

Anchorage, Alaska,  
May 20th, 1929.

The Honorable,  
The Mayor and Municipal Council,  
Anchorage, Alaska.

Gentlemen:-

The undersigned citizens of Anchorage, Alaska, respectfully petition your honorable body for the immediate acquisition of a suitable site for a municipal aeroplane landing field, and the appropriation of the necessary sum to contribute the city's share for the construction of a municipal airport under the provisions of Chapter 110, Session Laws of Alaska, 1929 (25% of the cost of construction).

We believe that an adequate aeroplane landing field is one of the principal needs of this city, and that the city should promptly take advantage of territorial aid in its construction, operation and illumination.
