

SEMT Program – The Supplemental Emergency Medical Transportation (SEMT) Medicaid reimbursement program was budgeted with the Ambulance Service Fees, in the Fees & Charges for Services, in 2023 Proposed but is presented as a separate, federal revenue in 2023 Approved. An increase of \$6.3 million is projected from the 2022 budget of \$4.2 million to a budget of \$10.5 million in 2023. Supplemental federal dollars for Medicaid transports are now available through the SEMT Program implemented by the State of Alaska, AS 47.07.085; information on the program can be found at: [Supplemental Emergency Medical Transport \(SEMT\) Program \(alaska.gov\)](https://alaska.gov/Supplemental-Emergency-Medical-Transport-(SEMT)-Program).

State Revenues

Municipal Assistance – A total of \$1.7 million is included in the 2023 Approved budget from the State of Alaska (SOA) Community Assistance Program (CAP), which is flat from the amount budgeted in 2022.

Fees & Charges for Services; Licenses, Permits, Certifications – Decrease of \$4.3 million

This category includes fees paid for services, such as land use permits and bus fares. Changes projected in 2023 include, but are not limited to:

Fees & Charges for Services

Ambulance Service Fees – The SEMT Program revenue was budgeted with the Ambulance Service Fees in 2023 Proposed but is presented as a separate, federal revenue in 2023 Approved, resulting in a decrease \$4.2 million in 2023 in Ambulance Service Fees. Without the SEMT Program revenues, the Ambulance Service Fees budget is flat in 2023 at \$9.1 million because the ambulance transport volume is expected to be flat from 2022 to 2023.

Reimbursed Cost-Non Grant Funded – The 2023 budget is a decrease of \$0.1 million from \$2.8 million in 2022 to \$2.7 million in 2023. This revenue includes PFD garnishments for criminal defense fees and the projected revenue decrease is related to a projected lower PFD in 2023.

Licenses, Permits, Certifications – The \$0.2 million of net increases in this category is primarily a combination of: a \$0.1 million increase for Building Permit Plan Review Fees and a \$0.1 million increase for Small Cell Site License Annual Fees.

Fines & Forfeitures – Decrease of \$1.6 million

SOA Traffic Court Fines, SOA Trial Court Fines, – The 2023 budget is anticipated to be \$4.3 million, which is \$1.6 million lower than the 2022 budget of \$5.9 million. This revenue includes PFD garnishments and the projected revenue decrease is related to a projected lower PFD in 2023.

Investment Income; Other Revenues; Special Assessments; Various Other Financial Sources – Increase of \$2.8 million

GCP Cash Pool Short Term Investment Income – General Cash Pools (GCP) Short-Term Interest is projected to be \$0.8 million higher in 2023, with a budget of \$1.1 million, based on projected cash pool balances and interest rates.

TANs Interest Earnings – Tax Anticipation Notes (TANs) are short term notes issued by the MOA for the purpose of raising funds to pay ongoing operating expenses. They are issued in anticipation of receiving property taxes and other revenues scheduled to be collected during the year and are expected to be offset by the cost of issuance. There is a \$2.3 million increase in anticipated revenue, bringing the 2023 revenue budget to \$2.7 million.

Other Short-Term Interest – The 2023 budget is anticipated to be \$0.4 million, which is \$0.2 million higher than the 2023 budget of \$0.2 million, primarily for interfund loans.

Criminal Rule 8 Collect Costs – The 2023 budget is a decrease of \$0.1 million from \$0.5 million in 2022 to \$0.4 million in 2023. This revenue is tied to the PFD and the projected revenue decrease is related to a projected lower PFD in 2023.

Premium on Bond Sales – The 2023 budget is a decrease of \$0.4 million from \$0.9 million in 2022 to \$0.5 million in 2023.

Intra-Governmental Charges (IGCs) – Total of \$29.0 million

IGCs are charges for services provided by one municipal organization to another. For example, the Maintenance & Operations department maintains all general government

buildings. Maintenance costs are budgeted as direct costs in the Maintenance & Operations department and “charged out” through IGCs to the users. By using an intra-governmental charge system, the full cost of a program—including overhead—is linked to the program’s budget. The costs of workers compensation and general liability are charged to the departments and agencies as IGCs. This system also allows departments and agencies to charge municipal utilities/enterprise, grants, capital projects, and other special revenue funds for services while presenting.

In 2023, IGCs are anticipated to generate \$29.0 million in funding source “revenue” which is \$0.9 million more than 2022 which is reflective of the changes in the 2023 budget. As part of the annual budget process, IGC factors will be updated during 2023 first quarter budget revisions.

Fund Balance – Total of \$1.6 million

Fund balance is generally defined as the difference between a fund’s assets and liabilities. This category of financing sources includes unspent funds at year-end in governmental operating funds. These balances then may be used to help pay for the following year’s budget, reducing the amount of financing from other sources that otherwise would be required to support the spending within the respective fund. Fund balance is considered a one-time funding source and thus, is typically used for one-time financing uses.

