PUBLIC EMPLOYEES, LOCAL 71

Article 2.11 Employee Representative Rights

Article 2.11.1 General Rights

The parties acknowledge and agree that the Union has the right and obligation to fairly and diligently represent the legitimate employment interests of MOA employees who are members of the bargaining unit covered by this Agreement. The MOA agrees that it will not interfere with the relations between the Union and MOA employees. The MOA recognizes the right of a union to discipline members for violation of any union laws, rules or agreements. The Employer agrees that it will not in any manner, directly or indirectly, attempt to interfere between any employees and the Union, and that it will not in any manner restrain or attempt to restrain any employee from belonging to the Union or from taking an active part in union affairs, and that it will not discriminate against any employee because of union membership or lawful union activity.

Employees shall not be discriminated against for upholding union principles or for serving on a committee and shall not lose their positions or be discriminated against for these reasons. Employees appointed or elected to office in the union which requires all of their time shall not lose their established seniority with the MOA (seniority frozen) and shall be granted a leave of absence without pay for the duration of the term of office upon application. The MOA need not preserve the employee's position and will be obligated to return the employee only to a position in the department in which the employee was employed which is vacant and equal to or less than the position, which the employee vacated, and for which the employee is qualified. The right to return to a vacant position shall last for one (1) year from the commencement of the leave and shall be subordinate to any employment preference applicable to the position.

Article 2.11.2 Union Security

- A. The parties agree that it shall be a condition of continued employment that all employees of the MOA who are covered by this Agreement who are members in good standing of the Union shall remain members in good standing and that those employees of the MOA who are covered by this Agreement who are not members in good standing of the Union shall become and thereafter remain members in good standing of the Union on or before the thirty-first (31st) calendar day following the date of the employee's employment by the MOA or the effective date of this Agreement, whichever occurs later. All employees covered under the terms of this Agreement who are not already union members may make application to join the Union as a full member or become an agency fee-payer.
- B. A shop Stewart or business representative will be notified of all hired or re-hired bargaining unit members and will be allowed to meet with all such employees up to sixty (60) minutes during regular work hours within ten (10) calendar days of hire or rehire. Such meetings will be on paid time and will not require the use of leave. In cases where there are multiple employees hired or rehired in the same pay period. The Union will make every effort to meet with the employee as a group and not individually for a maximum sixty (60) minutes.
- C. The Municipality shall not discourage an employee from joining the Union or becoming an agency fee-payer.
- D. The MOA agrees that it will not disclose home address(es), personal telephone number(s), personal cell phone numbers(s), or personal e-mail address(es) of any employees except when it is in relation to municipal employment, as legally mandated, or to the Union.
- E. Nothing in this Agreement prohibits the Union from charging a nonmember for the cost of a grievance and/or arbitration filed at the request of the nonmember.

PUBLIC EMPLOYEES, LOCAL 71

Article 2.11.3 Dues Check Off

The MOA will deduct from the wages of those employees who have signed a dues check off authorization form approved by the MOA, on a monthly basis, the regular dues and initiation fees owed by the employee to the Union as certified by the secretary of the Union. The forms being used by the parties on the effective date of this Agreement are approved. The MOA shall forward such dues and initiation fees to the Union by the fifteenth (15th) day of the month following the month in which said dues are checked off. The MOA shall use reasonable care in checking off and forwarding said dues and initiation fees, but shall not be liable for any failure to do so other than an intentional, bad faith failure to forward said dues and initiation fees. The Union assumes all obligations and responsibility for the continued membership of its members and the collection of their dues.

Article 2.11.4 Stewards

The Union may appoint such stewards as are set forth below. All stewards shall be working stewards. As scheduled by management, a steward may spend a reasonable amount of time during working hours attending to union business within the department. The duties and activities of the shop steward shall include handling of complaints and grievances and administration of the Agreement. For these duties the shop steward's wages will be borne by the MOA and the hours worked in this capacity will be counted as hours worked for determining overtime eligibility. Stewards must document the time spent on union business on their timecards. Where there is more than one shop steward in a location, the Union shall designate one steward as lead.

