

Municipality of Anchorage

Senior Citizens Advisory Commission

Agenda for the Meeting of August 26, 2026

Regular Meeting | 10:00am – 12:00pm

Anchorage Senior Activity Center and via Zoom

Senior Citizens Advisory Commission Purpose

The purpose of the Senior Citizens Advisory Commission is to:

- Advise the Mayor, the Assembly, and appropriate department heads with respect to aspects of aging which bear upon the welfare of senior citizens;
- Conduct surveys and compile and disseminate for the benefit of senior citizens information on housing, health, nutrition, transportation, education, recreation, legal services, and social/mental health services;
- Carry out educational and public relations programs designed to create public awareness of the needs of senior citizens and the community services which senior citizens can provide;
- Assist and provide programs that alert elderly persons of the resources and services available to them.

If you would like to request an accommodation in order to be able to attend or participate in a public meeting, please contact the Municipal ADA Coordinator to make arrangements.
