Honorable Mayor and Members of the Assembly:

I am pleased to present for your review **Sunset Audit Report 2021-S6, Port Commission, Port of Alaska**. A brief summary of the report is presented below.

In accordance with Assembly Ordinance Number 2011-64(S-1), Section 14, we have performed a sunset audit of the Port Commission. The objective of this audit was to provide information to the Mayor and Assembly to assist them in determining if the Port Commission should be reauthorized. Our audit included a review of meeting minutes, resolutions and agendas, and member authorization and participation.

Based on our review of meeting minutes, resolutions, and attendance records, we recommend that the Port Commission be reauthorized. The Port Commission is fully staffed. However, the terms for five Port Commission members expired on October 14 in 2016, 2017, 2019, and 2020 (two Port Commission members), but these members continued to serve on the Port Commission. According to the Port Commission Chair, Port Commission members were told that the Mayor and Assembly would renew appointments and that they were to continue serving as Port Commission members unless told otherwise.

The Port Commission will sunset October 14, 2021, unless reauthorized by the Assembly.

Sunset Audit Report 2021-S6
Port Commission
Port of Alaska

Introduction. We have performed a sunset audit of the Port Commission (Commission) as required by Assembly Ordinance Number 2011-64(S-1), Section 14 which states:

"The Municipal Clerk shall notify the Assembly and the Mayor by assembly memorandum at least 120 days prior to the sunset of any board or commission, and an ordinance for reauthorization shall be introduced through the Assembly Chair with the assembly memorandum. The assembly memorandum shall include direction to the Office of Internal Audit to audit the board or commission under Anchorage Municipal Code section 3.20.110 D.3. and 4. The Office of Internal Audit shall report its findings to the Mayor and Assembly at least 60 days, prior to sunset, prior to vote by the Assembly on reauthorization."

Objective and Scope. The objective of this audit was to provide information to the Mayor and Assembly to assist them in determining if the Commission should be reauthorized. Our audit included a review of meeting minutes, resolutions and agendas, and member authorization and participation.

We conducted this performance audit in accordance with generally accepted government auditing standards, except for the requirement of an external quality control review. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our findings and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our findings and conclusions based on our audit objectives. The audit was performed during the period of June through July 2021.

Overall Evaluation. Based on our review of meeting minutes, resolutions, and attendance records, we recommend that the Commission be reauthorized. The Commission is fully staffed. However, the terms for five Commission members expired on October 14 in 2016, 2017, 2019, and 2020 (two Commission members), but these members continued to serve on the Commission. According to the Commission Chair, Commission members were told that the Mayor and Assembly would renew appointments and that they were to continue serving as Commission members unless told otherwise.