Recognized Stewards as listed:

Cultural & Recreation Services:	One Steward at Horticulture
	Two Stewards at Parks & Recreation Maintenance Anchorage
	One Steward Parks & Recreation Maintenance Eagle River

When an off duty shop steward has to be called in to represent an employee, the shop steward will only be paid for actual hours worked. This shall not entitle the shop steward to call out pay.

Article 2.11.5 Visits to Employer Work Locations

Non-employee Union representatives may visit only those MOA facilities or work locations occupied by employees which the Union represents, and only on official business. Only union business representatives may visit MOA property during working hours. Non-employee Union representatives may not visit such locations in connection with union elections or other internal union affairs. With regard to each visit, the Union must provide the department/agency head, or designee, who controls the location with reasonable advance notice (not less than one (1) hour) of an intent to visit and the notice must specify the reason for the visit. The visit may not interrupt, distract or interfere with the work of employees. The department/agency head may refuse to consent to the visit if it would unduly interfere with the work of employees or activities of the department or agency, or terminate the visit if it interferes with the work of employees or activities of the department or agency. If the visit is refused, the department/agency head must reschedule the visit at the earliest convenient time. Union representatives may conduct meetings on MOA premises only with the consent of the department/agency head and only with regard to official business affecting the MOA, its employees and the union. Union representatives may conduct meetings of MOA employees during employee working time only with the express consent of the department/agency head whose employees would be affected.

PUBLIC EMPLOYEES, LOCAL 71

Article 2.11.6 Jurisdictional Disputes

Disputes which arise between the Union and another Municipal union concerning representation of employees may be presented by the Union(s) to the Employee Relations Board for resolution.

Article 2.11.7 Administrative Notification

The Union shall be notified in writing of any Municipal directive, memorandum, rule or regulation which cover or affect areas covered by this Agreement or which affect any group of employees working under this Agreement. The Union business representative shall be given adequate notice by the MOA prior to the time that any committee defined by this Agreement is convened.

Article 2.11.8 Bulletin Boards

The MOA shall provide bulletin boards and/or space on existing bulletin boards as reasonably requested by the Union.

Article 2.11.9 Union Business Leave Bank

- A. There is created a Union Business Leave Bank which shall be administered by the MOA with a report of the balance and withdrawals provided to the Union Business Manager upon request. The Bank shall be established by a transfer of two (2) hours of cashable annual leave from each regular employee by the MOA on the second full pay period in January of each year; seasonal employees shall transfer one (1) hour of cashable leave for each season worked not to exceed two (2) hours per calendar year, and this will occur on the second pay period following hire. The Bank will be capped at 1200 hours. Time off on Union leave for negotiation purposes shall count as hours worked for the purpose of determining overtime eligibility within the workweek.

Withdrawal requests from the Bank will be for purposes of contract negotiations, executive meetings, training sponsored by the Union, and other purposes as may be determined by the Business Manager. Requests for withdrawals from the Bank shall be made only by the Business Manager of the Union or designee to the Human Resources Director. Cashable annual leave transferred to the Bank is final and not recoverable for re-credit to an employee's leave account.

- B. The release of employees for Union leave from duty shall be handled on the same basis as release from duty for personal leave; however, such release shall not be unreasonably withheld by the supervisor.
- C. Shop Stewards may be granted leave without pay, not to exceed two (2) days each year for training purposes with prior approval of the department and the Human Resources Director.
- D. During the course of this Agreement, the Union may make a once per year purchase of Union Business Leave hours, not to exceed 300 hours during the term of this Agreement, at an agreed-upon rate of \$20.00 per hour.

Article 2.12 Productivity

The overriding consideration in the establishment of productivity standards is an honest day's work for an honest day's pay. Since the issue of assuring the community that they are receiving the best services for their tax dollars is of critical interest to both management and labor, labor recognizes that the establishment of such productivity improvements is the right and obligation of

PUBLIC EMPLOYEES, LOCAL 71

management. The Union will be informed in advance of any proposed change in productivity standards and given the opportunity to discuss the proposed change(s) with the MOA prior to implementation.

Maximized productivity is recognized to be a mutual obligation of both parties within their respective roles and responsibilities. Work procedures, schedules and assignments or any other means of increasing productivity may be established and/or revised from time to time at the discretion of the Municipality as long as no right guaranteed employees under this Agreement is violated.

