Average Mill Rate

The average tax rate (mill levy) computed by:

\[
\frac{\text{Total Property}}{\text{Total Areawide}} \times 1,000 = \text{Average Mill Rate}
\]

Tax Required \div Assessed Valuation

AWWU

Anchorage Water & Wastewater Utility

BABs

Build America Bonds are taxable municipal bonds that carry special tax credits and federal subsidies for either the bond issuer or the bond holder. Build America Bonds were created under Section 1531 of Title I of the American Recovery and Reinvestment Act (ARRA) in 2009. This program expired December 31, 2010.

BAC

Budget Advisory Commission

Balanced Budget

A budget in which sufficient revenues are available to fund anticipated expenditures.

Bonds

A financial instrument, similar to a loan, by which the Municipality borrows money for a specified purpose that it then repays plus interest over time.

Bond Rating

An indicator of the credit worthiness of the Municipality (the same as credit ratings for individuals). Ratings are assigned by credit rating agencies such as Moody’s Standard & Poor’s (S&P), and Fitch Ratings at the time the Municipality will be issuing (selling) a bond. A high rating indicates a high-quality bond, which means lower interest rates that the Municipality will have to pay. The Municipality has earned high ratings: AA Stable from S&P; AA+ Stable from Fitch.

Budget

A document that lays out a plan for financial operation for the Municipality based on estimates of proposed expenditures and revenue for the upcoming fiscal year. It also is a controlling document by setting the upper limit for the amount that can be spent by a department.

CAMA

Computer Assisted Mass Appraisal (CAMA) is a software package used by government agencies to help establish real estate appraisals for property tax calculations.

CARES

Coronavirus Aid, Relief, and Economic Security (CARES) Act, also known as the CARES Act, is a $2.2 trillion economic stimulus bill passed by the 116th U.S. Congress and signed into law by President Donald Trump on March 27, 2020, in response to the economic fallout of the COVID-19 pandemic in the United States.

Capital Expenditures

Activities that maintain or improve a city asset, often referred to as infrastructure—from buildings, to park trails, to roads. These activities can be new construction, expansion, renovation, or replacement of existing infrastructure. Capital expenditures can include the cost of land, engineering, architectural planning, and contractual services required to complete the project.
Capital Improvement Budget (CIB)  A plan for capital expenditures and the means to finance them. Capital projects are improvements to the Municipality’s assets—from buildings to parks to streets to drainage. The CIB is a one-year plan (compared to the six-year CIP). Funding for capital projects primarily comes from State of Alaska grants and voter-approved local. The CIB is submitted to the Assembly for its approval.

BPD  Barrels Per Day

CAP  Community Assistance Program

Capital Improvement Program (CIP)  A longer-range plan for capital improvement projects and proposed sources of funding for the next six years.

CBA  Collective Bargaining Agreements

CEA  Chugach Electric Association

CFO  Chief Fiscal Officer

Charter  The governing document that created the Municipality of Anchorage as a home rule government. The charter was adopted in 1975 and may be amended only by a majority of those voting on the approved amendment.

CHAT  Crisis Health Action Team

Code  Local laws by which the Municipal Charter is interpreted and implemented. The code is approved by the Assembly and may also be revised by an ordinance. Passage of a code or code change requires approval by at least six (out of eleven members) of the Assembly.

Component Unit  Legally separate organizations for which the elected officials of a primary government are financially accountable.

Continuation Level  Projection of what it would cost in the budget year to continue existing programs and services at the same level of activity.

COPs  Police & Fire Retiree Certificates of Participation

CPI  Consumer Price Index (CPI) measures changes in the price level of consumer goods and services purchased by households over time.

CWIP  Construction work in progress (CWIP)

Debt Service  Principal and interest payments on debt incurred (bonds sold) by the Municipality.

Deficit  An excess of expenditure or liabilities over income or assets in a given period.
Depreciation
A reduction in the value of an asset with the passage of time, due in particular to wear and tear.

Direct Costs
Salaries and other personnel expenses, supplies, contracts and other purchased services, debt service, machinery and other capital expenses (basically a department’s operating budget).

