ALASKA LAW STATES:

- A.** The assessor shall assess property at its full and true value as of January 1 of the assessment year. The full and true value is the estimated price that the property would bring in an open market and under the then prevailing market conditions in a sale between a willing seller and a willing buyer both conversant with the property and with the prevailing general price levels. (AS 29.45.110) Testimony or evidence as to the value of the appealed property must relate to its value as of January 1 of the assessment year. **THIS MEANS YOUR PROPERTY SHOULD BE ASSESSED AT 100% OF MARKET VALUE.**
- B. APPEALS:** A person whose name appears on the Assessment roll or the agent of that person may appeal to the Board of Equalization (BOE) for relief from an alleged error in valuation... Appeals must be submitted within 30 days after the date of mailing of assessment notice.... (AS 29.45.190)
- C. THE APPELLANT BEARS THE BURDEN OF PROOF.** The only grounds for adjustment of assessment are proof of unequal, excessive, improper, or under valuation based on facts that are stated in a valid written appeal or proven at the appeal hearing. If a valuation is found to be too low, the Board of Equalization may raise the assessment. (AS 29.45.210(b))
- D.** If an appellant fails to appear, the Board of Equalization (BOE) may proceed with the hearing in the absence of the appellant. (AS 29.45.210(a))
- E.** An appellant or the assessor may appeal a determination by the Board to the Superior Court. Appeals to the Superior Court must be filed within 30 days following the Board's final decision. (AS 29.45.210(d))

Instructions Regarding the Appeals Process

Contact the Property Appraisal Division to review your valuation any time you have concerns regarding your property value. During the first 30 days after assessment notices are mailed we are able to review and adjust values. Property owners can often settle disagreements at this level without the need or expense of filing a formal appeal. Contact us early in the 30-day appeal period, as we are typically very busy during the last week of the period and may not have time to review your case without a formal appeal. It is always wise to review your property information at the assessor's office, on the Web, www.muni.org/pw or by phone to make sure it is accurate. Please direct questions regarding appealing your property value to (907) 343-6500.

Filing of Appeals:

1. All appeals must be filed with the assessor, specifying the grounds for the appeal, within 30 days from the date the assessment notice was mailed.
2. Appeals must be complete and presented on the prescribed form.
3. The appropriate filing deposit must be received by the assessor at the time of filing.

<u>Assessed Value</u>	<u>Filing Deposit</u>
\$ 1 to \$ 99,999	\$ 30
\$ 100,000 to \$ 499,999	\$ 100
\$ 500,000 to \$ 1,999,999	\$ 200
\$ 2,000,000 +	\$ 1,000

4. If the appeal is resolved prior to BOE hearing, **OR**; you have provided the data and access required by the assessor and you appear at the hearing, the deposit will be refunded.

Burden of Proof / Production of Evidence

The appellant bears the burden of proof. The only grounds for adjustment of an assessment are proof of unequal, excessive, improper, or under valuation based on facts that are stated in a valid written appeal or proven at the appeal hearing. (Alaska Statute 29.45.210(b))

1. All documents the appellant wishes to have considered in support of the appeal must be provided to the assessor within 15 days from the close of the appeal period. The assessor may agree to an extension under certain conditions. Contact the assessor's office regarding any extension request.
2. Upon receipt of an appeal, the assessor may require pertinent information and/or requisite inspections from the property owner. If an appellant has refused or failed to provide the assessor full access to property or records, the appellant shall be precluded from offering evidence on the issues affected by that access and those issues shall be decided in favor of the assessor.
3. In the event the assessor revised the valuation on a property under appeal and issues a withdrawal form, the appellant shall have one week to sign and return the withdrawal at the revised value. If a response is not received in a timely manner, the appeal will be forwarded to the Board of Equalization (BOE) for hearing.
4. Documents submitted as evidence by the appellant must be filed with the assessor no later than 15 days from the close of the appeal period unless the assessor has agreed to an extension. The Assessor shall provide the Board of Equalization and the appellant with an appeal packet including a copy of the appellant's appeal and a summary of the assessors' position. The property owner shall be notified of the location, date and time of the hearing approximately two weeks prior to the Board of Equalization hearing. You may also check the hearing schedule on the Web at: https://property.muni.org/PUBLIC_APPEAL_SCHEDULE.pdf