Article 2.13 Contracting Out

For the purposes of this Article, "contracting out" shall mean the procurement of goods and/or services by the MOA or any agency thereof from sources other than municipal employees. The Union recognizes that the Municipality has statutory and charter rights and obligations in contracting for matters relating to Municipal operations. The right of contracting or subcontracting is vested in the Municipality. The right to contract or subcontract shall not be used for the purpose or intention of undermining the Union nor to discriminate against any of its members. The Municipality further agrees that it will not lay off any employees of an agency, who have completed their probationary periods and have regular employee status, because of the exercise of its contracting or subcontracting rights within that agency, unless as the result of a contract approved by the Assembly under the Municipal Managed Competition Program ("Program") dated September, 2013 or a substantially similar Municipal Managed Competition Program approved by the Assembly. Regular employees laid off as a result of the Program shall be paid a lump sum severance benefit of forty (40) hours of the employee's factored rate pay for every year of service if at least one (1) year of service has been completed at the time of lay-off. Severance pay will not exceed four hundred (400) hours.

Article 2.14 Meet and Confer

The parties agree that they will meet and confer in good faith at reasonable times and places concerning this Agreement and its interpretation or any other matter of mutual concern to employee representatives and the MOA. The parties further agree that any party to this Agreement may request, in writing delivered to the other party, that the parties confer within fourteen (14) calendar days after the date of delivery of the request, which shall specify the matter to be discussed. Union requests to meet and confer shall be delivered to the MOA Director of Human Resources. MOA requests to meet and confer shall be directed to the Union. The Union and the MOA Director of Human Resources may designate who their respective representatives shall be at the meet and confer sessions. A refusal to meet and confer in response to such request shall be a violation of this Agreement. There shall be no obligation on the part of any party to reopen, modify, amend, or otherwise alter the terminology or interpretation of this Agreement, or to make any other agreement as a result of any such conferences, nor shall the requirement for such conferences alter the rights or obligations of the parties under this Agreement. The parties recognize that the success of the MOA in conducting the affairs of government and the job security of MOA employees and effective administration of this Agreement depends upon mutual cooperation and frequent and effective communication among all parties. To these ends, the MOA and the Union fully encourage and pledge themselves to friendly and cooperative relations at all levels and among all employees, whether or not covered by this Agreement.

Article 2.15 Provisions of Seasonal Employees

- A. Seasonal Employees are subject to Article 2.11.2, Union Security and Article 2.11.3, Dues Check Off.

PUBLIC EMPLOYEES, LOCAL 71

- B. **Seasonal Re-Hire.** Absent an unsatisfactory performance rating, Seasonal Employees will have preferential opportunity for subsequent seasonal employment in the same department classification and work unit if the seasonal vacancy exists in the following season. Re-hire of seasonal employees can be accomplished directly between the MOA and the re-hire candidate, and does not require the MOA to contact the hiring hall in advance.
- C. **Grievances.** Seasonal Employees may file grievances up to and including Step II in the grievance process and, if necessary, seasonal employees may utilize mediation to resolve disputes after exhausting the grievance process. Cost of mediation will be split evenly between the MOA and the Union. All grievances filed by Seasonal Employees, or about Seasonal Employees, or about seasonal employment, are expressly exempt from the arbitration provisions of the Collective Bargaining Agreement.
- D. **Wage Step Progression.** Seasonal Employees will advance to the next step upon completion of one hundred and eighty (180) calendar days, and yearly on that date thereafter, provided there is no break in service longer than one (1) year. Seasonal employment in one classification does not accumulate wage progression credit towards wage progression in another classification. Original appointment to any Seasonal position shall be made at the entrance rate, except as provided in AMC 3.30.124D of the Municipality's Personnel Rules.
- E. **Seasonal Leave.** Seasonal Employees accrue Seasonal Leave at a rate of 6.0 hours per pay period prorated for actual hours paid based on an 80-hour pay period. Unused Seasonal Leave is cashable at 100% redemption rate at the termination of seasonal employment. Accrued Seasonal Leave expires with the termination of seasonal employment and cannot be carried forward into another employment period.
- F. **Other Provisions of the Agreement.**
1. Seasonal Employees are entitled to overtime and shift differential as specified in Article 5.
 2. Seasonal Employees shall be paid the hourly wage rate for the classification in which they are working.
 3. Seasonal Employees who are subpoenaed as a witness regarding Municipal work shall be eligible for court leave during work hours as specified in Article 4.7.
 4. Seasonal Employees shall be granted three (3) working days of paid bereavement leave for a deceased immediate family member.
 5. Seasonal Employees are specifically excluded from participation in all other provisions of the Collective Bargaining Agreement between the parties, unless expressly enumerated in this Article.
- G. **Holidays.** Seasonal Employees are entitled to recognized municipal holidays as provided in this Agreement. Seasonal Employees are not entitled to the personal holidays. If employees are not in an approved paid status for the entire shift on the last regular work day preceding such holiday and on the next regular work day following such holiday they shall forfeit their right to payment for the holiday.
1. The hours paid as holiday pay are not counted as hours worked for the purpose of determining eligibility for overtime pay in the weeks in which the holidays fall.