As part of the annual budget process, fund balance will be reviewed during first quarter budget revisions to ensure that the funds remain in compliance with the Municipal fund balance reserve policies.

Although there was \$6.4 million of fund balance budgeted to support the 2022 Revised budget, the 2023 Proposed budget does not include any fund balance to support the 5 Major Funds (Areawide (101000), Anchorage Fire (131000), Anchorage Roads & Drainage (141000), Anchorage Police (151000), and Anchorage Parks & Recreation (161000)).

Several programs generate revenue that is placed in self-sustaining funds to pay operating costs. For example, the Anchorage Building Safety Service Area Fund (163000) receives revenue from construction-related permits; Heritage Land Bank Fund (221000) receives revenue from the sale of Municipal property; and the Dena’ina Center receives Room Tax revenue to pay its debt service. A net of \$1.6 million of fund balance in these funds is projected to be used (decreased) based on the 2023 Proposed Budget and is comprised as follows:

- \$2.7 million use – Anchorage Building Safety Service Area Fund (163000)
- \$0.3 million generation – Public Finance and Investment Fund (164000) – this is based on anticipated Public Finance Investment Management Fee revenue being higher than anticipated 2023 costs and may be used in following years if such revenues are lower than costs
- \$5.1 million generation – Convention Center Operating Reserve Fund (2020X0) to be used only for convention center costs with increase related to projected increase in Room Tax
- \$0.9 million generation – Heritage Land Bank Fund (221000)
- \$1.1 million use – Self-Insurance Fund (602000)
- \$4.1 million use – Management Information Systems Fund (607000)

Anchorage Building Safety Service Area Fund (163000), Self-Insurance Fund (602000), and Management Information Systems Fund (607000) show use (decreases) in fund balances.

- Fund balance use in the Anchorage Building Safety Service Area Fund (163000) may require a policy decision if the permit revenue continues to be less than the cost of the programs it is meant to support. This fund has been running at a deficit for many years.
- Self-Insurance Fund (602000) is an internal service fund used to accumulate workers' compensation and general liability services and claims costs and allocate those costs based on an annualized reimbursement formula that establishes a recovery rate for each municipal department and agency. The recovery rate is applied as a percentage of payroll during each payroll run. As part of the annual budget process, the IGCs may be updated during first quarter budget revisions to reimburse this fund without the use of fund balance and, where allowable, settlements may be recovered in the Tax Cap.
- Management Information Systems Fund (607000) is an internal service fund used to accumulate and allocate costs for Information Technology services to other municipal departments and agencies on a cost-reimbursement basis. In addition to ongoing operating costs, this fund recovers, usually based on depreciation, the costs of Information Technology capital projects that were funded with Lease/Purchase Agreements, thus it will continue to run at a deficit until the debt funded projects are fully depreciated. As part of the annual budget process, the IGCs may be updated during first quarter budget revisions to reimburse this fund without the use of fund balance.

Tax Limit Calculation

This summary shows budgeted staffing levels at end of year. Reports included in department sections of budget books (Department Summary and Division Summary) show staffing levels at beginning of year. Notable position changes are listed below and included in department reconciliations (FT: Full-time position; PT: part-time position; Seas: seasonal position):

2023 Continuation Adjustments from 2022 Revised

- Municipal Manager - Add one (1) FT Planning Section Chief funded as 50% grant funded, funded by taking FT Program & Policy Director to 50% grant funded; and change one (1) Special Administrative Assistant II from PT to FT and 50% grant funded
- Parks & Recreation - Alignment of positions to plan, resulting in net increase of two (2) FT and reduction of seven (7) seasonal positions

2023 Proposed

- Building Services - Reduce one (1) FT Director of Building Services
- Development Services - Transfer two (2) FT Engineering Technician III to bond funding
- Equity & Justice - Transfer one (1) FT Equity & Justice Officer from Alcohol Tax fund
- Fire - Add one (1) FT Night Shift Dispatcher; one (1) FT Fire Inspector; and one (1) FT Fire Mechanic
- Health - Increase Homeless Coordinator from one (1) PT to one (1) FT
- Municipal Attorney - Add one (1) FT Municipal Attorney
- Municipal Manager - Add one (1) FT Special Administrative Assistant II to Safety
- Planning - Transfer one (1) FT Engineering Tech IV to Traffic Engineering
- Public Transportation - Add one (1) FT Grant Accountant as grant funded
- Real Estate - Add one (1) FT Director funded with 50% Real Estate and 50% Heritage Land Bank
- Traffic Engineering - Transfer one (1) FT Engineering Tech IV from Planning

2023 Assembly Amendments

- Assembly - Add one (1) new Legislative Analyst
- Fire - Add one (1) new Fire Dispatcher, one (1) new Fire Inspector, and one (1) new Fire Investigator
