

# Community Council Support for Cemetery Bond

The Community Councils of both Chugiak/Eagle River and Girdwood support a \$10 million proposed bond initiative that provides increased capacity of Anchorage's current only public cemetery. Engaged stakeholders worked with the Heritage Land Bank to identify and plan for additional local cemeteries. Throughout the documented public process, community members supported the analysis, including land management and environmental considerations.

Moving forward with this combined, supported bond initiative, stakeholders request support from the Heritage Land Bank Advisory Commission for a Spring 2023 Bond.

## HISTORY

### 2015

68% of Girdwood's voters voted to tax themselves for the cost of establishing and maintaining a cemetery. Girdwood and the Heritage Land Bank identified a parcel to study.

## ANALYSIS

### 2016-2019

Girdwood Cemetery Committee presented to the public a Feasibility Study, a Master Plan Analysis Report, and a Schematic Report detailing the proposed cemetery's four phases.

## FORECASTING

### 2020

Anchorage Daily News reported on June 22, 2020, that the Anchorage Memorial Park, established in 1915 and our only public cemetery, would run out of space for public burials by 2027.

## BOND INITIATIVE COST ESTIMATE

Anchorage Memorial Park's required renovations are estimated at \$3 million.

Girdwood's cemetery cost estimate is \$4 Million.

Chugiak/Eagle River's chosen cemetery site development is estimated at \$3 million.