PUBLIC EMPLOYEES, LOCAL 71

- H. **Probation.** Probation does not apply to an appointment to a seasonal position since a person so appointed serves at the pleasure of the appointing authority and is subject to summary removal for any reason or for no reason. The MOA shall be the sole judge of a seasonal worker's ability, qualifications, competence, and performance.
- I. **Required Safety Footwear Allowance.** On the first full pay period after advancing to Step Two (2) of the wage schedule and annually thereafter upon rehire, Seasonal Employees shall be provided a footwear allowance for required safety footwear of fifty dollars (\$50) provided there is no break in service longer than one (1) year.

PUBLIC EMPLOYEES, LOCAL 71

ARTICLE 3 EMPLOYMENT

Article 3.1 **Types of Positions**

The different types of positions are regular, temporary, and seasonal.

Article 3.2 **Filling Vacant Positions**

Vacant positions will be filled by legally mandated placement or reinstatement, transfer or demotion in lieu of layoff, recall from layoff, seasonal recall, hire/rehire, promotion, transfer, demotion, or demotion for disciplinary reasons. Positions shall be filled as legally mandated or by the most qualified applicant as determined by the Municipality

Article 3.3 **Position Vacancy Announcements**

A. **Contents:** When recruiting for a vacant position, the position vacancy announcement shall include the classification title, pay grade and salary, description of the work to be performed, minimum qualifications, and other relevant information.

B. **Advertising:** Position vacancy announcements shall be advertised as follows.

1. Union Dispatch. The Union shall maintain a hiring hall and refer qualified applicants to the MOA when requested. The MOA agrees to use the hiring hall to obtain qualified workers necessary to fill classifications covered by this Agreement.

When the MOA requests qualified applicants from the Union, the Union shall have forty-eight (48) hours (excluding Saturday, Sunday, and recognized holidays) to refer qualified applicants to the MOA.

This requirement does not apply to the rehire of Seasonal employees.

2. Concurrent advertising. In an effort to maximize efficiencies, the MOA may advertise position vacancies internally and concurrently with the Union and other external sources. However, the MOA shall give priority consideration to internal applicants first and then Union referred applicants. The MOA may consider other applicants only if all internal and Union referred applicants have been rejected. The agency shall not be provided other applicants until internal and union referral applicants have been rejected.

Article 4.2.2 Forfeiture of Holiday Pay

Additionally, employees will be eligible for specified periods of paid time off for military duty, court duty, paid parental leave, and bereavement leave for members of their immediate family. Seasonal employees are eligible for leave under Article 2.15. Under the conditions specified in this article, the Municipality may approve periods of unpaid time off to allow employees to meet personal, family or medical needs.