EIA
Energy Information Agency

Employee Benefits
The cost for contribution to employee retirement, social security, health, and workers’ compensation programs.

EMS
Emergency Medical Services

Endowment Fund
An investment made by or on the behalf of a foundation that uses the earnings from the investment to fund its operations.

Enterprise Activities
An enterprise charges external users for goods or services they receive. The Municipality has three enterprises: Merrill Field, the Port of Anchorage, and Solid Waste Services. Budgets for these organizations are not included in General Government’s operating budget; they are budgeted separately.

ERP
Enterprise resource planning (ERP) is an integrated software application to facilitate the flow of information between all business functions inside the boundaries of the organization and manage the connections to outside stakeholders.

Expense
General government expenses include salaries, wages, supplies, contracts, debt service, and purchases of machinery and equipment.

FASB
Financial Accounting Standards Board (FASB)

Federal Revenue
This is a category of revenue that helps pay for government services. The Municipality only gets about $1 million each year, which is about 0.2 percent of revenue. This amount does not include Federal funds received as a grant for a specific program or service.

FEMA
Federal Emergency Management Agency

FERC
Federal Energy Regulatory Commission

Fiduciary Funds
Used in governmental accounting to account for assets held in trust for others.

Fees
A charge to cover the cost of a service (i.e., building inspection fee, zoning fee, etc.)

First Quarter Budget
A process in April of each year during which the current year spending and revenues are finalized. Based on these final numbers, mill levies are calculated upon which property tax bills are based.
Fiscal Year
An accounting term for the budget year. The fiscal year of the Municipality is January through December 31.

FTE
Full Time Equivalent (FTE) is a metric used to show how labor hours equate to full-time employees for the budget year. For the Municipality, a typical full-time position is 40 hours per workweek, every week of the year, and would be considered 1 FTE.

Function Cost
The appropriation level for funds (or service areas). Function cost is calculated as follows:

\[
\text{Function Cost} = \text{Direct} + \text{Intragovernmental Charges from Others} - \text{Intragovernmental Charges to Others}
\]

The function cost of a particular fund is the sum of the function costs of all budget units assigned to the fund. The Assembly appropriates a fund’s function costs for the fiscal year.

Fund
An accounting entity designed to separately track the expenses and revenues of a particular program or service. Funds are classified according to type: general, enterprise, debt service, etc. The expenses and revenues are accounted for according to generally accepted accounting principles. Each service area established in the Municipality is assigned a unique fund number and name.

Fund Balance
The unused balance of governmental funds, which includes certain set asides of funds established for certain purposes (see Reserves)

GAAP
Generally Accepted Accounting Principles (GAAP) refer to a common set of accounting principles, standards, and procedures issued by the Financial Accounting Standards Board (FASB).

GASB
Governmental Accounting Standards Board (GASB)

GCP
General Cash Pools

GGOB
General Government Operating Budget (GGOB)

General Obligation Bonds
A municipal bond backed by the credit and taxing power of the issuing jurisdiction. Voter approval is required to incur this debt. General Obligation (GO) bonds appear on a general election ballot and require approval by a majority of those voting in that service area. The debt is repaid over time by property taxpayers in that service area.

GIS
Geographic Information Systems (GIS) Services supports all municipal departments by providing geographic data, data management, products, and services.

GFOA
Government Finance Officers Association (GFOA) is a professional association of state and local finance officers in the US and Canada
whose members are dedicated to the sound management of government financial resources.

MCT  Mobile Crisis Team

MESA  Municipally owned enterprises (Port, Merrill Field, Solid Waste Services) do not pay property taxes. Municipal Enterprise Service Assessment (MESA) is a payment similar to a property tax that is assessed on these entities.

