The following are definitions from Anchorage Municipal Code 12.65.010

Alcoholic beverage includes, but is not limited to, whiskey, brandy, rum, gin, wine, ale, porter, beer, and all other spirituous, vinous, malt or other fermented or distilled liquors, whatever the origin, intended for human consumption as a beverage and containing one-half of one percent (0.5%) or more of alcohol by volume.

Sale(s) price means the consideration, whether money, rights, credit or other property expressed in the terms of money paid or delivered by a consumer to a retailer after reduction by any special offer, without deduction for the cost of property sold, materials used, labor cost, discount(s) provided based on other paid consideration, delivery costs or any other expense whatsoever paid or accrued and without deduction on account of losses.