Article 4.3.1 Accrual of Annual Leave

A. Annual Leave Accrual Rate

- 1. Full-time employees hired prior to July 1, 1991, shall accrue annual leave at the following rate:

11+ years of service	-	12.5 hours per pay period
----------------------	---	---------------------------

- 2. Beginning the first full pay period on or after Assembly approval, full-time employees hired after June 30, 1991, shall accrue leave at the following rates:

0 – 2 years of service	-	6.15 hours per pay period
3 – 5 years of service	-	6.77 hours per pay period
6 – 10 years of service	-	9.23 hours per pay period
11 + years of service	-	11.85 hours per pay period
20+ years of service	-	12.5 hours per pay period

- 3. If an employee is in a paid status for less than eighty (80) hours in a pay period, then the above accrual rates shall be pro-rated based on actual hours paid.

If any change occurs in the length of the pay period, the accrual rate per pay period will be adjusted to result in the same annual accumulation rate as that stated above.

B. Annual Leave Accrual While on Leave

Leave accrues during the period of time an employee is on paid leave. Leave does not accrue during periods of injury leave, paid parental leave or leave without pay.

C. Annual Leave Accrual Limits

PUBLIC EMPLOYEES, LOCAL 71

Accrued and unused leave may be carried over to the next year for the purpose of accumulating an Annual Leave Account, or reserve; however, at the end of the last full pay period of the calendar year an employee may not have more than four hundred and eighty (480) hours of leave.

D. Sick Leave Accumulation

Sick leave does not accrue separately, like annual leave, on a regular basis; it accumulates through conversion of excess of hours of annual leave to sick leave as of the first pay period of the new calendar year.

Article 4.3.2 Regular use of Annual Leave

- A. An employee shall be allowed to use any amount of accrued leave at the time the employee desires that will not be detrimental to agency operations, as determined by the Agency Head. Agency Heads shall establish a vacation leave schedule no later than January and shall give consideration to total municipal service in determining such schedules within each work unit.
- B. Every calendar year, full-time employees must take at least eighty (80) hours of annual leave which must be taken each year by the last full pay period of the year. This limitation shall not apply to new or rehired employees until the last pay period of the second (2nd) year following the employee's date of hire or rehire. Seasonal employees who convert to a regular position, without a break in service, are exempt from this provision until the last full pay period of the second (2nd) year following the date of conversion to a regular position. Employees who fail to take the full eighty (80) hours of annual leave shall be considered to have forfeited those hours as if they had been taken. The difference between the hours taken and eighty (80) hours shall be subtracted from the employees' annual leave accounts at the end of the year. Forfeited hours shall be donated to the Union Leave Bank. The difference between the hours taken and eighty (80) prorated hours shall be subtracted from the employee's annual leave account at the next pay period following the last full pay period in December.

It is the responsibility of the Agency Head to ensure that work is conducted and leaves scheduled so that each employee shall have the opportunity to use leave.

- C. Whenever, in the opinion of the Mayor, it is not feasible or in the best interest of the service to grant earned leave to an employee, the Mayor may authorize exceptions to accumulation rules or cash in lieu of leave not to exceed eighty (80) hours in any calendar year providing the employee shall retain at least eighty (80) hours of leave in the employee's account.

D. Cash-In

Subject to the availability of cash and normal budgetary limitations, cash in lieu of accrued cashable annual leave may be obtained twice each calendar year by submitting a request in writing to the employees' Agency Head provided the employee retains at least eighty (80) hours of annual leave in his or her annual leave account following cash payment. Leave cash-in does not satisfy the eighty (80) hours annual leave usage requirement.

E. Donation of Leave

PUBLIC EMPLOYEES, LOCAL 71

An employee may donate cashable annual leave to a fellow employee who is qualified under the MOA's Leave Donation Program.

Article 4.3.3 Annual Leave Conversion and Cash-In

A. Cash-In

All hours of cashable annual leave in excess of four hundred and eighty (480) hours, unless converted to cashable sick leave under Subsection (B) below, shall be paid in cash to the employee in the next pay period following the last full pay period in December. The employee's factored rate of pay as of the last day in the last full pay period of December will be utilized for the leave cash-in rate.

B. Sick Leave Conversion

Upon the written request of the employee as of the last full pay period of the calendar year, up to eighty (80) hours of excess cashable annual leave may be committed each year into a separate cashable sick leave account which shall have a cash-in value upon separation. Conversion of excess annual leave to a cashable sick leave account does not satisfy the eighty (80) hours annual leave requirement.