Mill Levy or Rate  A rate of tax to be assessed on all taxable property. Rates are expressed in terms of $1 of tax per $1,000 of assessed value. Mill Levy is computed as follows:

\[
\text{Mill Levy} = \left(\frac{\text{Property Tax Required in a Service Area}}{\text{Total Assessed Value of Taxable Property in the Service Area}}\right) \times 1,000
\]

MOA  Municipality of Anchorage

MUSA  Municipally owned utility (AWWU) does not pay property taxes. Municipal Utility Service Assessment (MUSA) is a payment similar to a property tax that is assessed on these entities.

NENA  National Emergency Number Association

Net Program Cost  The amount required to support a program that is not completely funded by revenues earned by the program. Net program cost must be funded by allocated revenues or property taxes. It is computed as follows:

\[
\text{Net Program Cost} = \text{Direct Cost} + \text{Intragovernmental Charges from} - \text{Intragovernmental Charges to} - \text{Program Revenues}
\]

NFIP  National Flood Insurance Program

NPR-A  National Petroleum Reserve-Alaska

MUSA  Municipally owned utility (AWWU) does not pay property taxes.

Non-Major Fund  Funds whose revenues, expenditures/expenses, assets, or liabilities (excluding extraordinary items) are not at least 10 percent of corresponding totals for all governmental or enterprise funds and at least 5 percent of the aggregate amount for all governmental and enterprise funds.

Non-Property Taxes  A category of revenue that helps pay for city services. It consists of all taxes other than property taxes: automobile registration, aircraft registration, room, and motor vehicle rental.

OMB  Office of Management & Budget
Ombudsman
The Office of the Ombudsman is a non-partisan, neutral, fact-finding agency that ensures the municipality actions are fair and reasonable.

OnBase
Internal assembly document tracking system.

OPEC
Organization of Petroleum Exporting Countries

Operating Budget
The funding allotted to departments to pay for the day-to-day operations of municipal services. This does not include funding for capital projects.

OTP
Other Tobacco Products

PFD
Permanent Fund Dividend

Performance Measures
Measures that can be consistently used to analyze and improve service. They must be meaningful to both program managers and citizens, useful, and sustainable.

Permanent Fund
One of the five governmental fund types established by GAAP. It is classified as a restricted true endowment fund for governments and non-profit organizations.

PERS
Public Employee Retirement System (PERS) for Alaskan state and local governments.

PILT
Payment-in-Lieu-of Taxes

PIP
Performance Incentive Program

POA
Port of Alaska

Program Revenue or Program-Generated Revenue
Revenues earned by a program, including fees for service, license and permit fees, and fines.

Property Tax
Total amount of revenue to be raised by levying taxes on real and personal property. Property tax is computed as follows:

Net Program Costs for all Budget - Allocated Revenues Assigned to the Fund and Fund Balance = Property Tax Required for the Fund to Meet the Budget

Proposed Budget
The budget for the upcoming year submitted by the mayor to the Assembly for its consideration, amendment, and approval. The Assembly conducts two public hearings on the proposed budget at which the public can testify. The mayor is required to submit the proposed budget by October 1 of each year for the fiscal year that starts on January 1.
Proprietary Fund  A fund used in governmental accounting to account for activities that involve business-like interactions, either within the government or outside of it. These activities are similar to what would be found in the private sector, so the reporting resembles what would be used by a private business.

PVRs  “Anchorage: Performance. Value. Results.” Initiative is a framework designed to communicate to citizens the services currently being delivered and the results being achieved. This strategic framework aligns program purposes with key services and measures by which citizens and decision makers can evaluate program results.

Revenues  Various sources of money that pay for expenditures approved in the budget. Major categories of revenue are: federal; state; property and non-property taxes; interest earnings; and program-generated revenues (fees and fines).

Reserves  Amounts of revenue set aside for a specific purpose. One major reserve protects the Municipality’s high bond rating. About $26 million (8.25% of revenue) is set aside to assure those that purchase a bond will get repaid. This assurance results in the Municipality paying a lower interest rate. Another $6 to $9 million (1 to 3% of revenue) is set aside in a second reserve for emergencies.

Revised Budget  The budget approved in April by the Assembly after first quarter budget amendments.

