Important Benefit Information Municipal Police & Fire Medical Trust Retirees 2021 Announcement

The annual open enrollment period to add, change, or terminate your health/audio/dental/vision coverage for the 2021 plan year is October 22, 2020 through November 12, 2020.

The Municipality is moving to the Yukon Network in 2021. The new network will pay dialysis claims at 125% of Medicare. There could be balance billing, which is often written off by the provider.

We are adding the SaveOn SP Prescription Plan for specialty prescriptions. There is no member cost share for this specialty pharmacy prescription plan. The plan will receive manufacturer coupons for the specialty pharmacy prescriptions. Those savings will be shared between the plan and SaveOn SP. If your prescription qualifies for the program, you will need to actively enroll. SaveOn SP will reach out and assist you with the process.

You will receive new health plan cards from Premera in January. Please be sure the Municipality has your current mailing address on file.

Please complete and return the enclosed form on or before November 12, 2020. You may return the form via email, fax, or mail. Contact information is below if you have questions/concerns. Your premium deduction will start with your January 2021 retirement benefit check. ***Election forms received after the deadline will not be accepted.***

If you have a qualifying event (marriage, divorce, death of a spouse, birth/adoption of a child, loss or gain other coverage) during the plan year, you have the opportunity to change your election. You must contact the Benefits Department within 30 days of the qualifying event.