C. Cashable Leave at Termination

Upon termination for any reason employees shall be entitled to payment for unused cashable annual and unused cashable sick leave balances. Such payment shall be made at the rate of 100% of the then current value of the employee's leave balance based upon the factored hourly rate at time of termination. Non-cashable leave shall be forfeited upon termination.

Article 4.4 Cash Value of Accrued Leave

- A. Annual leave has no cash value, except as provided in Article 4.3.3 while an employee remains actively employed.
- B. Upon termination for any reason, employees shall be entitled to payment for their unused annual leave balance based on their factored rate of pay at the time of termination.
- C. Cashable sick leave available under Article 4.3.3 B shall be paid to employees based on the factored rate of pay at time of cash-in or usage.

Article 4.5 Bereavement Leave

A regular employee shall be granted three (3) consecutive working days of paid bereavement leave for a deceased immediate family member while in Alaska, or four (4) consecutive working days if travel out of state is required. Such leave shall not be deducted from the employee's leave account. At the employee's request, annual leave may be approved.

Article 4.6 Blood Donation Leave

Employees shall be eligible for leave to donate blood, in accordance with the procedures outlined in MOA P&P 40-1.

Article 4.7 Court Leave

- A. Employees called for jury duty shall be treated as being on approved paid court leave.

PUBLIC EMPLOYEES, LOCAL 71

- B. A court appearance when subpoenaed as a witness for the Municipality or to testify in a matter directly related or as a result of their employment with the Municipality will be treated the same as jury duty, as being on paid court leave.
- C. An employee shall provide the department head with a copy of a notice of call for jury duty or a municipal subpoena immediately upon receipt by the employee. When excused or released from jury duty or as a witness for the day, the employee shall return to work immediately, allowing for delay for the period of time reasonably necessary to travel to and from home to change into work clothing. Reasonably necessary paid time is not to exceed forty-five (45) minutes.
- D. Employees called for a court appearance or jury duty shall be temporarily reassigned to a day shift during the period of time when required to call in for jury, while seated on a jury, or when subpoenaed.
- E. Employees shall be paid their factored rate of pay for any time they are scheduled to work and are required to report for a court appearance or jury duty.

Article 4.8 **Military Leave**

- A. Any regular employee who is ordered to report to military training or active duty in the Army, Navy, Air Force, Coast Guard, Marine Corps, National Guard or organized military reserves of the United States shall be allowed up to fifteen (15) working days leave per calendar year for such purpose. During such leave, the employee is not entitled to double compensation. In cases where the employee's military pay is less than or equal to their Municipal pay the Municipality will recoup the amount of the employee's military pay. In cases where the employee's military pay is greater the Municipality will recoup the total Municipal pay. Employees shall be paid the difference in their factored pay and their military pay. Such military leaves shall not be deducted from accrued annual leave. Employees ordered to attend additional periods of military duty may take annual leave or leave without pay for such duty.
- B. **Military leave without pay.**
 - 1. An employee ordered to active military duty shall, upon request, be entitled to up to five (5) years of military leave without pay, or in accordance with applicable federal laws, for the purpose of fulfilling the employee's military commitment.
 - 2. An employee placed on leave without pay under this subsection will:
 - a. Remain a Municipal employee.
 - b. Be reinstated in accordance with Article 3.
 - c. Have the opportunity to purchase health insurance in accordance with the health plan and federal and state law.
 - d. May elect to use paid annual leave or elect leave without pay.
 - 3. A reinstated employee shall be reemployed in such a manner as to give the employee such status in employment as the employee would have enjoyed if the employee had continued in that employment.
 - 4. An employee placed on military leave without pay may be replaced by temporary or substitute employees, depending on the needs of the agency and the anticipated duration of the leave.

PUBLIC EMPLOYEES, LOCAL 71

5. To the extent that an employee is guaranteed rights under federal or state law which exceeds the benefits contained in this subsection, the applicable law will apply.

Article 4.9 Injury Leave

Article 4.9.1 Eligibility.

Any regular employee shall be eligible for injury leave who (1) is injured in the scope of employment and is unable to fully perform the duties of the employee's job classification, and (2) receives time loss benefits under the Alaska State Workers' Compensation Act as a result of that injury. The employee shall provide the municipality's worker's compensation administrator with all requested documentation.

