ALASKA ROAD COMMISSION  
JUNEAU, ALASKA

ANCHORAGE, ALASKA,

September 3rd, 1929

City of Anchorage

Gentlemen:

Your bid for connecting the Avaition field with the City light service for the sum of \$1550.00 is hereby accepted.

This includes running pole line to a point fifty feet West of the West boundary of the field, placing underground conduit from this point to the intersection of the two runways, a distance of approximately one thousand feet, and placing a transformer at some convenient point to be determined upon later.

It is expected that the work will be started as soon as possible so that the service will be in use this fall
