

LYNN KENNEY

Organization Representative

**Lynn Kenney, Program Coordinator
Statewide Independent Living Council of Alaska**

Lynn has a long history and deep knowledge of disability issues in Alaska. She currently serves as the Program Coordinator for the Statewide Independent Living Council of Alaska. She previously served as Project Trainer for UAA's Center for Human Development Partners in Policymaking Program. This program is designed to train individuals who experience disabilities, their families and service providers to become effective advocates for creating positive change.

A 32-year Anchorage resident, her interest in disability issues and the public process was finely honed while serving as a legislative aide for nearly a decade. During that time, she was a key staff person on the Health & Social Services Committee and Judiciary Committee. Those skills were also invaluable during her many years as staff to the Alaska Association on Developmental Disabilities.