Resources  The personnel and financial requirements of each program. Personnel resources are stated in terms of full time, part-time and temporary positions. Financial resources are stated in terms of five major expense categories (personal services, supplies, other services, debt services and capital outlay).

RevPAR  Revenue Per Available Room

RFP  Request for Proposal

SAFER  Staffing for adequate fire and emergency response grant program was created to provide funding directly to fire departments in order to help increase the number of trained, “front line” firefighters available in communities. The goal of SAFER is to enhance the local fire departments’ abilities to comply with staffing and operational standards established by the National Fire Protection Association (NFPA) and Occupational Safety Health Administration (OSHA).

SAP  “System Applications & Products in Data Processing” is a software company known for its enterprise resource planning (SAP ERP) applications and is the software that the Municipality uses, as of 2017, for the majority of its financial processing.

SEMT  Supplemental Emergency Medical Transportation
Service Area

A legal entity that funds particular governmental services. Service areas are created, altered or abolished only with the approval of a majority of those voting on the question within the affected area. Services in a specific service area are paid for from taxes on property within that area (after all other available revenue is put toward the cost of that service). Areawide services (i.e., education, emergency services) are provided to, and paid for by, taxpayers throughout the Municipality. Other services are limited to smaller geographic areas. Examples of service areas are:

- Chugiak Fire Service Area
- Anchorage Metropolitan Police Service Area
- Anchorage Roads and Drainage Service Area (ARDSA)
- Girdwood Valley Service Area
- Glen Alps Limited Road Service Area (LRSA)

SEE

Summary of Economic Effects

SOA

State of Alaska

SRO

School Resource Officer

State Revenue

A category of revenue that comes from the State of Alaska that helps pay for the operating budget. The primary program is a form of revenue sharing that provide general assistance to support municipal programs (it doesn’t have a specified purpose). The Municipality also receives grants from the state that are for specified programs.

SWS

Solid Waste Services

TANS

Tax Anticipation Notes - A short term debt security issued by a state or local government to finance current operations or immediate projects that will be repaid with future tax collections. The duration of a tax anticipation note is typically one year or less.

TAPS

Trans-Alaska Pipeline System

Tax Limitation or Tax Cap

A charter amendment passed by the voters of Anchorage in October 1983 that sets an upper limit on the amount of taxes the Municipality amount levied in the previous year, increased by the five-year average rate of inflation and population growth. Exceptions to the limit are taxes allowed for payment of debt service, voter approved services, and judgments against the Municipality.

Taxes

Compulsory charges levied by a government for the purpose of financing services performed for the common benefit. Taxes levied in Anchorage are approved by the Assembly.

Tax Requirement

The amount of property tax allowed and necessary to fund the budget.

Tax-supported

A term used to indicate programs or funds that require as a source of revenue. Programs or funds that are not tax-supported earn sufficient
program revenues, allocated revenues and/or intragovernmental charge revenues in order to balance their budgets.

**TIP**
Transportation Improvement Program – The TIP is the region’s short range project plan for transportation improvements. It outlines the investment program of capital improvements to the metropolitan transportation system.

**UCR**
Uniform Crime Report

**UI**
Unemployment Insurance

**Utilities**
The municipality owns Anchorage Water & Wastewater Utility (AWWU). The entity submits its own budget which is separate and distinct from general government.

**Vacancy Factor**
A percentage of expected time a position is expected to be vacant through the course of the year. Since it is assumed that not all positions will be filled 100% of the fiscal year, this too realizes up-front budgetary savings.

**Vacancy Savings**
A percentage or dollar amount of salaries which can be expected to remain unspent during the fiscal year due to vacancies and employees receiving less than the top-step pay of a position’s classification.

**Veto**
The Charter gives Anchorage’s mayor the authority to stop an action approved the Assembly. A mayor can stop (veto) an ordinance (code change) from being enacted. Anchorage’s mayor also has “line-item” veto authority, which enables the mayor to reduce the dollar amount approved in a budget. Eight (out of eleven) members of the Assembly then can override a mayor’s veto, thereby allowing the ordinance to become law.