Article 4.9.2 Period of Eligibility.

All injury leave, including light duty, expires one (1) calendar year from the date of the original injury. If an employee is unable to perform the duties of the employee's job classification with or without a "reasonable accommodation" for a qualifying disability under the Americans with Disabilities Act Amendment Act (ADAAA) within one (1) calendar year after the date of the original injury, the Director may terminate the employee. An employee shall not be eligible for injury leave or any light duty for any recurrences or exacerbation(s) of the original injury after the one (1) calendar year has elapsed, unless part of a "reasonable accommodation" for a qualifying disability as defined by the ADAAA.

Article 4.9.3 Light Duty.

An employee on injury leave who is unable to fully perform the duties of the employee's job classification may be offered light duty and perform modified or alternate duties if available and at the discretion of the Agency Head. The employee shall be capable and qualified to perform the assigned work. The employee shall be compensated at the employee's factored rate of pay.

Article 4.9.4 Medical Appointments.

An employee on light duty who is working full time is encouraged to schedule doctor's appointments during off hours. If an employee is unable to schedule injury related medical appointments during non-work hours, the employee shall be released from work for no more than two (2) hours per week, including travel time, for one (1) year from the date of the original injury. The employee shall not be charged leave for those two (2) hours per week. The employee shall return to work for the remainder of the shift following the medical appointment.

Article 7.2 Grievance Defined

Only complaints or disputes of an employee acting through the Union, arising under this Agreement and involving an alleged violation, misapplication or misinterpretation of this Agreement or complaints of the MOA or the Union are subject to the grievance procedure. The MOA or the Union may file a grievance on its own behalf only when the grievance alleges a violation, misapplication, or misinterpretation of this Agreement which deprives the MOA or the Union of a specific right, power, or entitlement granted or reserved to it in this Agreement. MOA and Union grievances are to be filed in writing commencing at Step II of this grievance procedure. Allegations of unlawful discrimination are not grievable under this Agreement unless all public agencies which might have jurisdiction to investigate such allegations refuse to do so.

A grievance may be filed by the Union on behalf of all employees who are similarly situated. Such "class action" grievances must identify all members of the class with sufficient particularity to enable the parties to determine who would be affected by the resolution of the grievance. Class action grievances must be signed by one member of the class, and must be filed on the Union grievance form.

The Union shall provide to the Human Resources Director or designee a list of business representatives who are Union designees for the purpose of pursuing and resolving Union grievance matters. This list is to be resubmitted any time there is a change in personnel on behalf of the Union.

The written form of the grievance is to contain the following information:

1. Nature of the grievance and the specific circumstances out of which it arose;
 2. Remedy requested;
 3. Article(s) and Section(s) of this Agreement alleged to be violated, relied upon, or claimed to have been violated;
 4. Date of alleged violation(s); and
 5. Signature of the grievant, if applicable, and the union representative.
- B. In the application of this article, "business days" excludes Saturdays, Sundays, and recognized Municipal holidays. Nothing in this article is to be construed to prevent settlement of a grievance by mutual agreement of the parties at any time. The expenses of the arbitration are borne equally by the Municipality and Union representing the grievant.
- C. At each step the time requirements may be extended in writing by mutual agreement. Failure by either party to follow the time limits for advancing the grievance to the next step in the grievance and arbitration procedure set forth below shall result in the grievance being resolved against the party failing to follow time limits without precedent.
- D. For cases involving discharge the grievance procedure begins at Step II of the procedure and the parties agree to make every effort to schedule the arbitration on an expedited basis.

PUBLIC EMPLOYEES, LOCAL 71

Article 7.3.4 Arbitrability

In the event that any question involving the procedural arbitrability of any grievance arises, unless otherwise agreed by the parties, any procedural arbitrability question is to be arbitrated in a separate hearing prior to the commencement of arbitration on the merits of the grievance. Different arbitrators shall be used for the two hearings unless otherwise agreed by the parties. The hearing on the merits will not commence until a decision is rendered on the arbitrability questions.

Article 7.3.5 Selection of the Arbitrator
