Sunset Audit Report 2021-S8
Public Transit Advisory Board
Public Transportation Department

Introduction. We have performed a sunset audit of the Public Transit Advisory Board (Board) as required by Assembly Ordinance Number 2011-64(S-1), Section 14 which states:

“The Municipal Clerk shall notify the Assembly and the Mayor by assembly memorandum at least 120 days prior to the sunset of any board or commission, and an ordinance for reauthorization shall be introduced through the Assembly Chair with the assembly memorandum. The assembly memorandum shall include direction to the Office of Internal Audit to audit the board or commission under Anchorage Municipal Code section 3.20.110 D.3. and 4. The Office of Internal Audit shall report its findings to the Mayor and Assembly at least 60 days, prior to sunset, prior to vote by the Assembly on reauthorization.”

Objective and Scope. The objective of this audit was to provide information to the Mayor and Assembly to assist them in determining if the Board should be reauthorized. Our audit included a review of meeting minutes, resolutions and agendas, and member authorization and participation.

We conducted this performance audit in accordance with generally accepted government auditing standards, except for the requirement of an external quality control review. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our findings and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our findings and conclusions based on our audit objectives. The audit was performed during the period of June through July 2021.

Overall Evaluation. Based on our review of meeting minutes, resolutions, and attendance records, we recommend that the Board be reauthorized.
